STATE OPERATIONS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. a) The several amounts specified in this chapter for state
- 2 operations, or so much thereof as shall be sufficient to accomplish the
- 3 purposes designated by the appropriations, are hereby appropriated and
- 4 authorized to be paid as hereinafter provided, to the respective public
- 5 officers and for the several purposes specified.
- 6 b) Where applicable, appropriations made by this chapter for expendi-

- 12 and/or unexpended balances of the prior year's appropriations, are here-

1 by reappropriated from the same funds and made available for the same
2 purposes as the prior year's appropriations, unless herein amended, for
3 the fiscal year beginning April 1, 2026. Certain reappropriations in
4 this chapter are shown using abbreviated text, with three leader dots
5 (an ellipsis) followed by three spaces (...) used to indicate where
6 existing law that is being continued is not shown. However, unless a
7 change is clearly indicated by the use of brackets [-] for deletions and
8 underscores for additions, the purposes, amounts, funding source and all
9 other aspects pertinent to each item of appropriation shall be as last
10 appropriated.

11 For the purpose of complying with the state finance law, the year,
12 chapter and section of the last act reappropriating a former original
13 appropriation or any part thereof is, unless otherwise indicated, chap-
14 ter 50, section 1, of the laws of 2025.

15 d) No moneys appropriated by this chapter shall be available for
16 payment until a certificate of approval has been issued by the director
17 of the budget, who shall file such certificate with the department of
18 audit and control, the chairperson of the senate finance committee and
19 the chairperson of the assembly ways and means committee.

20 e) Notwithstanding any provision contained herein or any other law to
21 the contrary, if, on a cash basis of accounting, a general fund imbal-
22 ance has or is expected to occur in fiscal year 2026-27, the budget
23 director is hereby authorized to withhold all or some of the amounts
24 appropriated herein, including amounts that are to be paid on specific
25 dates prescribed in law or regulation. Prior to withholding any amounts,
26 the director shall consider whether other means are available for accom-
27 plishing the purposes of this provision. Provided further, the director
28 shall consider the impact of any such amounts to be withheld. To the
29 extent the state is obligated to make payment to any individual or enti-
30 ty pursuant to any appropriation contained herein, such obligation shall
31 be reduced commensurate with such payments withheld by the director of
32 the budget.

33 The following types of appropriations shall be exempt from such with-
34 holds pursuant to this provision: (a) public assistance payments for
35 families and individuals and payments for eligible aged, blind and disa-
36 bled persons related to supplemental social security; (b) any reductions
37 that would violate federal law; (c) payments of debt service and related
38 expenses for which the state is constitutionally obligated to pay debt
39 service or is contractually obligated to pay debt service, subject to an
40 appropriation, including where the state has a contingent contractual
41 obligation; and (d) payments the state is obligated to make pursuant to
42 court orders or judgments.

43 For purposes of this provision, a general fund imbalance shall occur
44 if any state fiscal year 2026-27 quarterly financial plan update
45 required by subdivision 4 of section 23 of the state finance law
46 reflects, or if at any point during the final quarter of state fiscal
47 year 2026-27 the budget director projects, that estimated general fund
48 receipts and/or estimated general fund disbursements have or will vary
49 from the estimates included in the state fiscal year 2026-27 enacted
50 budget financial plan required by sections 22 and 23 of the state
51 finance law results in a cumulative budget imbalance of \$2,000,000,000
52 or more. Provided however, that such \$2,000,000,000 must be calculated
53 without considering any payments withheld in accordance with this
54 provision or any depletion of the state fiscal year 2026-27 transaction
55 risk reserve accounting mechanism.

1 "Estimated general fund receipts" shall mean general fund tax
2 receipts, after payment of debt service and miscellaneous receipts esti-
3 mated by the budget director to be received during state fiscal year
4 2026-27.

5 "Estimated general funds disbursements" shall mean general funds
6 disbursements, including transfers, estimated by the budget director to
7 be made during state fiscal year 2026-27.

