AN ACT to amend the vehicle and traffic law and the public officers law, in relation to establishing a school speed zone camera demonstration program in the city of Amsterdam; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1180-i to read as follows:

3 § 1180-i. Owner liability for failure of operator to comply with
4 certain posted maximum speed limits; city of Amsterdam. (a) 1. Notwith-
5 standing any other provision of law, the city of Amsterdam is hereby
6 authorized to establish a demonstration program imposing monetary
7 liability on the owner of a vehicle for failure of an operator thereof
8 to comply with posted maximum speed limits in a school speed zone within
9 such city (i) when a school speed limit is in effect as provided in
10 paragraphs one and two of subdivision (c) of section eleven hundred
11 eighty of this article or (ii) when other speed limits are in effect as
12 provided in subdivision (b), (d), (f) or (g) of section eleven hundred
13 eighty of this article during the following times: (A) on school days
14 during school hours and one hour before and one hour after the school
15 day, and (B) a period during student activities at the school and up to
16 thirty minutes immediately before and up to thirty minutes immediately
17 after such student activities. Such demonstration program shall empower
18 the city of Amsterdam to install photo speed violation monitoring
19 systems within no more than five school speed zones within such city at
20 any one time and to operate such systems within such zones (iii) when a
21 school speed limit is in effect as provided in paragraphs one and two of
22 subdivision (c) of section eleven hundred eighty of this article or (iv)

1 before and one hour after the school day, and (B) a period during
2 student activities at the school and up to thirty minutes immediately
3 before and up to thirty minutes immediately after such student activ-
4 ities. In selecting a school speed zone in which to install and operate
5 a photo speed violation monitoring system, the city shall consider
6 criteria including, but not limited to, the speed data, crash history,
7 and the roadway geometry applicable to such school speed zone.

8 2. No photo speed violation monitoring system shall be used in a
9 school speed zone unless (i) on the day it is to be used it has success-
10 fully passed a self-test of its functions; and (ii) it has undergone an
11 annual calibration check performed pursuant to paragraph four of this
12 subdivision. The city shall install signs giving notice that a photo
13 speed violation monitoring system is in use to be mounted on advance
14 warning signs notifying motor vehicle operators of such upcoming school
15 speed zone and/or on speed limit signs applicable within such school
16 speed zone, in conformance with standards established in the MUTCD.

17 3. Operators of photo speed violation monitoring systems shall have
18 completed training in the procedures for setting up, testing, and oper-
19 ating such systems. Each such operator shall complete and sign a daily
20 set-up log for each such system that such operator operates that (i)
21 states the date and time when, and the location where, the system was
22 set up that day, and (ii) states that such operator successfully
23 performed, and the system passed, the self-tests of such system before
24 producing a recorded image that day. The city shall retain each such
25 daily log until the later of the date on which the photo speed violation
26 monitoring system to which it applies has been permanently removed from
27 use or the final resolution of all cases involving notices of liability
28 issued based on photographs, microphotographs, videotape or other
29 recorded images produced by such system.

30 4. Each photo speed violation monitoring system shall undergo an annu-
31 al calibration check performed by an independent calibration laboratory
32 which shall issue a signed certificate of calibration. The city shall
33 keep each such annual certificate of calibration on file until the final
34 resolution of all cases involving a notice of liability issued during
35 such year which were based on photographs, microphotographs, videotape
36 or other recorded images produced by such photo speed violation monitor-
37 ing system.

38 5. (i) Such demonstration program shall utilize necessary technologies
39 to ensure, to the extent practicable, that photographs, microphoto-
40 graphs, videotape or other recorded images produced by such photo speed
41 violation monitoring systems shall not include images that identify the
42 driver, the passengers, or the contents of the vehicle. Provided, howev-
43 er, that no notice of liability issued pursuant to this section shall be
44 dismissed solely because such a photograph, microphotograph, videotape
45 or other recorded image allows for the identification of the driver, the
46 passengers, or the contents of vehicles where the city shows that it
47 made reasonable efforts to comply with the provisions of this paragraph
48 in such case.

