22 Notwithstanding any other provision of law,
23 a portion of the funds are available to
24 reimburse social services districts for
25 the change in the maximum state aid rates
26 established by the office of children and
27 family services for the 2025-26 rate year
28 pursuant to section 398-a of the social
29 services law and sections 4003 and 4405 of
30 the education law to reflect the continua-
31 tion of the cost of living adjustments
32 that became effective April 1, 2008 for
33 payments made to foster parents and for
34 salary and fringe benefit costs and other
35 critical nonpersonal services costs for

4 became effective April 1, 2008 for that
5 program will be or were used solely in
6 accordance with the requirements of the
7 cost of living adjustment established by
8 the office.

9 Notwithstanding any inconsistent provision
10 of law including, but not limited to, any
11 chapter of the laws of 2025 which enacts a
12 targeted inflationary increase for the
13 state fiscal year beginning on April 1,
14 2025, the commissioner shall continue to
15 apply any cost of living adjustment
16 increase in effect on March 31, 2025 for
17 the entire rate year that began when such
18 cost of living adjustment increase was in
19 effect. Notwithstanding any inconsistent
20 provision of law, the commissioner shall
21 apply a 2.1 percent targeted inflationary
22 increase for the rate year that begins on
23 July 1, 2025 for the purposes of estab-
24 lishing rates of payments, contracts, or
25 any other form of reimbursement, provided
26 that this shall not prevent the commis-
27 sioner from applying additional trend or
28 staff retention factors for this program.

29 Within the amounts appropriated herein,
30 state reimbursement to each social
31 services district for services identified
32 herein that are otherwise reimbursable by
33 the state from April 1, 2025 through March
34 31, 2026 shall be limited to a district
35 allocation, hereinafter referred to as the
36 district's block grant allocation.
37 Notwithstanding any other provision of
38 law, such block grant allocation shall be
39 based, in part, on each district's claims
40 for such costs, adjusted by the applicable
41 cost allocation methodology and net of any
42 retroactive payments for the 12 month
43 period ending June 30, 2024 that are
44 submitted on or before January 2, 2025
45 and, in part, on such other factors as
46 determined by the office of children and
47 family services and approved by the direc-
48 tor of the budget. Any portion of a social

50 appropriated herein not claimed by such
51 district during the state fiscal year may

1 be used by such district for expenditures
2 on preventive services provided pursuant
3 to section 409-a of the social services
4 law, independent living services and
5 aftercare services provided pursuant to
6 regulations of the department of family
7 assistance, claimed by such district
8 during the next state fiscal year up to
9 the amount remaining from the district's
10 foster care block grant allocation,
11 provided however, that any claims for such
12 services during the next state fiscal year
13 in excess of such amount shall be subject
14 to 62 percent state reimbursement exclu-
15 sive of any federal funds made available
16 for such purposes, in accordance with
17 directives of the department of family
18 assistance and subject to the approval of
19 the director of the budget. Any claims
20 submitted by a social services district
21 for reimbursement for a particular state
22 fiscal year for which the social services
23 district does not receive state or federal
24 reimbursement during that state fiscal
25 year may not be claimed against that
26 district's block grant apportionment for
27 the next state fiscal year.

28 The office of children and family services,
29 with the approval of the director of the
30 budget, may reduce a district's block
31 grant allocation by the state share
32 decrease related to federal retroactive
33 reimbursement for such foster care
34 services identified herein. The office,
35 with the approval of the director of the
36 budget, may reduce a district's block
37 grant allocation by the state share of
38 disallowances or sanctions taken against
39 the district pursuant to the social
40 services law or federal law.

41 Notwithstanding any other provision of law,
42 the state shall not be responsible for
43 reimbursing a social services district and
44 a district shall not seek state reimburse-
45 ment for any portion of any state disal-
46 lowance or sanction taken against the
47 social services district, or any federal

1 of the social services district to comply
2 with federal or state requirements,
3 including, but not limited to, failure to
4 document eligibility for federal or state
5 funds in the case record; provided, howev-
6 er, if the office determines that any
7 federal disallowance for services provided
8 between January 1, 1999 and May 31, 1999
9 results solely from the late enactment of
10 the state legislation implementing the
11 federal adoption and safe families act,
12 the state shall be solely responsible for
13 the full amount of the disallowance or
14 sanction; provided, further, however, this
15 provision shall be deemed to apply both
16 prospectively and retroactively regardless
17 of whether such sanctions or disallowances
18 are for services provided or claims made
19 prior to or after April 1, 2025.

20 Notwithstanding any other provision of law,
21 any federal disallowance resulting from a
22 federal title IV-E eligibility review or
23 audit that uses extrapolated statistic
24 techniques shall be passed along by the
25 state to any and all social services
26 districts that the office of children and
27 family services has determined have not
28 complied with the title IV-E eligibility
29 requirements or have not taken the neces-
30 sary actions to ensure compliance with
31 such requirements including, but not
32 limited to, failing to: assess and fully
33 document all the criteria and have readily
34 available all the necessary documents to
35 establish and continue title IV-E eligi-
36 bility for all title IV-E eligible chil-
37 dren within the required time frames;
38 claim title IV-E funding only for cases
39 that meet all of the title IV-E eligibil-
40 ity criteria; and fully implement the
41 social services payment system on or
42 before April 1, 2005 for all direct and
43 voluntary agency foster care services.

