AN ACT to amend the environmental conservation law, in relation to the regulation of toxic substances in playground surfacing materials

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 37-0123 to read as follows:

§ 37-0123. Regulation of toxic substances in playground surfacing materials.

1. As used in this section, the following terms shall have the following meanings:

(a) "Playground surfacing materials" means products, materials, or substances used or installed on the ground surface of a playground.

(b) "Playground" means an outdoor recreation area for children equipped with one or more play structures.

(c) "Manufacturer" means the person that manufactures a product or whose brand name is affixed to the product. In the case of a product imported into the United States, "manufacturer" includes the importer or first domestic distributor of the product if the person that manufactured or assembled the product or whose brand name is affixed to the product does not have a presence in the United States.

(d) "PFAS" means perfluoroalkyl and polyfluoroalkyl substances and includes any member of the class of fluorinated organic chemicals containing at least one fully flourished carbon atom.

(e) "PAHs" means polycyclic aromatic hydrocarbons.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD08124-06-6

1 (f) "Intentionally added" means a chemical in a product that serves an
2 intended function or technical effect in the product or product compo-
3 nent, including PFAS within intentionally added chemicals and PFAS that
4 are intentional breakdown products of an added chemical that also have a
5 functional or technical effect in the product or product component.

6 2. Commencing on the effective date of this section, no person shall
7 sell or offer for sale in this state any playground surfacing material
8 that contains PFAS, PAHs, or lead:

9 (a) that has been intentionally added; or

10 (b) at or above a level that the department shall establish by regu-
11 lation that is the lowest level that can feasibly be achieved; provided,
12 however, that the department shall review such levels at least every
13 five years to determine whether they should be lowered; provided, howev-
14 er, that in no event shall such level for lead be more than ninety parts
15 per million.

16 3. (a) A manufacturer of playground surfacing materials sold into
17 the state shall provide persons that offer the product for sale in
18 the state with a certificate of compliance. The certificate of compli-
19 ance shall provide assurance, at a minimum, that the product is in
20 compliance with the requirements of subdivision two of this section. Any
21 certificate of compliance provided under this section shall be signed by
22 an authorized official of the manufacturer.

23 (b) In addition to any other applicable penalties, it shall be a
24 violation of this title to provide a certificate of compliance under
25 paragraph (a) of this subdivision when a product is knowingly in
26 violation of the requirements of this section.

27 4. If the department has reason to believe playground surfacing mate-
28 rials being sold or offered for sale that have not been installed in a
29 playground are not in compliance with the requirements of subdivision
30 two of this section, the department shall notify the manufacturer of the
31 playground surfacing materials, who shall, within thirty days:

32 (a) provide the department with independent, third-party laboratory
33 test results demonstrating that the playground surfacing materials are
34 in compliance with subdivision two of this section; or

35 (b) notify persons who sell the playground surfacing materials in this
36 state that the sale of the playground surfacing materials is prohibited
37 in this state and provide the department with a list of the names and
38 addresses of those notified.

39 5. A retailer of a product, who is not also the manufacturer of the
40 product, shall not be held in violation of subdivision two of this
41 section if it can show that such retailer relied in good faith on the
42 certificate of compliance provided for in subdivision three of this
43 section.

44 6. No part of this title shall be considered to apply to, require the
45 recall of, or require reimbursement for, playground surfacing materials
46 that have been sold or offered for sale prior to the effective date of
47 this section.

48 § 2. Section 71-3703 of the environmental conservation law is amended
49 by adding a new subdivision 8 to read as follows:

50 8. Any person who violates any of the provisions of, or who fails to
51 perform any duty imposed by section 37-0123 of this chapter or any rule
52 or regulation promulgated pursuant thereto, shall be liable for a civil
53 penalty not to exceed one thousand dollars for each day, and in addition
54 thereto, such person may be enjoined from continuing such violation.
55 Such person shall for a second violation be liable to the people of the

1 state for a civil penalty not to exceed two thousand five hundred
2 dollars.

3 § 3. This act shall take effect on the one hundred eightieth day after
4 it shall have become a law.
