2 treatment services for juveniles programs during the period of April
3 1, 2014 through March 31, 2015 that have been approved by the office
4 of children and family services pursuant to a plan approved by the
5 director of the budget; provided, however, if a municipality is
6 unable to use or claim all of its allocation for such program period
7 within the required time frames, the municipality may apply to the
8 office of children and family services for a waiver to permit the
9 municipality to continue to have the funds available to it for an
10 additional one-year program period upon a showing and certification
11 by the municipality that such funds will be used only to reimburse
12 the municipality for eligible expenditures for eligible services
13 provided during the period of April 1, 2014 through March 31, 2015
14 for which the municipality was unable to claim within the required
15 timeframes and for non-recurring eligible services or expenses that
16 will occur during the period April 1, 2015 through March 31, 2016.
17 Any funds that are remaining after all such waivers have been
18 approved may be used to provide additional reimbursement to those
19 counties that chose to transfer funds from their detention block
20 grants into their supervision and treatment services for juveniles
21 programs for the April 1, 2014 through March 31, 2015 program period
22 proportionately to the amount each such district transferred.

23 Notwithstanding paragraph (a) of subdivision 1 of section 529-b of the
24 executive law or any other law to contrary, a municipality that was
25 eligible for a minimum funding allocation under the supervision and
26 treatment services for juveniles program for state fiscal year
27 2013-14 but did not submit an application for such funds may apply
28 to the office of children and family services for a waiver of the
29 local share requirement for the program funds for state fiscal year
30 2014-15 upon a showing that the municipality has fiscal issues that
31 significantly impact its ability to provide the required local share
32 and that providing the program funds to the municipality without a
33 local share will enable the municipality to implement services
34 designed to decrease the use of detention or residential care for
35 such youth.

36 Within the amounts appropriated herein, state reimbursement shall be
37 limited to the amount of such municipality's distribution. The
38 office of children and family services shall not reimburse any
39 claims unless they are submitted within 12 months of the calendar

municipality, operating a youth development program approved by the office of children and family services shall be eligible for one hundred percent state reimbursement of its qualified expenditures, subject to the amount available under this appropriation and exclusive of any federal funds made available therefor, not to exceed the municipality's distribution of state aid for youth development programs. The amount appropriated herein for youth development programs shall be distributed by the office of children and family services to eligible municipalities that have a comprehensive plan that has been developed in consultation with the applicable municipal youth bureau and approved by the office of children and family services. The distribution of the amount appropriated herein to eligible municipalities by the office of children and family services shall be based on factors as determined by the office and subject to the approval of the director of budget; such factors shall include the number of youth under the age of twenty-one residing in the municipality as shown by the last published federal census certified in the same manner as provided by section fiftyfour of the state finance law and may include, but not be limited to, the percentage of youth living in poverty within the municipality or such other factors as provided for in the regulations of the office of children and family services. Up to fifteen percent of the youth development funds that a municipality would allocate to an approved local youth bureau pursuant to an approved comprehensive plan may be used for administrative functions performed by such local youth bureau. Notwithstanding any provision of law to the contrary, an approved local youth bureau that is not providing, operating, administering or monitoring youth development programs shall not receive funding under this appropriation. 26 exceed \$36,099,200,000 except as provided
27 below provided, however, such aggregate
28 limits may be adjusted by the director of
29 the budget to account for any changes in

ry of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable,

1 except where the commissioner determines
2 that there are sufficient grounds for
3 non-uniformity, including but not limited
4 to: the extent to which specific categories of services contributed to department
5 of health medicaid state funds spending in
6 excess of the limits specified herein; the
7 need to maintain safety net services in
8 underserved communities; or the potential
9 benefits of pursuing innovative payment
10 models contemplated by the Affordable Care
11 Act, in which case such grounds shall be
12 set forth in the medicaid savings allocation adjustment; and (5) reductions
13 shall be made in a manner that does not
14 unnecessarily create administrative
15 burdens to medicaid applicants and recipients or providers.