8 No later than ten business days following the issuance of any state
9 fiscal year 2026-27 quarterly financial plan update that includes a
10 determination, and/or the date in the final quarter of the state fiscal
11 year 2026-27 upon which the budget director determines, that a general
12 fund imbalance exists, the budget director shall provide notification of
13 payments that will be withheld pursuant to this provision to the presi-
14 dent pro tempore of the senate and the speaker of the assembly.
15 Provided, however, the aggregate amount of payments withheld pursuant to
16 this provision shall at no point be in an amount greater than the deter-
17 mined cumulative general fund imbalance. Provided further however,
18 before any payments may be withheld pursuant to this provision, the
19 budget director shall first deplete the \$2,000,000,000 transaction risk
20 reserve accounting mechanism to resolve the determined general fund
21 imbalance, as practicable. Such notification will also identify any
22 other means the budget director intends to use to resolve any portion of
23 the general fund imbalance, including but not limited to the aforemen-
24 tioned depletion of the transaction risk reserve and/or any other
25 resources.

26 Following such budget director notification, the legislature shall
27 have ten business days to prepare and adopt by concurrent resolution its
28 own withhold plan which conforms with the requirements of this
29 provision, and which achieves the same aggregate of payment withholds as
30 the budget director's withhold plan. If after ten business days follow-
31 ing the budget director's notification the legislature fails to prepare
32 and adopt its own withhold plan, or if the budget director determines
33 that the withhold plan prepared and adopted by the legislature does not
34 conform with the requirements of this provision, the withholds identi-
35 fied in the budget director's withhold plan will immediately take
36 effect.

37 Notwithstanding any other provision contained herein or any other
38 provision of law to the contrary, any payments withheld pursuant to this
39 section may be paid in full or in part if a subsequent general fund
40 surplus materializes in state fiscal year 2026-27.

41 f) Notwithstanding any provision of law to the contrary, for purposes
42 of any appropriation made by this chapter which authorizes spending in
43 an amount net of refunds, rebates, reimbursements, credits, repayments,
44 and/or disallowances, "refunds" shall mean funds received to the state
45 resulting from the overpayment of monies, "rebates" shall mean funds
46 received to the state resulting from a return of a full or partial
47 amount previously paid, as for goods or services, serving as a
48 reduction, discount or rebate to the original payment amount,
49 "reimbursements" shall mean funds received to the state as repayment in
50 an equivalent amount for goods or services, including but not limited to
51 personal service costs, incurred by the state in the first instance
52 being provided to a third party for their benefit and partially or in
53 full financed by such third party, "credit" shall mean monies made
54 available to the state that reduce the amount owed to a third party,
55 including but not limited to billing errors, rebates, and prior overpay-
56 ments, "repayment" shall mean the return of monies as pay back for

1 expenses incurred, and "disallowance" shall mean monies made available
2 to the state that were not allowed or accepted officially by the
3 intended recipient, based on a determination the payment is not accepta-
4 ble and/or valid. When the office of the state comptroller receives any
5 such refunds, rebates, reimbursements, credits, repayments, and/or
6 disallowances, he or she shall credit the refunded, rebated, reimbursed,
7 credited, repaid, and disallowed amount back to the original appropri-
8 ation and reduce expenditures in the year which such credit is received
9 regardless of the timing of the initial expenditure.

10 g) Notwithstanding any provision of law to the contrary, subject to
11 the approval of the director of the budget, the federal funds appropri-
12 ated herein shall be available for the purposes of the stated program,
13 regardless of the federal agency administering such program, and may be
14 expended for all eligible costs consistent with applicable federal laws
15 and regulations, including pursuant to a memorandum of understanding or
16 interagency agreement with other state departments or agencies for the
17 administration or operation of such program.

18 h) Notwithstanding any provision of law to the contrary, upon enact-
19 ment of this chapter of the laws of 2026 containing the state operations
20 budget bill for the state fiscal year 2026-2027, all appropriations and
21 reappropriations, contained in chapter 50 of the laws of 2025, which
22 would otherwise lapse by operation of law on March 31, 2027 are hereby
23 repealed.

24 i) The appropriations contained in this chapter shall be available for
25 the fiscal year beginning on April 1, 2026.