44 Notwithstanding any law to the contrary, the
45 office of children and family services
46 shall impose on social services districts
47 any federal disallowance issued against
48 the state as a result of a federal title
49 IV-E secondary eligibility review regard-

bility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children

1 and/or cases determined by the office. The
2 office of children and family services
3 will determine what is reasonable in
4 establishing the size of the sample and
5 sub-sample for each district. The office
6 of children and family services shall
7 notify each social services district of
8 the sample of children and/or cases from
9 the federal audit period that the social
10 services district must review. Any child
11 or case from the social services district
12 that was included in the federal sample
13 will automatically be included in the
14 social services district's review sample
15 and the determination made at the federal
16 review regarding that child or case will
17 govern for the purposes of the social
18 services district's review. The social
19 services district must complete and submit
20 the results of its review to the office of
21 children and family services within 60
22 days of receipt of the sample. The error
23 rate for the district will be based on the
24 findings of the district's review and the
25 office of children and family services'
26 re-review. If a social services district
27 does not complete its review within 60
28 days of receiving the sample from the
29 office of children and family services,
30 the office of children and family services
31 shall assign an error rate to the social
32 services district based on the relative
33 percentage of the district's applicable
34 title IV-E claims for the relevant period
35 as compared to applicable statewide title
36 IV-E claims for that period and other
37 circumstances that the office of children
38 and family services may consider in order
39 to allocate 100 percent of the federal
40 disallowance. The office of children and
41 family services shall apply each social
42 services district's error rate to the
43 total amount of the district's applicable
44 title IV-E claims including associated
45 administrative expenses. The resulting
46 dollar amounts for all of the social
47 services districts will be summed to
48 derive the total amount of title IV-E
49 claims deemed to be in error statewide. To
50 establish a disallowance percentage for
51 each social services district, the amount

1 of the district's title IV-E claims deemed
2 to be in error will be divided by the
3 amount of statewide title IV-E claims
4 deemed to be in error. The resulting
5 disallowance percentage for each district
6 will be applied to the entire title IV-E
7 extrapolated disallowance calculated by
8 the federal review to determine the amount
9 of the extrapolated disallowance for which
10 the district is responsible. Each district
11 will be credited for the amount already
12 disallowed for any individual children or
13 cases found to be in error during the
14 federal review. The exclusive appeal
15 rights for the review of the amount of the
16 federal disallowance assigned to each
17 social services district shall be pursuant
18 to article 78 of the civil practice law
19 and rules; provided, however, that in any
20 such action all of the social services
21 districts shall be joined as necessary
22 parties and the venue of any such action
23 shall be in Rensselaer county. Any social
24 services district that fails to complete
25 its sample review in the required time
26 frames shall have no right to appeal and
27 shall not be a necessary party to any
28 action brought by another social services
29 district.

ances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2024.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest

1 payments on such amount, the office of children and family services
2 is authorized to immediately offset funds otherwise due to each
3 district for a pro rata share of the total disallowed costs based on
4 the percentage of applicable federal title IV-E claims made by that
5 district for the relevant time period as compared to the total
6 applicable statewide title IV-E claims. The amount of the offset
7 against each district will be adjusted, if necessary, upon
8 completion of the disallowance allocation process. The final allo-
9 cation of the amount of any federal disallowance resulting from a
10 title IV-E secondary eligibility review shall be allocated among the
11 districts so that each district shall be responsible for the amount
12 attributable to each of the district's children or cases that are
13 determined by the federal review to be unallowable. Each district
14 shall also be responsible for a portion of the federal extrapolated
15 disallowance amount based on the relative error rate for the
16 district. The city of New York's error rate will be based on the
17 federal sample and federal statistics. For all social services
18 districts other than the city of New York, the error rate will be
19 based on a review conducted by the district of a sample of children
20 and/or cases determined by the office of children and family
21 services and a re-review of a sub-sample by the office of those
22 children and/or cases determined by the office. The office of chil-
23 dren and family services will determine what is reasonable in estab-
24 lishing the size of the sample and sub-sample for each district. The
25 office of children and family services shall notify each social
26 services district of the sample of children and/or cases from the
27 federal audit period that the social services district must review.
28 Any child or case from the social services district that was
29 included in the federal sample will automatically be included in the
30 social services district's review sample and the determination made
31 at the federal review regarding that child or case will govern for
32 the purposes of the social services district's review. The social
33 services district must complete and submit the results of its review
34 to the office of children and family services within 60 days of
35 receipt of the sample. The error rate for the district will be based
36 on the findings of the district's review and the office of children
37 and family services' re-review. If a social services district does
38 not complete its review within 60 days of receiving the sample from
39 the office of children and family services, the office of children
40 and family services shall assign an error rate to the social
41 services district based on the relative percentage of the district's
42 applicable title IV-E claims for the relevant period as compared to
43 applicable statewide title IV-E claims for that period and other
44 circumstances that the office of children and family services may
45 consider in order to allocate 100 percent of the federal disallow-
46 ance. The office of children and family services shall apply each
47 social services district's error rate to the total amount of the
48 district's applicable title IV-E claims including associated admin-
49 istrative expenses. The resulting dollar amounts for all of the
50 social services districts will be summed to derive the total amount
51 of title IV-E claims deemed to be in error statewide. To establish a

1 disallowance percentage for each social services district, the
2 amount of the district's title IV-E claims deemed to be in error
3 will be divided by the amount of statewide title IV-E claims deemed
4 to be in error. The resulting disallowance percentage for each
5 district will be applied to the entire title IV-E extrapolated
6 disallowance calculated by the federal review to determine the
7 amount of the extrapolated disallowance for which the district is
8 responsible. Each district will be credited for the amount already
9 disallowed for any individual children or cases found to be in error
10 during the federal review. The exclusive appeal rights for the
11 review of the amount of the federal disallowance assigned to each
12 social services district shall be pursuant to article 78 of the
13 civil practice law and rules; provided, however, that in any such
14 action all of the social services districts shall be joined as
15 necessary parties and the venue of any such action shall be in Rens-
16 selaer county. Any social services district that fails to complete
17 its sample review in the required time frames shall have no right to
18 appeal and shall not be a necessary party to any action brought by
19 another social services district.

