- 2 localities, or so much thereof as shall be sufficient to accomplish the
- 3 purposes designated by the appropriations, are hereby appropriated and
- 4 authorized to be paid as hereinafter provided, to the respective public
- 5 officers and for the several purposes specified.
- 6 b) Where applicable, appropriations made by this chapter for expend-

- 8 spending from federal grants for any grant period beginning, during, or

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 prior to, the state fiscal year beginning on April 1, 2026 except as
2 otherwise noted.

3 c) The several amounts named herein, or so much thereof as shall be
4 sufficient to accomplish the purpose designated, being the undisbursed
5 and/or unexpended balances of the prior year's appropriations, are here-
6 by reappropriated from the same funds and made available for the same
7 purposes as the prior year's appropriations, unless herein amended, for
8 the fiscal year beginning April 1, 2026. Certain reappropriations in
9 this chapter are shown using abbreviated text, with three leader dots
10 (an ellipsis) followed by three spaces (...) used to indicate where
11 existing law that is being continued is not shown. However, unless a
12 change is clearly indicated by the use of brackets [-] for deletions and
13 underscores for additions, the purposes, amounts, funding source and all
14 other aspects pertinent to each item of appropriation shall be as last
15 appropriated.

16 For the purpose of complying with the state finance law, the year,
17 chapter and section of the last act reappropriating a former original
18 appropriation or any part thereof is, unless otherwise indicated, chap-
19 ter 53, section 1, of the laws of 2025.

20 d) No moneys appropriated by this chapter shall be available for
21 payment until a certificate of approval has been issued by the director
22 of the budget, who shall file such certificate with the department of
23 audit and control, the chairperson of the senate finance committee and
24 the chairperson of the assembly ways and means committee.

25 e) Notwithstanding any provision contained herein or any other law to
26 the contrary, if, on a cash basis of accounting, a general fund imbal-
27 ance has or is expected to occur in fiscal year 2026-27, the budget
28 director is hereby authorized to withhold all or some of the amounts
29 appropriated herein, including amounts that are to be paid on specific
30 dates prescribed in law or regulation. Prior to withholding any amounts,
31 the director shall consider whether other means are available for accom-
32 plishing the purposes of this provision. Provided further, the director
33 shall consider the impact of any such amounts to be withheld. To the
34 extent the state is obligated to make payment to any individual or enti-
35 ty pursuant to any appropriation contained herein, such obligation shall
36 be reduced commensurate with such payments withheld by the director of
37 the budget.

38 The following types of appropriations shall be exempt from such with-
39 holds pursuant to this provision: (a) public assistance payments for
40 families and individuals and payments for eligible aged, blind and dis-
41 abled persons related to supplemental social security; (b) any reductions
42 that would violate federal law; (c) payments of debt service and related
43 expenses for which the state is constitutionally obligated to pay debt
44 service or is contractually obligated to pay debt service, subject to an
45 appropriation, including where the state has a contingent contractual
46 obligation; and (d) payments the state is obligated to make pursuant to
47 court orders or judgments.

48 For purposes of this provision, a general fund imbalance shall occur
49 if any state fiscal year 2026-27 quarterly financial plan update
50 required by subdivision 4 of section 23 of the state finance law
51 reflects, or if at any point during the final quarter of state fiscal
52 year 2026-27 the budget director projects, that estimated general fund
53 receipts and/or estimated general fund disbursements have or will vary
54 from the estimates included in the state fiscal year 2026-27 enacted
55 budget financial plan required by sections 22 and 23 of the state
56 finance law results in a cumulative budget imbalance of \$2,000,000,000

1 or more. Provided however, that such \$2,000,000,000 must be calculated
2 without considering any payments withheld in accordance with this
3 provision or any depletion of the state fiscal year 2026-27 transaction
4 risk reserve accounting mechanism.

5 "Estimated general fund receipts" shall mean general fund tax
6 receipts, after payment of debt service and miscellaneous receipts esti-
7 mated by the budget director to be received during state fiscal year
8 2026-27.

9 "Estimated general funds disbursements" shall mean general funds
10 disbursements, including transfers, estimated by the budget director to
11 be made during state fiscal year 2026-27.