16 The commissioner shall seek the input of the
17 legislature, as well as organizations
18 representing health care providers,
19 consumers, businesses, workers, health
20 insurers, and others with relevant expertise, in developing such medicaid savings
21 allocation adjustment, to the extent that
22 all or part of such adjustment, in the
23 discretion of the commissioner, is likely
24 to have a material impact on the overall
25 medicaid program, particular categories of
26 service or particular geographic regions
27 of the state.

28 (a) The commissioner shall post the medicaid
29 savings allocation adjustment on the
30 department of health's website and shall
31 provide written copies of such adjustment
32 to the chairs of the senate finance and
33 the assembly ways and means committees at
34 least 30 days before the date on which
35 implementation is expected to begin.

36 (b) The commissioner may revise the medicaid
37 savings allocation adjustment subsequent
38 to the provisions of notice and prior to
39 implementation but needs to provide a new
40 notice pursuant to subparagraph (i) of
41 this paragraph only if the commissioner
42 determines, in his or her discretion, that
43 such revisions materially alter the
44 adjustment.

45 Notwithstanding the provisions of paragraphs
46 (a) and (b) of this subdivision, the
47 commissioner need not seek the input
48 described in paragraph (a) of this subdi-

2 graph (b) of this subdivision if, in the
3 discretion of the commissioner, expedited
4 development and implementation of a medi-
5 caid savings allocation adjustment is
6 necessary due to a public health emergen-
7 cy.

8 For purposes of this section, a public
9 health emergency is defined as: (i) a
10 disaster, natural or otherwise, that
11 significantly increases the immediate need
12 for health care personnel in an area of
13 the state; (ii) an event or condition that
14 creates a widespread risk of exposure to a
15 serious communicable disease, or the
16 potential for such widespread risk of
17 exposure; or (iii) any other event or
18 condition determined by the commissioner
19 to constitute an imminent threat to public
20 health.

21 Nothing in this paragraph shall be deemed to
22 prevent all or part of such medicaid
23 savings allocation adjustment from taking
24 effect retroactively to the extent permit-
25 ted by the federal centers for medicare
26 and medicaid services.

27 In accordance with the medicaid savings
28 allocation adjustment, the commissioner of
29 the department of health shall reduce
30 department of health state funds medicaid
31 spending by the amount of the projected
32 overspending through, actions including,
33 but not limited to modifying or suspending

37 provision of law that sets a specific
38 amount or methodology for any such
39 payments or rates of payment; modifying
40 medicaid program benefits; seeking all
41 necessary federal approvals, including,
42 but not limited to waivers, waiver amend-
43 ments; and suspending time frames for
44 notice, approval or certification of rate
45 requirements, notwithstanding any
46 provision of law, rule or regulation to
47 the contrary, including but not limited to
48 sections 2807 and 3614 of the public
49 health law, section 18 of chapter 2 of the
50 laws of 1988, and 18 NYCRR 505.14(h).

51 The department of health shall prepare a
52 quarterly report that sets forth: (a)

16 (b) the actions taken to implement any
17 medicaid savings allocation adjustment
18 implemented pursuant to subdivision (4) of
19 this section, including information
20 concerning the impact of such actions on

1 The director of the budget, in consultation
2 with the commissioner of health, shall
3 assess on a quarterly basis known and
4 projected medicaid expenditures by category of service and by geographic region, as
5 defined by the commissioner, incurred both
6 prior to and subsequent to such assessment
7 for each such period, and if the director
8 of the budget determines that such expenditures are expected to cause medicaid
9 spending for such period to exceed the
10 aggregate limit specified herein for such
11 period, the state medicaid director, in
12 consultation with the director of the
13 budget and the commissioner of health,
14 shall develop a medicaid savings allocation adjustment to limit such spending
15 to the aggregate limit specified herein
16 for such period.