49 (ii) Photographs, microphotographs, videotape or any other recorded
50 image from a photo speed violation monitoring system shall be for the
51 exclusive use of the city for the purpose of the adjudication of liabil-
52 ity imposed pursuant to this section and of the owner receiving a notice
53 of liability pursuant to this section, and shall be destroyed by the
54 city upon the final resolution of the notice of liability to which such
55 photographs, microphotographs, videotape or other recorded images
56 relate, or one year following the date of issuance of such notice of

1 liability, whichever is later. Notwithstanding the provisions of any
2 other law, rule or regulation to the contrary, photographs, microphoto-
3 graphs, videotape or any other recorded image from a photo speed
4 violation monitoring system shall not be open to the public, nor subject
5 to civil or criminal process or discovery, nor used by any court or
6 administrative or adjudicatory body in any action or proceeding therein
7 except that which is necessary for the adjudication of a notice of
8 liability issued pursuant to this section, and no public entity or
9 employee, officer or agent thereof shall disclose such information,
10 except that such photographs, microphotographs, videotape or any other
11 recorded images from such systems:

12 (A) shall be available for inspection and copying and use by the motor
13 vehicle owner and operator for so long as such photographs, microphoto-
14 graphs, videotape or other recorded images are required to be maintained
15 or are maintained by such public entity, employee, officer or agent; and

16 (B) (1) shall be furnished when described in a search warrant issued
17 by a court authorized to issue such a search warrant pursuant to article
18 six hundred ninety of the criminal procedure law or a federal court
19 authorized to issue such a search warrant under federal law, where such
20 search warrant states that there is reasonable cause to believe such
21 information constitutes evidence of, or tends to demonstrate that, a
22 misdemeanor or felony offense was committed in this state or another
23 state, or that a particular person participated in the commission of a
24 misdemeanor or felony offense in this state or another state, provided,
25 however, that if such offense was against the laws of another state, the
26 court shall only issue a warrant if the conduct comprising such offense
27 would, if occurring in this state, constitute a misdemeanor or felony
28 against the laws of this state; and

29 (2) shall be furnished in response to a subpoena duces tecum signed by
30 a judge of competent jurisdiction and issued pursuant to article six
31 hundred ten of the criminal procedure law or a judge or magistrate of a
32 federal court authorized to issue such a subpoena duces tecum under
33 federal law, where the judge finds and the subpoena states that there is
34 reasonable cause to believe such information is relevant and material to
35 the prosecution, or the defense, or the investigation by an authorized
36 law enforcement official, of the alleged commission of a misdemeanor or
37 felony in this state or another state, provided, however, that if such
38 offense was against the laws of another state, such judge or magistrate
39 shall only issue such subpoena if the conduct comprising such offense
40 would, if occurring in this state, constitute a misdemeanor or felony in
41 this state; and

42 (3) may, if lawfully obtained pursuant to this clause and clause (A)
43 of this subparagraph and otherwise admissible, be used in such criminal
44 action or proceeding.

45 (b) If the city of Amsterdam establishes a demonstration program
46 pursuant to subdivision (a) of this section, the owner of a vehicle
47 shall be liable for a penalty imposed pursuant to this section if such
48 vehicle was used or operated with the permission of the owner, express
49 or implied, within a school speed zone in violation of subdivision (c)
50 or during the times authorized pursuant to subdivision (a) of this
51 section in violation of subdivision (b), (d), (f) or (g) of section
52 eleven hundred eighty of this article, such vehicle was traveling at a
53 speed of more than ten miles per hour above the posted speed limit in
54 effect within such school speed zone, and such violation is evidenced by
55 information obtained from a photo speed violation monitoring system;
56 provided however that no owner of a vehicle shall be liable for a penal-

1 ty imposed pursuant to this section where the operator of such vehicle
2 has been convicted of the underlying violation of subdivision (b), (c),
3 (d), (f) or (g) of section eleven hundred eighty of this article.

