10 shall be conducted at least once every two years. An impact assessment
11 shall be conducted prior to any material change to the artificial intel-
12 ligence that may change the outcome or effect of such system. Such
13 impact assessments shall include:

14 (a) a description of the objectives of the artificial intelligence;

15 (b) an evaluation of the ability of the artificial intelligence to
16 achieve its stated objectives;

17 (c) a description and evaluation of the objectives and development of
18 the artificial intelligence including:

19 (i) a summary of the underlying algorithms, computational modes, and
20 tools that are used within the artificial intelligence; and

1 (ii) the design and training data used to develop the artificial
2 intelligence process;

4 intelligence requires input of sensitive and personal data, how that
5 data is used and stored, and any control users may have over their data;

6 (e) an estimate of the number of employees already displaced due to
7 artificial intelligence; and

8 (f) an estimate of the number of employees expected to be displaced or
9 otherwise affected due to the increased use of artificial intelligence
10 in the workplace.

11 2. Any impact assessment conducted pursuant to this subdivision shall
12 be submitted to the department at least thirty days prior to the imple-

25 displacement surcharge. (a) A surcharge on corporations that terminate
26 the employment or substantially reduce the hours of at least the thresh-
27 old number of employees pursuant to this subdivision due to any system
28 or process that uses algorithms, computational models, artificial intel-
29 ligence techniques, robotic hardware, or a combination thereof, to auto-

44 sioner may prescribe.

45 (c) The commissioner, in consultation with the department of labor,
46 may waive the surcharge set forth by paragraph (a) of this subdivision

3 use of algorithms, computational models, artificial intelligence tech-
4 niques, robotic hardware, or a combination thereof, to remain econom-
5 ically viable.

6 (d) The department of labor shall annually report to the legislature
7 on the number of waivers that it has granted pursuant to paragraph (c)
8 of this subdivision, in the preceding year and the justification for why
9 each waiver was granted. Such report shall be sent to the temporary
10 president of the senate, the minority leader of the senate, the speaker
11 of the assembly, and the minority leader of the assembly and shall be
12 made available to the public on the website of the department.

13 2. Imposition of data mining surcharge. (a) A surcharge on corpo-

22 commissioner may prescribe.

23 3. Applicable provisions. (a) Except as otherwise provided in this
24 section, the surcharges imposed under this section shall be administered
25 and collected by the commissioner in a like manner as the taxes imposed
26 by article twenty-eight of this chapter. All the provisions of article

28 nitions, exemptions, returns, personal liability for the tax, collection
29 of tax from the customer, payment of tax, and the administration of the
30 taxes imposed by such article, shall apply to the surcharges imposed
31 under the authority of this section so far as those provisions can be
32 made applicable to the surcharges imposed by this section, with such
33 modifications as may be necessary in order to adapt the language of
34 those provisions to the surcharges imposed by this section. Those
35 provisions shall apply with the same force and effect as if the language
36 of those provisions had been set forth in full in this section, except
37 to the extent that any of those provisions is either inconsistent with a
38 provision of this section or is not relevant to the surcharge imposed by
39 this section. For purposes of this section, any reference in this chap-
40 ter to a tax or the taxes imposed by article twenty-eight of this chap-
41 ter shall be deemed also to refer to the surcharges imposed by this
42 section unless a different meaning is clearly required.

43 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
44 sion:

45 (1) the exemptions provided for in section eleven hundred sixteen of
46 this chapter, other than the exemptions in paragraphs one, two and three

4 be used, in a manner prescribed by the commissioner of the department of
5 labor, for worker retraining programs administered by the department,
6 workforce development programs administered by the department or to be
7 paid to the unemployment insurance fund.

8 § 4. This act shall take effect immediately; provided, however, that
9 section three of this act shall take effect January 1, 2026.