20 Such medicaid savings allocation adjustment
21 shall be designed, to reduce the expenditures authorized by the appropriations
22 herein in compliance with the following
23 guidelines: (1) reductions shall be made
24 in compliance with applicable federal law,
25 including the provisions of the Patient
26 Protection and Affordable Care Act, Public

28 Education Reconciliation Act of 2010,
29 Public Law No. 111-152 (collectively

32 made in a manner that complies with the
33 state medicaid plan approved by the federal
34 centers for medicare and medicaid
35 services, provided, however, that the
36 commissioner of health is authorized to
37 submit any state plan amendment or seek
38 other federal approval, including waiver
39 authority, to implement the provisions of
40 the medicaid savings allocation adjustment
41 that meets the other criteria set forth
42 herein; (3) reductions shall be made in a
43 manner that maximizes federal financial
44 participation, to the extent practicable,
45 including any federal financial participation that is available or is reasonably
46 expected to become available, in the
47 discretion of the commissioner, under the

8 to: the extent to which specific categories of services contributed to department

6 account for increased or expedited depart-

8 expenditures as a result of a natural or
9 other type of disaster, including a
10 governmental declaration of emergency.

11 The director of the budget, in consultation
12 with the commissioner of health, shall
13 assess on a quarterly basis known and
14 projected medicaid expenditures by catego-
15 ry of service and by geographic region, as
16 determined by the commissioner of health,
17 incurred both prior to and subsequent to
18 such assessment for each such period, and
19 if the director of the budget determines
20 that such expenditures are expected to
21 cause medicaid spending for such period to
22 exceed the aggregate limit specified here-
23 in for such period, the state medicaid
24 director, in consultation with the direc-

30 Such medicaid savings allocation adjustment

35 in compliance with applicable federal law,

2 herein; (3) reductions shall be made in a
3 manner that maximizes federal financial
4 participation, to the extent practicable,
5 including any federal financial partic-
6 ipation that is available or is reasonably
7 expected to become available, in the
8 discretion of the commissioner, under the
9 Affordable Care Act; (4) reductions shall
10 be made uniformly among categories of
11 services and geographic regions of the
12 state, to the extent practicable, and
13 shall be made uniformly within a category
14 of service, to the extent practicable,
15 except where the commissioner determines
16 that there are sufficient grounds for
17 non-uniformity, including but not limited
18 to: the extent to which specific catego-
19 ries of services contributed to department
20 of health medicaid state funds spending in
21 excess of the limits specified herein; the
22 need to maintain safety net services in
23 underserved communities; or the potential
24 benefits of pursuing innovative payment
25 models contemplated by the Affordable Care
26 Act, in which case such grounds shall be
27 set forth in the medicaid savings allo-
28 cation adjustment; and (5) reductions
29 shall be made in a manner that does not
30 unnecessarily create administrative
31 burdens to medicaid applicants and recipi-
32 ents or providers.

33 The commissioner shall seek the input of the
34 legislature, as well as organizations

41 discretion of the commissioner, is likely
42 to have a material impact on the overall
43 medicaid program, particular categories of

45 of the state.

46 (a) The commissioner shall post the medicaid
47 savings allocation adjustment on the
48 department of health's website and shall

3 (b) The commissioner may revise the medicaid

8 this paragraph only if the commissioner
9 determines, in his or her discretion, that
10 such revisions materially alter the plan.

11 Notwithstanding the provisions of paragraphs
12 (a) and (b) of this subdivision, the
13 commissioner need not seek the input
14 described in paragraph (a) of this subdi-
15 vision or provide notice pursuant to para-
16 graph (b) of this subdivision if, in the
17 discretion of the commissioner, expedited
18 development and implementation of a medi-
19 caid savings allocation adjustment is
20 necessary due to a public health emergen-

22 For purposes of this section, a public
23 health emergency is defined as: (i) a
24 disaster, natural or otherwise, that
25 significantly increases the immediate need

27 the state; (ii) an event or condition that
28 creates a widespread risk of exposure to a
29 serious communicable disease, or the
30 potential for such widespread risk of
31 exposure; or (iii) any other event or
32 condition determined by the commissioner
33 to constitute an imminent threat to public
34 health.