4 (c) For purposes of this section, the following terms shall have the
5 following meanings:

6 1. "manual on uniform traffic control devices" or "MUTCD" shall mean
7 the manual and specifications for a uniform system of traffic control
8 devices maintained by the commissioner of transportation pursuant to
9 section sixteen hundred eighty of this chapter;

10 2. "owner" shall have the meaning provided in article two-B of this
11 chapter;

12 3. "photo speed violation monitoring system" shall mean a vehicle
13 sensor installed to work in conjunction with a speed measuring device
14 which automatically produces two or more photographs, two or more micro-
15 photographs, a videotape or other recorded images of each vehicle at the
16 time it is used or operated in a school speed zone in violation of
17 subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty
18 of this article in accordance with the provisions of this section; and

19 4. "school speed zone" shall mean a distance not to exceed one thou-
20 sand three hundred twenty feet on a highway passing a school building,
21 entrance or exit of a school abutting on the highway.

22 (d) A certificate, sworn to or affirmed by a technician employed by
23 the city of Amsterdam, or a facsimile thereof, based upon inspection of
24 photographs, microphotographs, videotape or other recorded images
25 produced by a photo speed violation monitoring system, shall be prima
26 facie evidence of the facts contained therein. Any photographs, micro-
27 photographs, videotape or other recorded images evidencing such a
28 violation shall include at least two date and time stamped images of the
29 rear of the motor vehicle that include the same stationary object near
30 the motor vehicle and shall be available for inspection reasonably in
31 advance of and at any proceeding to adjudicate the liability for such
32 violation pursuant to this section.

33 (e) An owner liable for a violation of subdivision (b), (c), (d), (f)
34 or (g) of section eleven hundred eighty of this article pursuant to a
35 demonstration program established pursuant to this section shall be
36 liable for monetary penalties in accordance with a schedule of fines and
37 penalties to be set forth in such local law or ordinance, except that if
38 the city of Amsterdam, by local law, has authorized the adjudication of
39 such owner liability by a parking violations bureau, such schedule shall
40 be promulgated by such bureau. The liability of the owner pursuant to
41 this section shall not exceed fifty dollars for each violation;
42 provided, however, that such local law or ordinance may provide for an
43 additional penalty not in excess of twenty-five dollars for each
44 violation for the failure to respond to a notice of liability within the
45 prescribed time period.

46 (f) An imposition of liability under the demonstration program estab-
47 lished pursuant to this section shall not be deemed a conviction as an
48 operator and shall not be made part of the operating record of the
49 person upon whom such liability is imposed nor shall it be used for
50 insurance purposes in the provision of motor vehicle insurance coverage.

51 (g) 1. A notice of liability shall be sent by first class mail to each
52 person alleged to be liable as an owner for a violation of subdivision
53 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-
54 cle pursuant to this section, within fourteen business days if such
55 owner is a resident of this state and within forty-five business days if
56 such owner is a non-resident. Personal delivery on the owner shall not

1 be required. A manual or automatic record of mailing prepared in the
2 ordinary course of business shall be prima facie evidence of the facts
3 contained therein.

4 2. A notice of liability shall contain the name and address of the
5 person alleged to be liable as an owner for a violation of subdivision
6 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-
7 cle pursuant to this section, the registration number of the vehicle
8 involved in such violation, the location where such violation took
9 place, the date and time of such violation, the identification number of
10 the camera which recorded the violation or other document locator
11 number, at least two date and time stamped images of the rear of the
12 motor vehicle that include the same stationary object near the motor
13 vehicle, and the certificate charging the liability.

14 3. The notice of liability shall contain information advising the
15 person charged of the manner and the time in which such person may
16 contest the liability alleged in the notice. Such notice of liability
17 shall also contain a prominent warning to advise the person charged that
18 failure to contest in the manner and time provided shall be deemed an
19 admission of liability and that a default judgment may be entered there-
20 on.