 37 at local option to individuals and families regardless of immi-
 38 gration status who are experiencing homelessness or are facing an
 39 imminent loss of housing, including individuals and families without
 40 children. Provided, however, that in social services districts with

Such supplements shall be provided to households who earn no more than 30 percent of area median income at the time of application, provided however, that if sufficient demand does not exist for households who earn no more than 30 percent of area median income, supplements may be provided for households earning up to 50 percent of area median income.

Such supplements shall be provided in accordance with social services district plans, provided however that no plan shall require supplements to be below 85 percent of fair market rent, but may allow for supplements above 85 percent of fair market rent at local cost; provided further however that at least 50 percent of the supplements shall be allocated for households who are currently in shelter or experiencing homelessness, unless sufficient demand does not exist for such households within the district. Each supplement shall be provided until 30 percent of the household's earned and/or unearned income reaches the total monthly rent.

Supplements provided herein shall not be part of the standard of need pursuant to section 131-a of the social services law. Notwithstanding any provision of law to the contrary such supplements shall not be subject to recoupment or repayment. Notwithstanding the aforementioned requirement that a social services district with a population over five million shall use this funding to reimburse rental costs above the maximum rent levels in place as of January 1, 2021 up to the United States department of housing and urban development's fair market rent level for the family homelessness and eviction prevention supplement pursuant to section 131-bb of the social services law, then adjusted consistent with the annual year-over-year percentage changes in fair market rent, provided, however, in the event of a decrease in fair market rent the value of the maximum rent levels reimbursed with funds appropriated herein shall not decrease and shall be set at the maximum rent levels established during the prior year, nothing in this language shall prohibit undocumented individuals and families from receiving this assistance. 43 pursuant to chapter 59 of the laws of
44 2011, and state costs or savings from the
45 essential plan program. Such projections
46 may be adjusted by the director of the
47 budget to account for increased or expe-

50 natural or other type of disaster, includ-
51 ing a governmental declaration of emergen-
52 cy.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 The director of the budget, in consultation
2 with the commissioner of health, shall
3 assess on a quarterly basis known and
4 projected medicaid expenditures by category of service and by geographic region, as
5 determined by the commissioner of health,
6 incurred both prior to and subsequent to
7 such assessment for each such period, and
8 if the director of the budget determines
9 that such expenditures are expected to
10 cause medicaid spending for such period to
11 exceed the aggregate limit specified herein
12 for such period, the state medicaid
13 director, in consultation with the director
14 of the budget and the commissioner of
15 health, shall develop a medicaid savings
16 allocation adjustment to limit such spending
17 to the aggregate limit specified herein
18 for such period.

20 Such medicaid savings allocation adjustment
21 shall be designed, to reduce the expenditures
22 authorized by the appropriations
23 herein in compliance with the following
24 guidelines: (1) reductions shall be made
25 in compliance with applicable federal law,
26 including the provisions of the Patient
27 Protection and Affordable Care Act, Public
28 Law No. 111-148, and the Health Care and
29 Education Reconciliation Act of 2010,
30 Public Law No. 111-152 (collectively
31 "Affordable Care Act") and any subsequent
32 amendments thereto or regulations promulgated
33 thereunder; (2) reductions shall be
34 made in a manner that complies with the
35 state medicaid plan approved by the federal
36 centers for medicare and medicaid
37 services, provided, however, that the
38 commissioner of health is authorized to
39 submit any state plan amendment or seek
40 other federal approval, including waiver
41 authority, to implement the provisions of
42 the medicaid savings allocation adjustment
43 that meets the other criteria set forth
44 herein; (3) reductions shall be made in a
45 manner that maximizes federal financial
46 participation, to the extent practicable,
47 including any federal financial participation
48 that is available or is reasonably
49 expected to become available, in the
50 discretion of the commissioner, under the
51 Affordable Care Act; (4) reductions shall
52 be made uniformly among categories of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 services and geographic regions of the
2 state, to the extent practicable, and
3 shall be made uniformly within a category
4 of service, to the extent practicable,
5 except where the commissioner determines
6 that there are sufficient grounds for
7 non-uniformity, including but not limited
8 to: the extent to which specific categories
9 of services contributed to department
10 of health medicaid state funds spending in
11 excess of the limits specified herein; the
12 need to maintain safety net services in
13 underserved communities; or the potential
14 benefits of pursuing innovative payment
15 models contemplated by the Affordable Care
16 Act, in which case such grounds shall be
17 set forth in the medicaid savings allocation
18 adjustment; and (5) reductions
19 shall be made in a manner that does not
20 unnecessarily create administrative
21 burdens to medicaid applicants and recipients
22 or providers.

23 The commissioner shall seek the input of the
24 legislature, as well as organizations
25 representing health care providers,
26 consumers, businesses, workers, health
27 insurers, and others with relevant expertise,
28 in developing such medicaid savings
29 allocation adjustment, to the extent that
30 all or part of such adjustment, in the
31 discretion of the commissioner, is likely
32 to have a material impact on the overall
33 medicaid program, particular categories of
34 service or particular geographic regions
35 of the state.

36 (a) The commissioner shall post the medicaid
37 savings allocation adjustment on the
38 department of health's website and shall
39 provide written copies of such adjustment
40 to the chairs of the senate finance and
41 the assembly ways and means committees at
42 least 30 days before the date on which
43 implementation is expected to begin.