35 Nothing in this paragraph shall be deemed to
36 prevent all or part of such medicaid
37 savings allocation adjustment from taking
38 effect retroactively to the extent permit-
39 ted by the federal centers for medicare

13 The department of health shall prepare a
14 quarterly report that sets forth: (a)
15 known and projected department of health
16 medicaid expenditures as described in
17 subdivision (1) of this section, and
18 factors that could result in medicaid
19 disbursements for the relevant state
20 fiscal year to exceed the projected
21 department of health state funds disburse-
22 ments in the enacted budget financial plan
23 pursuant to subdivision 3 of section 23 of

13 Notwithstanding section 40 of the state
 14 finance law or any provision of law to the
 15 contrary, subject to federal approval,
 16 department of health state funds medicaid
 17 spending, excluding payments for medical
 18 services provided at state facilities
 19 operated by the office of mental health,
 20 the office for people with developmental
 21 disabilities and the office of addiction
 22 services and supports and further exclud-
 23 ing any payments which are not appropri-
 24 ated within the department of health, in
 25 the aggregate, for the period April 1,
 26 2026 through March 31, 2027, shall not
 27 exceed \$36,099,200,000 except as provided
 28 below provided, however, such aggregate
 29 limits may be adjusted by the director of
 30 the budget to account for any changes in
 31 the New York state federal medical assist-
 32 ance percentage amount established pursu-
 33 ant to the federal social security act,
 34 increases in provider revenues, reductions
 35 in local social services district payments
 36 for medical assistance administration,
 37 minimum wage increases and beginning April
 38 1, 2012 the operational costs of the New
 39 York state medical indemnity fund, pursu-
 40 ant to chapter 59 of the laws of 2011, and
 41 state costs or savings from the essential
 42 plan. Such projections may be adjusted by
 43 the director of the budget to account for
 44 increased or expedited department of
 45 health state funds medicaid expenditures
 46 as a result of a natural or other type of
 47 disaster, including a governmental decla-
 48 ration of emergency.
 49 The director of the budget, in consultation
 50 with the commissioner of health, shall

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 assess on a quarterly basis known and
2 projected medicaid expenditures by category of service and by geographic region, as
3 determined by the commissioner of health,
4 incurred both prior to and subsequent to
5 such assessment for each such period, and
6 if the director of the budget determines
7 that such expenditures are expected to
8 cause medicaid spending for such period to
9 exceed the aggregate limit specified here-
10 in for such period, the state medicaid
11 director, in consultation with the direc-
12 tor of the budget and the commissioner of
13 health, shall develop a medicaid savings
14 allocation adjustment to limit such spend-
15 ing to the aggregate limit specified here-
16 in for such period.

18 Such medicaid savings allocation adjustment
19 shall be designed, to reduce the expendi-
20 tures authorized by the appropriations
21 herein in compliance with the following
22 guidelines: (1) reductions shall be made
23 in compliance with applicable federal law,
24 including the provisions of the Patient
25 Protection and Affordable Care Act, Public
26 Law No. 111-148, and the Health Care and
27 Education Reconciliation Act of 2010,
28 Public Law No. 111-152 (collectively
29 "Affordable Care Act") and any subsequent
30 amendments thereto or regulations promul-
31 gated thereunder; (2) reductions shall be
32 made in a manner that complies with the
33 state medicaid plan approved by the feder-
34 al centers for medicare and medicaid
35 services, provided, however, that the
36 commissioner of health is authorized to
37 submit any state plan amendment or seek
38 other federal approval, including waiver
39 authority, to implement the provisions of
40 the medicaid savings allocation adjustment
41 that meets the other criteria set forth
42 herein; (3) reductions shall be made in a
43 manner that maximizes federal financial
44 participation, to the extent practicable,
45 including any federal financial partic-
46 ipation that is available or is reasonably
47 expected to become available, in the
48 discretion of the commissioner, under the
49 Affordable Care Act; (4) reductions shall
50 be made uniformly among categories of
51 services and geographic regions of the
52 state, to the extent practicable, and

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 shall be made uniformly within a category
2 of service, to the extent practicable,
3 except where the commissioner determines
4 that there are sufficient grounds for
5 non-uniformity, including but not limited
6 to: the extent to which specific categories
7 of services contributed to department
8 of health medicaid state funds spending in
9 excess of the limits specified herein; the
10 need to maintain safety net services in
11 underserved communities; or the potential
12 benefits of pursuing innovative payment
13 models contemplated by the Affordable Care
14 Act, in which case such grounds shall be
15 set forth in the medicaid savings allocation
16 adjustment; and (5) reductions
17 shall be made in a manner that does not
18 unnecessarily create administrative
19 burdens to medicaid applicants and recipients
20 or providers.