21 4. The notice of liability shall be prepared and mailed by the city of
22 Amsterdam, or by any other entity authorized by the city to prepare and
23 mail such notice of liability.

24 (h) Adjudication of the liability imposed upon owners by this section
25 shall be by a traffic violations bureau established pursuant to section
26 three hundred seventy of the general municipal law where the violation
27 occurred or, if there be none, by the court having jurisdiction over
28 traffic infractions where the violation occurred, except that if the
29 city of Amsterdam has established an administrative tribunal to hear and
30 determine complaints of traffic infractions constituting parking, stand-
31 ing or stopping violations such city may, by local law, authorize such
32 adjudication by such tribunal.

33 (i) If an owner receives a notice of liability pursuant to this
34 section for any time period during which the vehicle or the number plate
35 or plates of such vehicle was reported to the police department as
36 having been stolen, it shall be a valid defense to an allegation of
37 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
38 section eleven hundred eighty of this article pursuant to this section
39 that the vehicle or the number plate or plates of such vehicle had been
40 reported to the police as stolen prior to the time the violation
41 occurred and had not been recovered by such time. For purposes of
42 asserting the defense provided by this subdivision, it shall be suffi-
43 cient that a certified copy of the police report on the stolen vehicle
44 or number plate or plates of such vehicle be sent by first class mail to
45 the traffic violations bureau, court having jurisdiction or parking
46 violations bureau.

47 (j) 1. Where the adjudication of liability imposed upon owners pursu-
48 ant to this section is by a traffic violations bureau or a court having
49 jurisdiction, an owner who is a lessor of a vehicle to which a notice of
50 liability was issued pursuant to subdivision (g) of this section shall
51 not be liable for the violation of subdivision (b), (c), (d), (f) or (g)
52 of section eleven hundred eighty of this article pursuant to this
53 section, provided that the owner sends to the traffic violations bureau
54 or court having jurisdiction a copy of the rental, lease or other such
55 contract document covering such vehicle on the date of the violation,
56 with the name and address of the lessee clearly legible, within thirty-

1 seven days after receiving notice from the bureau or court of the date
2 and time of such violation, together with the other information
3 contained in the original notice of liability. Failure to send such
4 information within such thirty-seven day time period shall render the
5 owner liable for the penalty prescribed by this section. Where the
6 lessor complies with the provisions of this paragraph, the lessee of
7 such vehicle on the date of such violation shall be deemed to be the
8 owner of such vehicle for purposes of this section, shall be subject to
9 liability for the violation of subdivision (b), (c), (d), (f) or (g) of
10 section eleven hundred eighty of this article pursuant to this section
11 and shall be sent a notice of liability pursuant to subdivision (g) of
12 this section.

13 2. (i) If the city of Amsterdam, by local law, has authorized the
14 adjudication of liability imposed upon owners by this section by a park-
15 ing violations bureau, an owner who is a lessor of a vehicle to which a
16 notice of liability was issued pursuant to subdivision (g) of this
17 section shall not be liable for the violation of subdivision (b), (c),
18 (d), (f) or (g) of section eleven hundred eighty of this article pursu-
19 ant to this section, provided that:

20 (A) prior to the violation, the lessor has filed with the bureau in
21 accordance with the provisions of section two hundred thirty-nine of
22 this chapter; and

23 (B) within thirty-seven days after receiving notice from the bureau of
24 the date and time of a liability, together with the other information
25 contained in the original notice of liability, the lessor submits to the
26 bureau the correct name and address of the lessee of the vehicle identi-
27 fied in the notice of liability at the time of such violation, together
28 with such other additional information contained in the rental, lease or
29 other contract document, as may be reasonably required by the bureau
30 pursuant to regulations that may be promulgated for such purpose.