44 (b) The commissioner may revise the medicaid
45 savings allocation adjustment subsequent
46 to the provisions of notice and prior to
47 implementation but needs to provide a new
48 notice pursuant to subparagraph (i) of
49 this paragraph only if the commissioner
50 determines, in his or her discretion, that
51 such revisions materially alter the
52 adjustment.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 Notwithstanding the provisions of paragraphs
2 (a) and (b) of this subdivision, the
3 commissioner need not seek the input
4 described in paragraph (a) of this subdivi-
5 sion or provide notice pursuant to para-
6 graph (b) of this subdivision if, in the
7 discretion of the commissioner, expedited
8 development and implementation of a medi-
9 caid savings allocation adjustment is
10 necessary due to a public health emergen-
11 cy.

12 For purposes of this section, a public
13 health emergency is defined as: (i) a
14 disaster, natural or otherwise, that
15 significantly increases the immediate need
16 for health care personnel in an area of
17 the state; (ii) an event or condition that
18 creates a widespread risk of exposure to a
19 serious communicable disease, or the
20 potential for such widespread risk of
21 exposure; or (iii) any other event or
22 condition determined by the commissioner
23 to constitute an imminent threat to public
24 health.

25 Nothing in this paragraph shall be deemed to
26 prevent all or part of such medicaid
27 savings allocation adjustment from taking
28 effect retroactively to the extent permit-
29 ted by the federal centers for medicare
30 and medicaid services.

31 In accordance with the medicaid savings
32 allocation adjustment, the commissioner of
33 the department of health shall reduce
34 department of health state funds medicaid
35 spending by the amount of the projected
36 overspending through, actions including,
37 but not limited to modifying or suspending
38 reimbursement methods, including but not
39 limited to all fees, premium levels and
40 rates of payment, notwithstanding any
41 provision of law that sets a specific
42 amount or methodology for any such
43 payments or rates of payment; modifying
44 medicaid program benefits; seeking all
45 necessary federal approvals, including,
46 but not limited to waivers, waiver amend-
47 ments; and suspending time frames for
48 notice, approval or certification of rate
49 requirements, notwithstanding any
50 provision of law, rule or regulation to
51 the contrary, including but not limited to
52 sections 2807 and 3614 of the public

3 The department of health shall prepare a
4 quarterly report that sets forth: (a)
5 known and projected department of health
6 medicaid expenditures as described in
7 subdivision (1) of this section, and
8 factors that could result in medicaid
9 disbursements for the relevant state
10 fiscal year to exceed the projected
11 department of health state funds disburse-
12 ments in the enacted budget financial plan
13 pursuant to subdivision 3 of section 23 of
14 the state finance law, including spending
15 increases or decreases due to: enrollment
16 fluctuations, rate changes, utilization
17 changes, MRT investments, and shift of
18 beneficiaries to managed care; and vari-
19 ations in offline medicaid payments; and
20 (b) the actions taken to implement any
21 medicaid savings allocation adjustment
22 implemented pursuant to subdivision (4) of
23 this section, including information
24 concerning the impact of such actions on
25 each category of service and each
26 geographic region of the state. Each such
27 quarterly report shall be provided to the
28 chairs of the senate finance and the
29 assembly ways and means committees and
30 shall be posted on the department of
31 health's website in a timely manner.

below provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases, and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan program. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as defined by the commissioner, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively

DEPARTMENT OF HEALTH

"Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 discretion of the commissioner, is likely
2 to have a material impact on the overall
3 medicaid program, particular categories of
4 service or particular geographic regions
5 of the state.

6 (a) The commissioner shall post the medicaid
7 savings allocation adjustment on the
8 department of health's website and shall
9 provide written copies of such adjustment
10 to the chairs of the senate finance and
11 the assembly ways and means committees at
12 least 30 days before the date on which
13 implementation is expected to begin.

14 (b) The commissioner may revise the medicaid
15 savings allocation adjustment subsequent
16 to the provisions of notice and prior to
17 implementation but needs to provide a new
18 notice pursuant to subparagraph (i) of
19 this paragraph only if the commissioner
20 determines, in his or her discretion, that
21 such revisions materially alter the
22 adjustment.

23 Notwithstanding the provisions of paragraphs
24 (a) and (b) of this subdivision, the
25 commissioner need not seek the input
26 described in paragraph (a) of this subdivi-
27 sion or provide notice pursuant to para-
28 graph (b) of this subdivision if, in the
29 discretion of the commissioner, expedited
30 development and implementation of a medi-
31 caid savings allocation adjustment is
32 necessary due to a public health emergen-
33 cy.

34 For purposes of this section, a public
35 health emergency is defined as: (i) a
36 disaster, natural or otherwise, that
37 significantly increases the immediate need
38 for health care personnel in an area of
39 the state; (ii) an event or condition that
40 creates a widespread risk of exposure to a
41 serious communicable disease, or the
42 potential for such widespread risk of
43 exposure; or (iii) any other event or
44 condition determined by the commissioner
45 to constitute an imminent threat to public

8 determined by the commissioner of health,
9 incurred both prior to and subsequent to

11 if the director of the budget determines

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 health state funds medicaid expenditures
2 as a result of a natural or other type of
3 disaster, including a governmental declaration of emergency.