21 The commissioner shall seek the input of the
22 legislature, as well as organizations
23 representing health care providers,
24 consumers, businesses, workers, health
25 insurers, and others with relevant expertise,
26 in developing such medicaid savings
27 allocation adjustment, to the extent that
28 all or part of such adjustment, in the
29 discretion of the commissioner, is likely
30 to have a material impact on the overall
31 medicaid program, particular categories of
32 service or particular geographic regions
33 of the state.

34 (a) The commissioner shall post the medicaid
35 savings allocation adjustment on the
36 department of health's website and shall
37 provide written copies of such plan to the
38 chairs of the senate finance and the
39 assembly ways and means committees at
40 least 30 days before the date on which
41 implementation is expected to begin.

42 (b) The commissioner may revise the medicaid
43 savings allocation adjustment subsequent
44 to the provisions of notice and prior to
45 implementation but needs to provide a new
46 notice pursuant to subparagraph (i) of
47 this paragraph only if the commissioner
48 determines, in his or her discretion, that
49 such revisions materially alter the plan.

50 Notwithstanding the provisions of paragraphs
51 (a) and (b) of this subdivision, the
52 commissioner need not seek the input

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 described in paragraph (a) of this subdi-
2 vision or provide notice pursuant to para-
3 graph (b) of this subdivision if, in the
4 discretion of the commissioner, expedited
5 development and implementation of a medi-
6 caid savings allocation adjustment is
7 necessary due to a public health emergen-
8 cy.

9 For purposes of this section, a public
10 health emergency is defined as: (i) a
11 disaster, natural or otherwise, that
12 significantly increases the immediate need
13 for health care personnel in an area of
14 the state; (ii) an event or condition that
15 creates a widespread risk of exposure to a
16 serious communicable disease, or the
17 potential for such widespread risk of
18 exposure; or (iii) any other event or
19 condition determined by the commissioner
20 to constitute an imminent threat to public
21 health.

22 Nothing in this paragraph shall be deemed to
23 prevent all or part of such medicaid
24 savings allocation adjustment from taking
25 effect retroactively to the extent permit-
26 ted by the federal centers for medicare
27 and medicaid services.

28 In accordance with the medicaid savings
29 allocation adjustment, the commissioner of
30 the department of health shall reduce
31 department of health state funds medicaid
32 spending by the amount of the projected
33 overspending through, actions including,
34 but not limited to modifying or suspending
35 reimbursement methods, including but not
36 limited to all fees, premium levels and
37 rates of payment, notwithstanding any
38 provision of law that sets a specific
39 amount or methodology for any such
40 payments or rates of payment; modifying
41 medicaid program benefits; seeking all
42 necessary federal approvals, including,
43 but not limited to waivers, waiver amend-
44 ments; and suspending time frames for
45 notice, approval or certification of rate
46 requirements, notwithstanding any
47 provision of law, rule or regulation to
48 the contrary, including but not limited to
49 sections 2807 and 3614 of the public
50 health law, section 18 of chapter 2 of the
51 laws of 1988, and 18 NYCRR 505.14(h).