12 No later than ten business days following the issuance of any state
13 fiscal year 2026-27 quarterly financial plan update that includes a
14 determination, and/or the date in the final quarter of the state fiscal
15 year 2026-27 upon which the budget director determines, that a general
16 fund imbalance exists, the budget director shall provide notification of
17 payments that will be withheld pursuant to this provision to the presi-
18 dent pro tempore of the senate and the speaker of the assembly.
19 Provided, however, the aggregate amount of payments withheld pursuant to
20 this provision shall at no point be in an amount greater than the deter-
21 mined cumulative general fund imbalance. Provided further however,
22 before any payments may be withheld pursuant to this provision, the
23 budget director shall first deplete the \$2,000,000,000 transaction risk
24 reserve accounting mechanism to resolve the determined general fund
25 imbalance, as practicable. Such notification will also identify any
26 other means the budget director intends to use to resolve any portion of
27 the general fund imbalance, including but not limited to the aforemen-
28 tioned depletion of the transaction risk reserve and/or any other
29 resources.

30 Following such budget director notification, the legislature shall
31 have ten business days to prepare and adopt by concurrent resolution its
32 own withhold plan which conforms with the requirements of this
33 provision, and which achieves the same aggregate of payment withholds as
34 the budget director's withhold plan. If after ten business days follow-
35 ing the budget director's notification the legislature fails to prepare
36 and adopt its own withhold plan, or if the budget director determines
37 that the withhold plan prepared and adopted by the legislature does not
38 conform with the requirements of this provision, the withholds identi-
39 fied in the budget director's withhold plan will immediately take
40 effect.

41 Notwithstanding any other provision contained herein or any other
42 provision of law to the contrary, any payments withheld pursuant to this
43 section may be paid in full or in part if a subsequent general fund
44 surplus materializes in state fiscal year 2026-27.

45 f) Notwithstanding any provision of law to the contrary, for purposes
46 of any appropriation made by this chapter which authorizes spending in
47 an amount net of refunds, rebates, reimbursements, credits, repayments,
48 and/or disallowances, "refunds" shall mean funds received to the state
49 resulting from the overpayment of monies, "rebates" shall mean funds
50 received to the state resulting from a return of a full or partial
51 amount previously paid, as for goods or services, serving as a
52 reduction, discount or rebate to the original payment amount,
53 "reimbursements" shall mean funds received to the state as repayment in
54 an equivalent amount for goods or services, including but not limited to
55 personal service costs, incurred by the state in the first instance
56 being provided to a third party for their benefit and partially or in

1 full financed by such third party, "credit" shall mean monies made
2 available to the state that reduce the amount owed to a third party,
3 including but not limited to billing errors, rebates, and prior overpay-
4 ments, "repayment" shall mean the return of monies as pay back for
5 expenses incurred, and "disallowance" shall mean monies made available
6 to the state that were not allowed or accepted officially by the
7 intended recipient, based on a determination the payment is not accepta-
8 ble and/or valid. When the office of the state comptroller receives any
9 such refunds, rebates, reimbursements, credits, repayments, and/or
10 disallowances, he or she shall credit the refunded, rebated, reimbursed,
11 credited, repaid, and disallowed amount back to the original appropri-
12 ation and reduce expenditures in the year which such credit is received
13 regardless of the timing of the initial expenditure.

14 g) Notwithstanding any provision of law to the contrary, subject to
15 the approval of the director of the budget, the federal funds appropri-
16 ated herein shall be available for the purposes of the stated program,
17 regardless of the federal agency administering such program, and may be
18 expended for all eligible costs consistent with applicable federal laws
19 and regulations, including pursuant to a memorandum of understanding or
20 interagency agreement with other state departments or agencies for the
21 administration or operation of such program.

22 h) Notwithstanding any provision of law to the contrary, upon enact-
23 ment of this chapter of the laws of 2026 containing the aid to locali-
24 ties budget bill for the state fiscal year 2026-27, all appropriations
25 and reappropriations contained in chapter 53 of the laws of 2025, which
26 would otherwise lapse by operation of law on March 31, 2027 are hereby
27 repealed.