4
5 The director of the budget, in consultation
6 with the commissioner of health, shall
7 assess on a quarterly basis known and
8 projected medicaid expenditures by category of service and by geographic region, as
9 determined by the commissioner of health,
10 incurred both prior to and subsequent to
11 such assessment for each such period, and
12 if the director of the budget determines
13 that such expenditures are expected to
14 cause medicaid spending for such period to
15 exceed the aggregate limit specified herein for such period, the state medicaid
16 director, in consultation with the director of the budget and the commissioner of
17 health, shall develop a medicaid savings
18 allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

19
20 Such medicaid savings allocation adjustment
21 shall be designed, to reduce the expenditures authorized by the appropriations
22 herein in compliance with the following
23 guidelines: (1) reductions shall be made
24 in compliance with applicable federal law,
25 including the provisions of the Patient
26 Protection and Affordable Care Act, Public
27 Law No. 111-148, and the Health Care and
28 Education Reconciliation Act of 2010,
29 Public Law No. 111-152 (collectively
30 "Affordable Care Act") and any subsequent
31 amendments thereto or regulations promulgated thereunder; (2) reductions shall be
32 made in a manner that complies with the
33 state medicaid plan approved by the federal centers for medicare and medicaid
34 services, provided, however, that the
35 commissioner of health is authorized to
36 submit any state plan amendment or seek
37 other federal approval, including waiver
38 authority, to implement the provisions of
39 the medicaid savings allocation adjustment
40 that meets the other criteria set forth
41 herein; (3) reductions shall be made in a
42 manner that maximizes federal financial
43 participation, to the extent practicable,
44 including any federal financial participation that is available or is reasonably

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 expected to become available, in the
2 discretion of the commissioner, under the
3 Affordable Care Act; (4) reductions shall
4 be made uniformly among categories of
5 services and geographic regions of the
6 state, to the extent practicable, and
7 shall be made uniformly within a category
8 of service, to the extent practicable,
9 except where the commissioner determines
10 that there are sufficient grounds for
11 non-uniformity, including but not limited
12 to: the extent to which specific categories of services contributed to department
13 of health medicaid state funds spending in
14 excess of the limits specified herein; the
15 need to maintain safety net services in
16 underserved communities; or the potential
17 benefits of pursuing innovative payment
18 models contemplated by the Affordable Care
19 Act, in which case such grounds shall be
20 set forth in the medicaid savings allocation
21 adjustment; and (5) reductions
22 shall be made in a manner that does not
23 unnecessarily create administrative
24 burdens to medicaid applicants and recipients or providers.

27 The commissioner shall seek the input of the
28 legislature, as well as organizations
29 representing health care providers,
30 consumers, businesses, workers, health
31 insurers, and others with relevant expertise, in developing such medicaid savings
32 allocation adjustment, to the extent that
33 all or part of such adjustment, in the
34 discretion of the commissioner, is likely
35 to have a material impact on the overall
36 medicaid program, particular categories of
37 service or particular geographic regions
38 of the state.

40 (a) The commissioner shall post the medicaid
41 savings allocation adjustment on the
42 department of health's website and shall
43 provide written copies of such plan to the
44 chairs of the senate finance and the
45 assembly ways and means committees at
46 least 30 days before the date on which
47 implementation is expected to begin.

48 (b) The commissioner may revise the medicaid
49 savings allocation adjustment subsequent
50 to the provisions of notice and prior to
51 implementation but needs to provide a new
52 notice pursuant to subparagraph (i) of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 this paragraph only if the commissioner
2 determines, in his or her discretion, that
3 such revisions materially alter the plan.

4 Notwithstanding the provisions of paragraphs
5 (a) and (b) of this subdivision, the
6 commissioner need not seek the input
7 described in paragraph (a) of this subdivi-
8 sion or provide notice pursuant to para-
9 graph (b) of this subdivision if, in the
10 discretion of the commissioner, expedited
11 development and implementation of a medi-
12 caid savings allocation adjustment is
13 necessary due to a public health emergen-
14 cy.

15 For purposes of this section, a public
16 health emergency is defined as: (i) a
17 disaster, natural or otherwise, that
18 significantly increases the immediate need
19 for health care personnel in an area of
20 the state; (ii) an event or condition that
21 creates a widespread risk of exposure to a
22 serious communicable disease, or the
23 potential for such widespread risk of
24 exposure; or (iii) any other event or
25 condition determined by the commissioner
26 to constitute an imminent threat to public
27 health.

28 Nothing in this paragraph shall be deemed to
29 prevent all or part of such medicaid
30 savings allocation adjustment from taking
31 effect retroactively to the extent permit-
32 ted by the federal centers for medicare
33 and medicaid services.

34 In accordance with the medicaid savings
35 allocation adjustment, the commissioner of
36 the department of health shall reduce
37 department of health state funds medicaid
38 spending by the amount of the projected
39 overspending through, actions including,
40 but not limited to modifying or suspending
41 reimbursement methods, including but not
42 limited to all fees, premium levels and
43 rates of payment, notwithstanding any
44 provision of law that sets a specific
45 amount or methodology for any such
46 payments or rates of payment; modifying
47 medicaid program benefits; seeking all
48 necessary federal approvals, including,
49 but not limited to waivers, waiver amend-
50 ments; and suspending time frames for
51 notice, approval or certification of rate
52 requirements, notwithstanding any

6 The department of health shall prepare a
7 quarterly report that sets forth: (a)
8 known and projected department of health
9 medicaid expenditures as described in
10 subdivision (1) of this section, and
11 factors that could result in medicaid
12 disbursements for the relevant state
13 fiscal year to exceed the projected
14 department of health state funds disburse-
15 ments in the enacted budget financial plan
16 pursuant to subdivision 3 of section 23 of
17 the state finance law, including spending
18 increases or decreases due to: enrollment
19 fluctuations, rate changes, utilization
20 changes, MRT investments, and shift of
21 beneficiaries to managed care; and vari-
22 ations in offline medicaid payments; and
23 (b) the actions taken to implement any
24 medicaid savings allocation adjustment
25 implemented pursuant to subdivision (4) of
26 this section, including information
27 concerning the impact of such actions on
28 each category of service and each
29 geographic region of the state. Each such
30 quarterly report shall be provided to the
31 chairs of the senate finance and the
32 assembly ways and means committees and
33 shall be posted on the department of
34 health's website in a timely manner.

