AN ACT to amend the civil service law, in relation to providing additional credits to Nassau county law enforcement explorers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Nassau future protectors act".

3 § 2. The civil service law is amended by adding a new section 85-e to
4 read as follows:

5 § 85-e. Additional credit allowed for Nassau county law enforcement
6 explorers in competitive examinations; preference in retention upon
7 abolition of positions. 1. Additional credits shall be allowed for
8 participants of the Nassau county law enforcement exploring program in
9 competitive examinations for original appointment. The Nassau county law
10 enforcement exploring program shall be defined as a youth police train-
11 ing program which provides youths between the ages of fourteen and twen-
12 ty with training and on the purpose, mission and objectives of the
13 Nassau county police department, public safety and law enforcement.

14 (a) On all eligible lists resulting from competitive examinations, the
15 names of eligible persons shall be entered in the order of respective
16 final earned ratings on examinations, with the name of the eligible
17 person with the highest final earned ratings at the head of such list,
18 provided, however, that for the purpose of determining final earned
19 ratings, Nassau county law enforcement explorers shall be entitled to
20 receive additional points in a competitive examination for original

1 appointment in Nassau county. An eligible person who served as a Nassau
2 county law enforcement explorer for a minimum of four years shall
3 receive an additional five points. An eligible person who served as a
4 Nassau county law enforcement explorer for less than four years shall
5 receive an additional two points.

6 (b) Such additional credit shall be added to the final earned rating
7 of such Nassau county law enforcement explorer, after such explorer
8 qualified in the competitive examination and shall be granted only at
9 the time of establishment of the resulting eligible list.

10 2. Any candidate, believing themselves to be entitled to additional
11 credit in a competitive examination as provided in this section, may
12 make application for such additional credit at any time between the date
13 of application for examination and the date of the establishment of the
14 resulting eligible list. Such candidates shall be allowed a period of
15 not less than two months from the date of the filing of the application
16 for examination in which to establish by appropriate documentary proof
17 the eligibility to receive additional credit under this section. At any
18 time after two months have elapsed since the final date for filing
19 applications for a competitive examination for original appointment, the
20 eligible list resulting from such examination may be established,
21 notwithstanding the fact that a Nassau county law enforcement explorer
22 who has applied for additional credit has failed to establish the eligi-
23 bility to receive such additional credit. A candidate who fails to
24 establish, by appropriate documentary proof, the eligibility to receive
25 additional credit by the time an eligible list is established shall not
26 thereafter be granted additional credit on such eligible list.

27 3. (a) Except as otherwise provided in this subdivision, no person who
28 has received a permanent original appointment in the civil service of
29 Nassau county thereof from an eligible list on which such person was
30 allowed the additional credit granted by this section as a Nassau county
31 law enforcement explorer, shall thereafter be entitled to any additional
32 credit under this section.

33 (b) Where, at the time of establishment of an eligible list, the posi-
34 tion of a Nassau county law enforcement explorer on such list has not
35 been affected by the addition of credits granted under this section, the
36 appointment of such Nassau county law enforcement explorer from such
37 eligible list shall not be deemed to have been made from an eligible
38 list on which they were allowed the additional credit granted by this
39 section.

40 (c) If, at the time of appointment from an eligible list, a Nassau
41 county law enforcement explorer is in the same relative standing among
42 the eligible persons who are willing to accept appointment as if such
43 explorer had not been granted the additional credits as provided by this
44 section, the appointment from such eligible persons shall not be deemed
45 to have been made from an eligible list on which they were allowed such
46 additional credits.

47 (d) Where a Nassau county law enforcement explorer has been originally
48 appointed from an eligible list on which such explorer was allowed such
49 additional credit, but such appointment is thereafter terminated either
50 at the end of the probationary term or by resignation at or before the
51 end of the probationary term, such explorer shall not be deemed to have
52 been appointed, as the case may be, from an eligible list on which such
53 explorer is allowed additional credit, and such appointment shall not
54 affect such explorer's eligibility for additional credit in other exam-
55 inations.

1 4. An application for additional credit in a competitive examination
2 under this section may be withdrawn by the applicant at any time prior
3 to the establishment of the resulting eligible list. At any time during
4 the term of existence of an eligible list resulting from a competitive
5 examination in which a Nassau county law enforcement explorer has
6 received the additional credit granted by this section, such Nassau
7 county law enforcement explorer may elect, prior to permanent original
8 appointment, to relinquish the additional credit granted and accept the
9 lower position on such eligible list to which such explorer would other-
10 wise have been entitled; provided, however, that such election shall
11 thereafter be irrevocable. Such election shall be in writing and signed
12 by the Nassau county law enforcement explorer, and transmitted to the
13 department or the appropriate municipal civil service commission.

14 5. The department and each municipal commission shall establish and
15 maintain in its office a roster of all such Nassau county law enforce-
16 ment explorers appointed as a result of additional credits granted by
17 this section to positions under its jurisdiction. The appointment of a
18 Nassau county law enforcement explorer as a result of additional credits
19 shall be void if such Nassau county law enforcement explorer, prior to
20 such appointment, had been appointed as a result of additional credits
21 granted by this section.

22 § 3. This act shall take effect immediately.