28 i) The appropriations contained in this chapter shall be available for
29 the fiscal year beginning on April 1, 2026 except as otherwise noted.

1 districts located outside of a city having
2 a population of one million or more for
3 eligible costs incurred to supply luggage
4 to children in foster care pursuant to
5 section 398-f of the social services law.

6 Notwithstanding any other provision of law,
7 a portion of the funds are available to
8 reimburse social services districts for
9 the change in the maximum state aid rates
10 established by the office of children and
11 family services for the 2026-27 rate year
12 pursuant to section 398-a of the social
13 services law and sections 4003 and 4405 of
14 the education law to reflect the continua-
15 tion of the cost of living adjustments
16 that became effective April 1, 2008 for
17 payments made to foster parents and for
18 salary and fringe benefit costs and other
19 critical nonpersonal services costs for
20 foster care programs as determined by the
21 office. Social services districts must
22 adjust the amount of payments made for
23 care provided by congregate care and
24 foster boarding home programs and to
25 foster parents to reflect the cost of
26 living adjustments in the manner specified
27 by the office. Each authorized agency
28 operating a congregate care or foster
29 boarding home program in New York state
30 for which the office sets a maximum state
31 aid rate pursuant to section 398-a of the
32 social services law or section 4003 or
33 4405 of the education law shall submit, at
34 the time and in a manner to be determined
35 by the office, a written certification,
36 attesting that the funds received for the
37 continuation of the cost of living adjust-
38 ment to the maximum state aid rate that
39 became effective April 1, 2008 for that
40 program will be or were used solely in
41 accordance with the requirements of the
42 cost of living adjustment established by
43 the office.

44 Notwithstanding any inconsistent provision
45 of law including, but not limited to, any
46 chapter of the laws of 2026 which enacts a
47 targeted inflationary increase for the
48 state fiscal year beginning on April 1,
49 2026, the commissioner shall continue to
50 apply any targeted inflationary increase
51 in effect on March 31, 2026 for the entire

1 rate year that began when such targeted
2 inflationary increase was in effect.
3 Notwithstanding any inconsistent provision
4 of law, the commissioner shall apply a 2.7
5 percent targeted inflationary increase for
6 the rate year that begins on July 1, 2026
7 for the purposes of establishing rates of
8 payments, contracts, or any other form of
9 reimbursement, provided that this shall
10 not prevent the commissioner from applying
11 additional trend or staff retention
12 factors for this program.

13 Within the amounts appropriated herein,
14 state reimbursement to each social
15 services district for services identified
16 herein that are otherwise reimbursable by
17 the state from April 1, 2026 through March
18 31, 2027 shall be limited to a district
19 allocation, hereinafter referred to as the
20 district's block grant allocation.
21 Notwithstanding any other provision of
22 law, such block grant allocation shall be
23 based, in part, on each district's claims
24 for such costs, adjusted by the applicable
25 cost allocation methodology and net of any
26 retroactive payments for the 12 month
27 period ending June 30, 2025 that are
28 submitted on or before January 2, 2026
29 and, in part, on such other factors as
30 determined by the office of children and
31 family services and approved by the direc-
32 tor of the budget. Any portion of a social
33 services district's allocation from funds
34 appropriated herein not claimed by such
35 district during the state fiscal year may
36 be used by such district for expenditures
37 on preventive services provided pursuant
38 to section 409-a of the social services
39 law, independent living services and
40 aftercare services provided pursuant to
41 regulations of the department of family
42 assistance, claimed by such district
43 during the next state fiscal year up to
44 the amount remaining from the district's
45 foster care block grant allocation,
46 provided however, that any claims for such
47 services during the next state fiscal year
48 in excess of such amount shall be subject
49 to 62 percent state reimbursement exclu-
50 sive of any federal funds made available
51 for such purposes, in accordance with

1 directives of the department of family
2 assistance and subject to the approval of
3 the director of the budget. Any claims
4 submitted by a social services district
5 for reimbursement for a particular state
6 fiscal year for which the social services
7 district does not receive state or federal
8 reimbursement during that state fiscal
9 year may not be claimed against that
10 district's block grant apportionment for
11 the next state fiscal year.