 45 payments to local social services districts for medical assistance

be increased or decreased by transfer or interchange between these appropriated amounts and appropriations of the medical assistance administration program, the medical assistance program, and the office of health insurance programs. Funding authority from this account used for state administration of the medical assistance program may be transferred to state operations appropriations within the aforementioned programs at amounts agreed upon by the commissioner of health, and the New York state division of the budget.

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, subject to federal approval, department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, in the aggregate, for the period April 1, 2024 through ~~[March 31, 2025]~~ September 15 2025, shall not exceed ~~[\$31,634,010,000]~~ \$33,731,725,000 except as provided below provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases, and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan program. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 complies with the state medicaid plan approved by the federal
2 centers for medicare and medicaid services, provided, however, that
3 the commissioner of health is authorized to submit any state plan
4 amendment or seek other federal approval, including waiver authori-
5 ty, to implement the provisions of the medicaid savings allocation
6 adjustment that meets the other criteria set forth herein; (3)
7 reductions shall be made in a manner that maximizes federal finan-
8 cial participation, to the extent practicable, including any federal
9 financial participation that is available or is reasonably expected
10 to become available, in the discretion of the commissioner, under
11 the Affordable Care Act; (4) reductions shall be made uniformly
12 among categories of services and geographic regions of the state, to
13 the extent practicable, and shall be made uniformly within a catego-
14 ry of service, to the extent practicable, except where the commis-
15 sioner determines that there are sufficient grounds for non-uniform-
16 ity, including but not limited to: the extent to which specific
17 categories of services contributed to department of health medicaid
18 state funds spending in excess of the limits specified herein; the
19 need to maintain safety net services in underserved communities; or
20 the potential benefits of pursuing innovative payment models contem-
21 plated by the Affordable Care Act, in which case such grounds shall
22 be set forth in the medicaid savings allocation adjustment; and (5)
23 reductions shall be made in a manner that does not unnecessarily
24 create administrative burdens to medicaid applicants and recipients
25 or providers.

26 The commissioner shall seek the input of the legislature, as well as
27 organizations representing health care providers, consumers, busi-
28 nesses, workers, health insurers, and others with relevant exper-
29 tise, in developing such medicaid savings allocation adjustment, to
30 the extent that all or part of such adjustment, in the discretion of
31 the commissioner, is likely to have a material impact on the overall
32 medicaid program, particular categories of service or particular
33 geographic regions of the state.

34 (a) The commissioner shall post the medicaid savings allocation
35 adjustment on the department of health's website and shall provide
36 written copies of such adjustment to the chairs of the senate
37 finance and the assembly ways and means committees at least 30 days
38 before the date on which implementation is expected to begin.

39 (b) The commissioner may revise the medicaid savings allocation
40 adjustment subsequent to the provisions of notice and prior to
41 implementation but needs to provide a new notice pursuant to subpar-
42 agraph (i) of this paragraph only if the commissioner determines, in
43 his or her discretion, that such revisions materially alter the
44 adjustment.

45 Notwithstanding the provisions of paragraphs (a) and (b) of this
46 subdivision, the commissioner need not seek the input described in
47 paragraph (a) of this subdivision or provide notice pursuant to
48 paragraph (b) of this subdivision if, in the discretion of the
49 commissioner, expedited development and implementation of a medicaid
50 savings allocation adjustment is necessary due to a public health
51 emergency.

42 of the state. Each such quarterly report shall be provided to the
43 chairs of the senate finance and the assembly ways and means commit-

47 hereby amended and reappropriated to read:

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 For the medical assistance program, including administrative expenses,
2 for local social services districts, and for medical care rates for
3 authorized child care agencies.

4 Notwithstanding section 40 of the state finance law or any provision
5 of law to the contrary, subject to federal approval, department of
6 health state funds medicaid spending, excluding payments for medical
7 services provided at state facilities operated by the office of
8 mental health, the office for people with developmental disabilities
9 and the office of addiction services and supports and further
10 excluding any payments which are not appropriated within the depart-
11 ment of health, in the aggregate, for the period April 1, 2024
12 through ~~March 31, 2025~~, September 15, 2025, shall not exceed
13 ~~[\$31,634,010,000]~~ \$31,731,725,000 except as provided below provided,
14 however, such aggregate limits may be adjusted by the director of
15 the budget to account for any changes in the New York state federal
16 medical assistance percentage amount established pursuant to the
17 federal social security act, increases in provider revenues,
18 reductions in local social services district payments for medical
19 assistance administration, minimum wage increases, and beginning
20 April 1, 2012 the operational costs of the New York state medical
21 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
22 state costs or savings from the essential plan program. Such projec-
23 tions may be adjusted by the director of the budget to account for
24 increased or expedited department of health state funds medicaid
25 expenditures as a result of a natural or other type of disaster,
26 including a governmental declaration of emergency.

