AN ACT to amend the public health law, in relation to establishing a uterine fibroids awareness and education program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 267-c to read as follows:

3 § 267-c. Uterine fibroids awareness and education program. 1. The
4 department shall conduct an ongoing public awareness and education
5 program under section two hundred seven of this article on the symptoms,
6 diagnosis and treatment of uterine fibroids and the elevated risk for
7 minority women.

8 2. The department shall produce and distribute educational materials
9 on the elevated risks of uterine fibroids for minority women, symptoms
10 of uterine fibroids and available treatments. Such materials shall be
11 made available to appropriate health care providers for distribution to
12 patients. The department shall also provide information on the symptoms,
13 diagnosis and treatment of uterine fibroids and the elevated risk for
14 minority women on the department's internet website. No provision of
15 this subdivision shall be deemed to prohibit the utilization and
16 distribution of educational materials relating thereto produced by any
17 public, private or governmental entity, in lieu of the department's
18 production of such materials.

19 3. The department shall periodically review available data on the
20 symptoms, diagnosis and treatment of uterine fibroids and the elevated

2 educational materials and on its internet website, as appropriate.

3 4. The department shall report every three years, commencing April
4 first, two thousand thirty, to the governor, the temporary president of
5 the senate and the speaker of the assembly on the implementation of this
6 section and any recommendations for furthering the purpose of this
7 section.

8 5. Implementation of this section shall be contingent upon and shall
9 be conducted within appropriations made therefor.

10 § 2. This act shall take effect April 1, 2027. Effective immediately,
11 the addition, amendment and/or repeal of any rule or regulation neces-
12 sary for the implementation of this act on its effective date are
13 authorized to be made and completed on or before such effective date.