12 The office of children and family services,
13 with the approval of the director of the
14 budget, may reduce a district's block
15 grant allocation by the state share
16 decrease related to federal retroactive
17 reimbursement for such foster care
18 services identified herein. The office,
19 with the approval of the director of the
20 budget, may reduce a district's block
21 grant allocation by the state share of
22 disallowances or sanctions taken against
23 the district pursuant to the social
24 services law or federal law.

25 Notwithstanding any other provision of law,
26 the state shall not be responsible for
27 reimbursing a social services district and
28 a district shall not seek state reimburse-
29 ment for any portion of any state disal-
30 lowance or sanction taken against the
31 social services district, or any federal
32 disallowance attributable to final federal
33 agency decisions or to settlement made, on
34 or after July 1, 1995, when such disallow-
35 ance or sanction results from the failure
36 of the social services district to comply
37 with federal or state requirements,
38 including, but not limited to, failure to
39 document eligibility for federal or state
40 funds in the case record; provided, howev-
41 er, if the office determines that any
42 federal disallowance for services provided
43 between January 1, 1999 and May 31, 1999
44 results solely from the late enactment of
45 the state legislation implementing the
46 federal adoption and safe families act,
47 the state shall be solely responsible for
48 the full amount of the disallowance or
49 sanction; provided, further, however, this

2 are for services provided or claims made

4 Notwithstanding any other provision of law,
5 any federal disallowance resulting from a
6 federal title IV-E eligibility review or
7 audit that uses extrapolated statistic
8 techniques shall be passed along by the
9 state to any and all social services
10 districts that the office of children and
11 family services has determined have not
12 complied with the title IV-E eligibility
13 requirements or have not taken the neces-
14 sary actions to ensure compliance with
15 such requirements including, but not
16 limited to, failing to: assess and fully
17 document all the criteria and have readily
18 available all the necessary documents to
19 establish and continue title IV-E eligi-
20 bility for all title IV-E eligible chil-
21 dren within the required time frames;
22 claim title IV-E funding only for cases
23 that meet all of the title IV-E eligibil-
24 ity criteria; and fully implement the
25 social services payment system on or
26 before April 1, 2005 for all direct and
27 voluntary agency foster care services.

28 Notwithstanding any law to the contrary, the
29 office of children and family services
30 shall impose on social services districts
31 any federal disallowance issued against
32 the state as a result of a federal title
33 IV-E secondary eligibility review regard-
34 less of the date the children may have
35 entered foster care, the date the eligi-
36 bility or payment errors occurred, or the
37 filing date of any federal claims for
38 reimbursement; provided, however, that the
39 state shall be responsible for the disal-
40 lowed costs and expenditures related to
41 the placement of children in a facility
42 operated by the office of children and
43 family services, which shall be determined
44 in the same manner as the disallowed costs
45 and expenditures for social services
46 districts other than the city of New York.
47 In order to reimburse the federal govern-
48 ment for the full amount of any disallow-
49 ance imposed on the state by the federal
50 administration for children and families
51 within the timeframes necessary to avoid

1 any potential interest payments on such
2 amount, the office of children and family
3 services is authorized to immediately
4 offset funds otherwise due to each
5 district for a pro rata share of the total
6 disallowed costs based on the percentage
7 of applicable federal title IV-E claims
8 made by that district for the relevant
9 time period as compared to the total
10 applicable statewide title IV-E claims.
11 The amount of the offset against each
12 district will be adjusted, if necessary,
13 upon completion of the disallowance allo-
14 cation process. The final allocation of
15 the amount of any federal disallowance
16 resulting from a title IV-E secondary
17 eligibility review shall be allocated
18 among the districts so that each district
19 shall be responsible for the amount
20 attributable to each of the district's
21 children or cases that are determined by
22 the federal review to be unallowable. Each
23 district shall also be responsible for a
24 portion of the federal extrapolated disal-
25 lowance amount based on the relative error
26 rate for the district. The city of New
27 York's error rate will be based on the
28 federal sample and federal statistics. For
29 all social services districts other than
30 the city of New York, the error rate will
31 be based on a review conducted by the
32 district of a sample of children and/or
33 cases determined by the office of children
34 and family services and a re-review of a
35 sub-sample by the office of those children
36 and/or cases determined by the office. The
37 office of children and family services
38 will determine what is reasonable in
39 establishing the size of the sample and
40 sub-sample for each district. The office
41 of children and family services shall
42 notify each social services district of
43 the sample of children and/or cases from
44 the federal audit period that the social
45 services district must review. Any child
46 or case from the social services district
47 that was included in the federal sample
48 will automatically be included in the
49 social services district's review sample
50 and the determination made at the federal
51 review regarding that child or case will