33 subdivision, the commissioner need not seek the input described in
34 paragraph (a) of this subdivision or provide notice pursuant to
35 paragraph (b) of this subdivision if, in the discretion of the

44 such widespread risk of exposure; or (iii) any other event or condi-

5 hereby amended and reappropriated to read:

6 For the medical assistance program, including administrative expenses,
7 for local social services districts, and for medical care rates for

14 and the office of addiction services and supports and further
15 excluding any payments which are not appropriated within the depart-
16 ment of health, in the aggregate, for the period April 1, 2025
17 through [~~March 31, 2026~~ September 15, 2026, shall not exceed
18 \$33,417,285,000 except as provided below provided, however, such
19 aggregate limits may be adjusted by the director of the budget to
20 account for any changes in the New York state federal medical
21 assistance percentage amount established pursuant to the federal
22 social security act, increases in provider revenues, reductions in
23 local social services district payments for medical assistance
24 administration, minimum wage increases, and beginning April 1, 2012
25 the operational costs of the New York state medical indemnity fund,
26 pursuant to chapter 59 of the laws of 2011, and state costs or
27 savings from the essential plan program. Such projections may be
28 adjusted by the director of the budget to account for increased or
29 expedited department of health state funds medicaid expenditures as
30 a result of a natural or other type of disaster, including a govern-
31 mental declaration of emergency.

32 The director of the budget, in consultation with the commissioner of
33 health, shall assess on a quarterly basis known and projected medi-
34 caid expenditures by category of service and by geographic region,
35 as defined by the commissioner, incurred both prior to and subse-
36 quent to such assessment for each such period, and if the director
37 of the budget determines that such expenditures are expected to
38 cause medicaid spending for such period to exceed the aggregate
39 limit specified herein for such period, the state medicaid director,
40 in consultation with the director of the budget and the commissioner
41 of health, shall develop a medicaid savings allocation adjustment to
42 limit such spending to the aggregate limit specified herein for such
43 period.

44 Such medicaid savings allocation adjustment shall be designed, to
45 reduce the expenditures authorized by the appropriations herein in
46 compliance with the following guidelines: (1) reductions shall be
47 made in compliance with applicable federal law, including the
48 provisions of the Patient Protection and Affordable Care Act, Public
49 Law No. 111-148, and the Health Care and Education Reconciliation
50 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

13 retroactively to the extent permitted by the federal centers for
14 medicare and medicaid services.

8 Notwithstanding section 40 of the state finance law or any provision
 9 of law to the contrary, subject to federal approval, department of
 10 health state funds medicaid spending, excluding payments for medical
 11 services provided at state facilities operated by the office of

 17 \$33,417,285,000 except as provided below provided, however, such
 18 aggregate limits may be adjusted by the director of the budget to
 19 account for any changes in the New York state federal medical
 20 assistance percentage amount established pursuant to the federal
 21 social security act, increases in provider revenues, reductions in
 22 local social services district payments for medical assistance
 23 administration, minimum wage increases and beginning April 1, 2012
 24 the operational costs of the New York state medical indemnity fund,
 25 pursuant to chapter 59 of the laws of 2011, and state costs or
 26 savings from the essential plan program. Such projections may be
 27 adjusted by the director of the budget to account for increased or
 28 expedited department of health state funds medicaid expenditures as
 29 a result of a natural or other type of disaster, including a govern-
 30 mental declaration of emergency.

31 The director of the budget, in consultation with the commissioner of
 32 health, shall assess on a quarterly basis known and projected medi-
 33 caid expenditures by category of service and by geographic region,
 34 as determined by the commissioner of health, incurred both prior to
 35 and subsequent to such assessment for each such period, and if the
 36 director of the budget determines that such expenditures are
 37 expected to cause medicaid spending for such period to exceed the
 38 aggregate limit specified herein for such period, the state medicaid
 39 director, in consultation with the director of the budget and the
 40 commissioner of health, shall develop a medicaid savings allocation
 41 adjustment to limit such spending to the aggregate limit specified
 42 herein for such period.