1 cause medicaid spending for such period to
2 exceed the aggregate limit specified here-
3 in for such period, the state medicaid
4 director, in consultation with the direc-
5 tor of the budget and the commissioner of
6 health, shall develop a medicaid savings
7 allocation adjustment to limit such spend-
8 ing to the aggregate limit specified here-
9 in for such period.

10 Such medicaid savings allocation adjustment
11 shall be designed, to reduce the expendi-
12 tures authorized by the appropriations
13 herein in compliance with the following
14 guidelines: (1) reductions shall be made
15 in compliance with applicable federal law,
16 including the provisions of the Patient

18 Law No. 111-148, and the Health Care and
19 Education Reconciliation Act of 2010,
20 Public Law No. 111-152 (collectively
21 "Affordable Care Act") and any subsequent
22 amendments thereto or regulations promul-

24 made in a manner that complies with the
25 state medicaid plan approved by the feder-

27 services, provided, however, that the
28 commissioner of health is authorized to
29 submit any state plan amendment or seek
30 other federal approval, including waiver
31 authority, to implement the provisions of
32 the medicaid savings allocation adjustment
33 that meets the other criteria set forth
34 herein; (3) reductions shall be made in a
35 manner that maximizes federal financial
36 participation, to the extent practicable,
37 including any federal financial partic-
38 ipation that is available or is reasonably
39 expected to become available, in the
40 discretion of the commissioner, under the
41 Affordable Care Act; (4) reductions shall
42 be made uniformly among categories of
43 services and geographic regions of the
44 state, to the extent practicable, and
45 shall be made uniformly within a category
46 of service, to the extent practicable,
47 except where the commissioner determines
48 that there are sufficient grounds for
49 non-uniformity, including but not limited
50 to: the extent to which specific catego-
51 ries of services contributed to department
52 of health medicaid state funds spending in

DEPARTMENT OF HEALTH

1 excess of the limits specified herein; the
2 need to maintain safety net services in
3 underserved communities; or the potential
4 benefits of pursuing innovative payment
5 models contemplated by the Affordable Care
6 Act, in which case such grounds shall be
7 set forth in the medicaid savings allo-
8 cation adjustment; and (5) reductions
9 shall be made in a manner that does not
10 unnecessarily create administrative
11 burdens to medicaid applicants and recipi-
12 ents or providers.

13 The commissioner shall seek the input of the

15 representing health care providers,
16 consumers, businesses, workers, health

25 of the state.

26 (a) The commissioner shall post the medicaid
27 savings allocation adjustment on the
28 department of health's website and shall
29 provide written copies of such adjustment
30 to the chairs of the senate finance and
31 the assembly ways and means committees at
32 least 30 days before the date on which
33 implementation is expected to begin.

34 (b) The commissioner may revise the medicaid
35 savings allocation adjustment subsequent
36 to the provisions of notice and prior to
37 implementation but need provide a new

45 commissioner need not seek the input
46 described in paragraph (a) of this subdi-
47 vision or provide notice pursuant to para-

9 creates a widespread risk of exposure to a
10 serious communicable disease, or the
11 potential for such widespread risk of
12 exposure; or (iii) any other event or
13 condition determined by the commissioner
14 to constitute an imminent threat to public
15 health.

16 Nothing in this paragraph shall be deemed to
17 prevent all or part of such medicaid
18 savings allocation adjustment from taking
19 effect retroactively to the extent permit-
20 ted by the federal centers for medicare
21 and medicaid services.