1 govern for the purposes of the social
2 services district's review. The social
3 services district must complete and submit
4 the results of its review to the office of
5 children and family services within 60
6 days of receipt of the sample. The error
7 rate for the district will be based on the
8 findings of the district's review and the
9 office of children and family services'
10 re-review. If a social services district
11 does not complete its review within 60
12 days of receiving the sample from the
13 office of children and family services,
14 the office of children and family services
15 shall assign an error rate to the social
16 services district based on the relative
17 percentage of the district's applicable
18 title IV-E claims for the relevant period
19 as compared to applicable statewide title
20 IV-E claims for that period and other
21 circumstances that the office of children
22 and family services may consider in order
23 to allocate 100 percent of the federal
24 disallowance. The office of children and
25 family services shall apply each social
26 services district's error rate to the
27 total amount of the district's applicable
28 title IV-E claims including associated
29 administrative expenses. The resulting
30 dollar amounts for all of the social
31 services districts will be summed to
32 derive the total amount of title IV-E
33 claims deemed to be in error statewide. To
34 establish a disallowance percentage for
35 each social services district, the amount
36 of the district's title IV-E claims deemed
37 to be in error will be divided by the
38 amount of statewide title IV-E claims
39 deemed to be in error. The resulting
40 disallowance percentage for each district
41 will be applied to the entire title IV-E
42 extrapolated disallowance calculated by
43 the federal review to determine the amount
44 of the extrapolated disallowance for which
45 the district is responsible. Each district
46 will be credited for the amount already
47 disallowed for any individual children or
48 cases found to be in error during the
49 federal review. The exclusive appeal
50 rights for the review of the amount of the
51 federal disallowance assigned to each

5 The office of children and family services, with the approval of the
6 director of the budget, may reduce a district's block grant allo-
7 cation by the state share decrease related to federal retroactive
8 reimbursement for such foster care services identified herein. The
9 office, with the approval of the director of the budget, may reduce
10 a district's block grant allocation by the state share of disallow-
11 ances or sanctions taken against the district pursuant to the social
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be
14 responsible for reimbursing a social services district and a
15 district shall not seek state reimbursement for any portion of any
16 state disallowance or sanction taken against the social services
17 district, or any federal disallowance attributable to final federal
18 agency decisions or to settlement made, on or after July 1, 1995,
19 when such disallowance or sanction results from the failure of the
20 social services district to comply with federal or state require-
21 ments, including, but not limited to, failure to document eligibil-
22 ity for federal or state funds in the case record; provided, howev-
23 er, if the office determines that any federal disallowance for
24 services provided between January 1, 1999 and May 31, 1999 results
25 solely from the late enactment of the state legislation implementing
26 the federal adoption and safe families act, the state shall be sole-
27 ly responsible for the full amount of the disallowance or sanction;
28 provided, further, however, this provision shall be deemed to apply
29 both prospectively and retroactively regardless of whether such
30 sanctions or disallowances are for services provided or claims made
31 prior to or after April 1, 2025.

32 Notwithstanding any other provision of law, any federal disallowance
33 resulting from a federal title IV-E eligibility review or audit that
34 uses extrapolated statistic techniques shall be passed along by the
35 state to any and all social services districts that the office of
36 children and family services has determined have not complied with
37 the title IV-E eligibility requirements or have not taken the neces-
38 sary actions to ensure compliance with such requirements including,
39 but not limited to, failing to: assess and fully document all the
40 criteria and have readily available all the necessary documents to
41 establish and continue title IV-E eligibility for all title IV-E
42 eligible children within the required time frames; claim title IV-E
43 funding only for cases that meet all of the title IV-E eligibility
44 criteria; and fully implement the social services payment system on
45 or before April 1, 2005 for all direct and voluntary agency foster
46 care services.