31 (ii) Failure to comply with clause (B) of subparagraph (i) of this
32 paragraph shall render the owner liable for the penalty prescribed in
33 this section.

34 (iii) Where the lessor complies with the provisions of this paragraph,
35 the lessee of such vehicle on the date of such violation shall be deemed
36 to be the owner of such vehicle for purposes of this section, shall be
37 subject to liability for such violation pursuant to this section and
38 shall be sent a notice of liability pursuant to subdivision (g) of this
39 section.

40 (k) 1. If the owner liable for a violation of subdivision (c) or (d)
41 of section eleven hundred eighty of this article pursuant to this
42 section was not the operator of the vehicle at the time of the
43 violation, the owner may maintain an action for indemnification against
44 the operator.

45 2. Notwithstanding any other provision of this section, no owner of a
46 vehicle shall be subject to a monetary fine imposed pursuant to this
47 section if the operator of such vehicle was operating such vehicle with-
48 out the consent of the owner at the time such operator operated such
49 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section
50 eleven hundred eighty of this article. For purposes of this subdivision
51 there shall be a presumption that the operator of such vehicle was oper-
52 ating such vehicle with the consent of the owner at the time such opera-
53 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
54 or (g) of section eleven hundred eighty of this article.

(l) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (c) or (d) of section eleven hundred eighty of this article.

(m) If the city adopts a demonstration program pursuant to subdivision (a) of this section it shall conduct a study and submit an annual report on the results of the use of photo devices to the governor, the temporary president of the senate and the speaker of the assembly on or before the first day of June next succeeding the effective date of this section and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include:

1. the locations where and dates when photo speed violation monitoring systems were used;

2. the aggregate number, type and severity of crashes, fatalities, injuries and property damage reported within all school speed zones within the city, to the extent the information is maintained by the department of motor vehicles of this state;

3. the aggregate number, type and severity of crashes, fatalities, injuries and property damage reported within school speed zones where photo speed violation monitoring systems were used, to the extent the information is maintained by the department of motor vehicles of this state;

4. the number of violations recorded within all school speed zones within the city, in the aggregate on a daily, weekly and monthly basis;

5. the number of violations recorded within each school speed zone where a photo speed violation monitoring system is used, in the aggregate on a daily, weekly and monthly basis;

6. the number of violations recorded within all school speed zones within the city that were:

(i) more than ten but not more than twenty miles per hour over the posted speed limit;

(ii) more than twenty but not more than thirty miles per hour over the posted speed limit;

(iii) more than thirty but not more than forty miles per hour over the posted speed limit; and

(iv) more than forty miles per hour over the posted speed limit;

7. the number of violations recorded within each school speed zone where a photo speed violation monitoring system is used that were:

(iii) more than thirty but not more than forty miles per hour over the posted speed limit; and

(iv) more than forty miles per hour over the posted speed limit;

8. the total number of notices of liability issued for violations recorded by such systems;

9. the number of fines and total amount of fines paid after the first notice of liability issued for violations recorded by such systems;

10. the number of violations adjudicated and the results of such adjudications including breakdowns of dispositions made for violations recorded by such systems;

11. the total amount of revenue realized by the city in connection with the program;

12. the expenses incurred by the city in connection with the program; and

13. the quality of the adjudication process and its results.

1 (n) It shall be a defense to any prosecution for a violation of subdi-
2 vision (b), (c), (d), (f) or (g) of section eleven hundred eighty of
3 this article pursuant to this section that such photo speed violation
4 monitoring system was malfunctioning at the time of the alleged
5 violation.

6 § 2. Subdivision 2 of section 87 of the public officers law is amended

14 of section 103 of the general municipal law.

15 § 4. This act shall take effect on the thirtieth day after it shall
16 have become a law and shall expire December 31, 2031, when upon such
17 date the provisions of this act shall be deemed repealed. Effective

19 lation necessary for the implementation of this act on its effective
20 date are authorized to be made and completed on or before such effective