27 The director of the budget, in consultation with the commissioner of
28 health, shall assess on a quarterly basis known and projected medi-
29 caid expenditures by category of service and by geographic region,
30 as defined by the commissioner, incurred both prior to and subse-
31 quent to such assessment for each such period, and if the director
32 of the budget determines that such expenditures are expected to
33 cause medicaid spending for such period to exceed the aggregate
34 limit specified herein for such period, the state medicaid director,
35 in consultation with the director of the budget and the commissioner
36 of health, shall develop a medicaid savings allocation adjustment to
37 limit such spending to the aggregate limit specified herein for such
38 period.

39 Such medicaid savings allocation adjustment shall be designed, to
40 reduce the expenditures authorized by the appropriations herein in
41 compliance with the following guidelines: (1) reductions shall be
42 made in compliance with applicable federal law, including the
43 provisions of the Patient Protection and Affordable Care Act, Public
44 Law No. 111-148, and the Health Care and Education Reconciliation
45 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
46 Act") and any subsequent amendments thereto or regulations promul-
47 gated thereunder; (2) reductions shall be made in a manner that
48 complies with the state medicaid plan approved by the federal
49 centers for medicare and medicaid services, provided, however, that
50 the commissioner of health is authorized to submit any state plan
51 amendment or seek other federal approval, including waiver authori-
52 ty, to implement the provisions of the medicaid savings allocation

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 adjustment that meets the other criteria set forth herein; (3)
2 reductions shall be made in a manner that maximizes federal finan-
3 cial participation, to the extent practicable, including any federal
4 financial participation that is available or is reasonably expected
5 to become available, in the discretion of the commissioner, under
6 the Affordable Care Act; (4) reductions shall be made uniformly
7 among categories of services and geographic regions of the state, to
8 the extent practicable, and shall be made uniformly within a cate-
9 gory of service, to the extent practicable, except where the commis-
10 sioner determines that there are sufficient grounds for non-uniform-
11 ity, including but not limited to: the extent to which specific
12 categories of services contributed to department of health medicaid
13 state funds spending in excess of the limits specified herein; the
14 need to maintain safety net services in underserved communities; or
15 the potential benefits of pursuing innovative payment models contem-
16 plated by the Affordable Care Act, in which case such grounds shall
17 be set forth in the medicaid savings allocation adjustment; and (5)
18 reductions shall be made in a manner that does not unnecessarily
19 create administrative burdens to medicaid applicants and recipients
20 or providers.

21 The commissioner shall seek the input of the legislature, as well as
22 organizations representing health care providers, consumers, busi-
23 nesses, workers, health insurers, and others with relevant exper-
24 tise, in developing such medicaid savings allocation adjustment, to
25 the extent that all or part of such adjustment, in the discretion of
26 the commissioner, is likely to have a material impact on the overall
27 medicaid program, particular categories of service or particular
28 geographic regions of the state.

29 (a) The commissioner shall post the medicaid savings allocation
30 adjustment on the department of health's website and shall provide
31 written copies of such adjustment to the chairs of the senate
32 finance and the assembly ways and means committees at least 30 days
33 before the date on which implementation is expected to begin.

34 (b) The commissioner may revise the medicaid savings allocation
35 adjustment subsequent to the provisions of notice and prior to
36 implementation but needs to provide a new notice pursuant to subpar-
37 agraph (i) of this paragraph only if the commissioner determines, in
38 his or her discretion, that such revisions materially alter the
39 adjustment.

40 Notwithstanding the provisions of paragraphs (a) and (b) of this
41 subdivision, the commissioner need not seek the input described in
42 paragraph (a) of this subdivision or provide notice pursuant to
43 paragraph (b) of this subdivision if, in the discretion of the
44 commissioner, expedited development and implementation of a medicaid
45 savings allocation adjustment is necessary due to a public health
46 emergency.

47 For purposes of this section, a public health emergency is defined as:

48 (i) a disaster, natural or otherwise, that significantly increases
49 the immediate need for health care personnel in an area of the
50 state; (ii) an event or condition that creates a widespread risk of
51 exposure to a serious communicable disease, or the potential for
52 such widespread risk of exposure; or (iii) any other event or condi-

tion determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying or discontinuing medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

The money hereby appropriated is to be available for payment of aid heretofore accrued or hereafter accrued to municipalities, and to providers of medical services pursuant to section 367-b of the social services law, and for payment of state aid to municipalities and to providers of family care where payment systems through the fiscal intermediaries are not operational.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 The director of the budget, in consultation with the commissioner of
2 health, shall assess on a quarterly basis known and projected medi-
3 caid expenditures by category of service and by geographic region,
4 as determined by the commissioner of health, incurred both prior to
5 and subsequent to such assessment for each such period, and if the
6 director of the budget determines that such expenditures are
7 expected to cause medicaid spending for such period to exceed the
8 aggregate limit specified herein for such period, the state medicaid
9 director, in consultation with the director of the budget and the
10 commissioner of health, shall develop a medicaid savings allocation
11 adjustment to limit such spending to the aggregate limit specified
12 herein for such period.