47 Notwithstanding any law to the contrary, the office of children and
48 family services shall impose on social services districts any feder-
49 al disallowance issued against the state as a result of a federal
50 title IV-E secondary eligibility review regardless of the date the
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims
2 for reimbursement; provided, however, that the state shall be
3 responsible for the disallowed costs and expenditures related to the
4 placement of children in a facility operated by the office of chil-
5 dren and family services, which shall be determined in the same
6 manner as the disallowed costs and expenditures for social services
7 districts other than the city of New York. In order to reimburse the
8 federal government for the full amount of any disallowance imposed
9 on the state by the federal administration for children and families
10 within the timeframes necessary to avoid any potential interest
11 payments on such amount, the office of children and family services
12 is authorized to immediately offset funds otherwise due to each
13 district for a pro rata share of the total disallowed costs based on
14 the percentage of applicable federal title IV-E claims made by that
15 district for the relevant time period as compared to the total
16 applicable statewide title IV-E claims. The amount of the offset
17 against each district will be adjusted, if necessary, upon
18 completion of the disallowance allocation process. The final allo-
19 cation of the amount of any federal disallowance resulting from a
20 title IV-E secondary eligibility review shall be allocated among the
21 districts so that each district shall be responsible for the amount
22 attributable to each of the district's children or cases that are
23 determined by the federal review to be unallowable. Each district
24 shall also be responsible for a portion of the federal extrapolated
25 disallowance amount based on the relative error rate for the
26 district. The city of New York's error rate will be based on the
27 federal sample and federal statistics. For all social services
28 districts other than the city of New York, the error rate will be
29 based on a review conducted by the district of a sample of children
30 and/or cases determined by the office of children and family
31 services and a re-review of a sub-sample by the office of those
32 children and/or cases determined by the office. The office of chil-
33 dren and family services will determine what is reasonable in estab-
34 lishing the size of the sample and sub-sample for each district. The
35 office of children and family services shall notify each social
36 services district of the sample of children and/or cases from the
37 federal audit period that the social services district must review.
38 Any child or case from the social services district that was
39 included in the federal sample will automatically be included in the
40 social services district's review sample and the determination made
41 at the federal review regarding that child or case will govern for
42 the purposes of the social services district's review. The social
43 services district must complete and submit the results of its review
44 to the office of children and family services within 60 days of
45 receipt of the sample. The error rate for the district will be based
46 on the findings of the district's review and the office of children
47 and family services' re-review. If a social services district does
48 not complete its review within 60 days of receiving the sample from
49 the office of children and family services, the office of children
50 and family services shall assign an error rate to the social
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to
2 applicable statewide title IV-E claims for that period and other
3 circumstances that the office of children and family services may
4 consider in order to allocate 100 percent of the federal disallow-
5 ance. The office of children and family services shall apply each
6 social services district's error rate to the total amount of the
7 district's applicable title IV-E claims including associated admin-
8 istrative expenses. The resulting dollar amounts for all of the
9 social services districts will be summed to derive the total amount
10 of title IV-E claims deemed to be in error statewide. To establish a
11 disallowance percentage for each social services district, the
12 amount of the district's title IV-E claims deemed to be in error
13 will be divided by the amount of statewide title IV-E claims deemed
14 to be in error. The resulting disallowance percentage for each
15 district will be applied to the entire title IV-E extrapolated
16 disallowance calculated by the federal review to determine the
17 amount of the extrapolated disallowance for which the district is
18 responsible. Each district will be credited for the amount already
19 disallowed for any individual children or cases found to be in error
20 during the federal review. The exclusive appeal rights for the
21 review of the amount of the federal disallowance assigned to each
22 social services district shall be pursuant to article 78 of the
23 civil practice law and rules; provided, however, that in any such
24 action all of the social services districts shall be joined as
25 necessary parties and the venue of any such action shall be in Rens-
26 selaer county. Any social services district that fails to complete
27 its sample review in the required time frames shall have no right to
28 appeal and shall not be a necessary party to any action brought by
29 another social services district.