3 State Purposes Account - 10050

4 The appropriation made by chapter 50, section 1, of the laws of 2025, is
5 hereby amended and reappropriated to read:
6 Notwithstanding sections 17 or 19 of the public officers law or any
7 other provision of law to the contrary, for payment or reimbursement
8 of reasonable attorneys' fees and expenses incurred by or on behalf
9 of an employee, as that term is defined in section 17 and/or section
10 19 of the public officers law, who obtained representation by
11 private counsel in response to any request, summons, command,
12 subpoena, warrant, investigative interview or document request,
13 audit, complaint, summons, indictment, charge, hearing, trial or
14 other legally compulsive process until its final resolution, includ-
15 ing appeal (collectively "Process") initiated after January 1, 2025
16 by the United States government and in which the employee was or is
17 involved as a result of the employee's New York State (State)
18 employment or duties, including where the Process is unrelated to
19 the employee's State employment or duties, but is reasonably likely
20 to have been commenced because of or in response to the employee's
21 State employment or exercise of their duties. When determining
22 whether the Process is reasonably likely to have been commenced
23 because of or in response to the employee's State employment or
24 exercise of their duties, the Office of the Attorney General
25 ("Attorney General") (or, where the employee is an employee of the
26 Attorney General, the Governor) may consider the totality of the
27 circumstances, including, but not limited to, such factors as wheth-
28 er the employee has previously initiated or otherwise participated
29 in or supported a criminal or civil investigation or prosecution of
30 the United States government or a United States government official,
31 whether the employee is currently or was previously involved in an
32 investigation by the United States government or a United States
33 government official, whether the employee previously had inter-
34 actions with the United States government or a United States govern-
35 ment official in the course of their State employment or duties,
36 whether the employee was previously subjected to what could reason-
37 ably be construed to constitute discriminatory or retaliatory treat-
38 ment by the United States government, whether the employee holds or
39 held a position or has taken action that is highly visible to the
40 public or to the United States government, whether there is another
41 readily apparent likely explanation for the Process, and other rele-
42 vant circumstances. For purposes of this appropriation, United
43 States government shall include any federal government body, agency,
44 court, or other entity, as well as any employee of the federal
45 government acting in their official capacity. Provided however, that
46 reasonable attorneys' fees and expenses incurred by or on behalf of
47 an employee, as that term is defined in section 17 and/or section 19
48 of the public officers law, shall only be paid upon: (a) notifica-

tion to the Attorney General by the employee or their private counsel within 45 days from the date the need for representation first arises, or, if the employee is legally prohibited from making such notification at the time the need for legal representation first arises, then 45 days from the time the prohibition is removed; (b) receipt by the Attorney General of a certification from the head of the department, commission, division, office or agency of such employee, of the employee's State employment; and (c) certification by the employee and the employee's private counsel to the Attorney General that the employee is involved in the Process as a result of their State employment, as described herein. Where the Process is unrelated to the employee's State employment or duties, but is reasonably likely to have been commenced because of or in response to the employee's State employment or exercise of their duties, the certification by the employee and the employee's private counsel must be reviewed and approved by the Attorney General (or, where the employee is an employee of the Attorney General, the Governor). Upon a determination by the Attorney General that an employee or their private counsel is entitled to payment of such reasonable attorneys' fees and expenses, the Attorney General shall so certify to the Comptroller. Where the employee is an employee of the Attorney General, the Governor shall review the Attorney General's determination and shall co-certify to the Comptroller unless the Governor finds the determination of the Attorney General to be unreasonable. Such reasonable attorneys' fees and expenses shall be paid by the State to the employee or the employee's private counsel from time to time during the pendency of the Process and upon the audit and warrant of the Comptroller. Notwithstanding any provision to the contrary contained herein, neither an employee nor their private counsel shall receive or be reimbursed for reasonable attorneys' fees and expenses pursuant to this appropriation unless the employee and their private counsel certify to the Attorney General that the employee is solely liable for their reasonable attorneys' fees and expenses and that the employee and/or their private counsel shall reimburse the State for all payments of reasonable attorneys' fees and expenses paid pursuant to this appropriation within ninety days of a determination by the Attorney General's Office (and, in the case of an employee of the Attorney General, a determination by the Governor that the Attorney General's determination was reasonable) that (1) if the subject matter of the Process relates to the employee's State employment or duties, the employee has acted outside the scope of their State employment and/or used their State employment to violate any applicable law, regulation, or valid executive order, and/or (2) if the subject matter of the Process is unrelated to the employee's State employment or duties, but is reasonably likely to have been commenced because of or in response to the employee's State employment or exercise of their duties, the employee has violated any applicable law, regulation, or valid executive order, and/or (3) the employee has failed to cooperate with the State in connection with the Process for which the employee or their counsel