13 Such medicaid savings allocation adjustment shall be designed, to
14 reduce the expenditures authorized by the appropriations herein in
15 compliance with the following guidelines: (1) reductions shall be
16 made in compliance with applicable federal law, including the
17 provisions of the Patient Protection and Affordable Care Act, Public
18 Law No. 111-148, and the Health Care and Education Reconciliation
19 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
20 Act") and any subsequent amendments thereto or regulations promul-
21 gated thereunder; (2) reductions shall be made in a manner that
22 complies with the state medicaid plan approved by the federal
23 centers for medicare and medicaid services, provided, however, that
24 the commissioner of health is authorized to submit any state plan
25 amendment or seek other federal approval, including waiver authori-
26 ty, to implement the provisions of the medicaid savings allocation
27 adjustment that meets the other criteria set forth herein; (3)
28 reductions shall be made in a manner that maximizes federal finan-
29 cial participation, to the extent practicable, including any federal
30 financial participation that is available or is reasonably expected
31 to become available, in the discretion of the commissioner, under
32 the Affordable Care Act; (4) reductions shall be made uniformly
33 among categories of services and geographic regions of the state, to
34 the extent practicable, and shall be made uniformly within a cate-
35 gory of service, to the extent practicable, except where the commis-
36 sioner determines that there are sufficient grounds for non-uniform-
37 ity, including but not limited to: the extent to which specific
38 categories of services contributed to department of health medicaid
39 state funds spending in excess of the limits specified herein; the
40 need to maintain safety net services in underserved communities; or
41 the potential benefits of pursuing innovative payment models contem-
42 plated by the Affordable Care Act, in which case such grounds shall
43 be set forth in the medicaid savings allocation adjustment; and (5)
44 reductions shall be made in a manner that does not unnecessarily
45 create administrative burdens to medicaid applicants and recipients
46 or providers.

47 The commissioner shall seek the input of the legislature, as well as
48 organizations representing health care providers, consumers, busi-
49 nesses, workers, health insurers, and others with relevant exper-
50 tise, in developing such medicaid savings allocation adjustment, to
51 the extent that all or part of such adjustment, in the discretion of
52 the commissioner, is likely to have a material impact on the overall

1 medicaid program, particular categories of service or particular
2 geographic regions of the state.

3 (a) The commissioner shall post the medicaid savings allocation
4 adjustment on the department of health's website and shall provide
5 written copies of such plan to the chairs of the senate finance and
6 the assembly ways and means committees at least 30 days before the
7 date on which implementation is expected to begin.

8 (b) The commissioner may revise the medicaid savings allocation
9 adjustment subsequent to the provisions of notice and prior to
10 implementation but needs to provide a new notice pursuant to subpar-
11 agraph (i) of this paragraph only if the commissioner determines, in
12 his or her discretion, that such revisions materially alter the
13 plan.

14 Notwithstanding the provisions of paragraphs (a) and (b) of this
15 subdivision, the commissioner need not seek the input described in
16 paragraph (a) of this subdivision or provide notice pursuant to
17 paragraph (b) of this subdivision if, in the discretion of the
18 commissioner, expedited development and implementation of a medicaid
19 savings allocation adjustment is necessary due to a public health
20 emergency.

21 For purposes of this section, a public health emergency is defined as:

22 (i) a disaster, natural or otherwise, that significantly increases
23 the immediate need for health care personnel in an area of the
24 state; (ii) an event or condition that creates a widespread risk of
25 exposure to a serious communicable disease, or the potential for
26 such widespread risk of exposure; or (iii) any other event or condi-
27 tion determined by the commissioner to constitute an imminent threat
28 to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of
30 such medicaid savings allocation adjustment from taking effect
31 retroactively to the extent permitted by the federal centers for
32 medicare and medicaid services.

33 In accordance with the medicaid savings allocation adjustment, the
34 commissioner of the department of health shall reduce department of
35 health state funds medicaid spending by the amount of the projected
36 overspending through, actions including, but not limited to modify-

41 benefits; seeking all necessary federal approvals, including, but
42 not limited to waivers, waiver amendments; and suspending time

2 April 1, 2012 the operational costs of the New York state medical
3 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
4 state costs or savings from the essential plan. Such projections may
5 be adjusted by the director of the budget to account for increased
6 or expedited department of health state funds medicaid expenditures
7 as a result of a natural or other type of disaster, including a
8 governmental declaration of emergency.

9 The director of the budget, in consultation with the commissioner of
10 health, shall assess on a quarterly basis known and projected medi-
11 caid expenditures by category of service and by geographic region,
12 as determined by the commissioner of health, incurred both prior to

14 director of the budget determines that such expenditures are
15 expected to cause medicaid spending for such period to exceed the
16 aggregate limit specified herein for such period, the state medicaid
17 director, in consultation with the director of the budget and the
18 commissioner of health, shall develop a medicaid savings allocation
19 adjustment to limit such spending to the aggregate limit specified

30 complies with the state medicaid plan approved by the federal
31 centers for medicare and medicaid services, provided, however, that
32 the commissioner of health is authorized to submit any state plan
33 amendment or seek other federal approval, including waiver authori-

35 adjustment that meets the other criteria set forth herein; (3)
36 reductions shall be made in a manner that maximizes federal finan-

38 financial participation that is available or is reasonably expected
39 to become available, in the discretion of the commissioner, under
40 the Affordable Care Act; (4) reductions shall be made uniformly
41 among categories of services and geographic regions of the state, to
42 the extent practicable, and shall be made uniformly within a catego-
43 ry of service, to the extent practicable, except where the commis-
44 sioner determines that there are sufficient grounds for non-uniform-
45 ity, including but not limited to: the extent to which specific
46 categories of services contributed to department of health medicaid
47 state funds spending in excess of the limits specified herein; the
48 need to maintain safety net services in underserved communities; or
49 the potential benefits of pursuing innovative payment models contem-

3 The commissioner shall seek the input of the legislature, as well as
4 organizations representing health care providers, consumers, busi-

17 adjustment subsequent to the provisions of notice and prior to
18 implementation but needs to provide a new notice pursuant to subpar-

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to

28 emergency.

29 For purposes of this section, a public health emergency is defined as:

30 (i) a disaster, natural or otherwise, that significantly increases

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation adjustment from taking effect
39 retroactively to the extent permitted by the federal centers for
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the
42 commissioner of the department of health shall reduce department of

Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.