 46 made in compliance with applicable federal law, including the
 47 provisions of the Patient Protection and Affordable Care Act, Public
 48 Law No. 111-148, and the Health Care and Education Reconciliation

1 gated thereunder; (2) reductions shall be made in a manner that
2 complies with the state medicaid plan approved by the federal
3 centers for medicare and medicaid services, provided, however, that
4 the commissioner of health is authorized to submit any state plan
5 amendment or seek other federal approval, including waiver authori-
6 ty, to implement the provisions of the medicaid savings allocation
7 adjustment that meets the other criteria set forth herein; (3)
8 reductions shall be made in a manner that maximizes federal finan-
9 cial participation, to the extent practicable, including any federal
10 financial participation that is available or is reasonably expected
11 to become available, in the discretion of the commissioner, under
12 the Affordable Care Act; (4) reductions shall be made uniformly
13 among categories of services and geographic regions of the state, to
14 the extent practicable, and shall be made uniformly within a catego-
15 ry of service, to the extent practicable, except where the commis-
16 sioner determines that there are sufficient grounds for non-uniform-
17 ity, including but not limited to: the extent to which specific
18 categories of services contributed to department of health medicaid
19 state funds spending in excess of the limits specified herein; the
20 need to maintain safety net services in underserved communities; or
21 the potential benefits of pursuing innovative payment models contem-
22 plated by the Affordable Care Act, in which case such grounds shall
23 be set forth in the medicaid savings allocation adjustment; and (5)
24 reductions shall be made in a manner that does not unnecessarily
25 create administrative burdens to medicaid applicants and recipients
26 or providers.

27 The commissioner shall seek the input of the legislature, as well as
28 organizations representing health care providers, consumers, busi-
29 nesses, workers, health insurers, and others with relevant exper-
30 tise, in developing such medicaid savings allocation adjustment, to
31 the extent that all or part of such adjustment, in the discretion of
32 the commissioner, is likely to have a material impact on the overall
33 medicaid program, particular categories of service or particular
34 geographic regions of the state.

35 (a) The commissioner shall post the medicaid savings allocation
36 adjustment on the department of health's website and shall provide
37 written copies of such plan to the chairs of the senate finance and
38 the assembly ways and means committees at least 30 days before the
39 date on which implementation is expected to begin.

40 (b) The commissioner may revise the medicaid savings allocation
41 adjustment subsequent to the provisions of notice and prior to
42 implementation but needs to provide a new notice pursuant to subpar-
43 agraph (i) of this paragraph only if the commissioner determines, in
44 his or her discretion, that such revisions materially alter the
45 plan.

46 Notwithstanding the provisions of paragraphs (a) and (b) of this
47 subdivision, the commissioner need not seek the input described in
48 paragraph (a) of this subdivision or provide notice pursuant to
49 paragraph (b) of this subdivision if, in the discretion of the
50 commissioner, expedited development and implementation of a medicaid
51 savings allocation adjustment is necessary due to a public health
52 emergency.

6 such widespread risk of exposure; or (iii) any other event or condi-
7 tion determined by the commissioner to constitute an imminent threat
8 to public health.

9 Nothing in this paragraph shall be deemed to prevent all or part of
10 such medicaid savings allocation adjustment from taking effect
11 retroactively to the extent permitted by the federal centers for
12 medicare and medicaid services.

13 In accordance with the medicaid savings allocation adjustment, the
14 commissioner of the department of health shall reduce department of

21 benefits; seeking all necessary federal approvals, including, but
22 not limited to waivers, waiver amendments; and suspending time
23 frames for notice, approval or certification of rate requirements,

25 contrary, including but not limited to sections 2807 and 3614 of the
26 public health law, section 18 of chapter 2 of the laws of 1988, and
27 18 NYCRR 505.14(h).

28 The department of health shall prepare a quarterly report that sets
29 forth: (a) known and projected department of health medicaid expend-
30 itures as described in subdivision (1) of this section, and factors
31 that could result in medicaid disbursements for the relevant state
32 fiscal year to exceed the projected department of health state funds
33 disbursements in the enacted budget financial plan pursuant to
34 subdivision 3 of section 23 of the state finance law, including
35 spending increases or decreases due to: enrollment fluctuations,
36 rate changes, utilization changes, MRT investments, and shift of
37 beneficiaries to managed care; and variations in offline medicaid
38 payments; and (b) the actions taken to implement any medicaid
39 savings allocation adjustment implemented pursuant to subdivision
40 (4) of this section, including information concerning the impact of
41 such actions on each category of service and each geographic region
42 of the state. Each such quarterly report shall be provided to the
43 chairs of the senate finance and the assembly ways and means commit-
