11 bility for all title IV-E eligible chil-
12 dren within the required time frames;
13 claim title IV-E funding only for cases
14 that meet all of the title IV-E eligibil-
15 ity criteria; and fully implement the
16 social services payment system on or
17 before April 1, 2005 for all direct and
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the
20 office of children and family services
21 shall impose on social services districts
22 any federal disallowance issued against
23 the state as a result of a federal title
24 IV-E secondary eligibility review regard-
25 less of the date the children may have
26 entered foster care, the date the eligi-
27 bility or payment errors occurred, or the
28 filing date of any federal claims for
29 reimbursement; provided, however, that the
30 state shall be responsible for the disal-
31 lowed costs and expenditures related to
32 the placement of children in a facility
33 operated by the office of children and
34 family services, which shall be determined
35 in the same manner as the disallowed costs
36 and expenditures for social services
37 districts other than the city of New York.
38 In order to reimburse the federal govern-
39 ment for the full amount of any disallow-
40 ance imposed on the state by the federal
41 administration for children and families
42 within the timeframes necessary to avoid
43 any potential interest payments on such
44 amount, the office of children and family
45 services is authorized to immediately
46 offset funds otherwise due to each
47 district for a pro rata share of the total
48 disallowed costs based on the percentage
49 of applicable federal title IV-E claims
50 made by that district for the relevant
51 time period as compared to the total

1 applicable statewide title IV-E claims.
2 The amount of the offset against each
3 district will be adjusted, if necessary,
4 upon completion of the disallowance allo-
5 cation process. The final allocation of
6 the amount of any federal disallowance
7 resulting from a title IV-E secondary
8 eligibility review shall be allocated
9 among the districts so that each district
10 shall be responsible for the amount
11 attributable to each of the district's
12 children or cases that are determined by
13 the federal review to be unallowable. Each
14 district shall also be responsible for a
15 portion of the federal extrapolated disal-
16 lowance amount based on the relative error
17 rate for the district. The city of New
18 York's error rate will be based on the
19 federal sample and federal statistics. For
20 all social services districts other than
21 the city of New York, the error rate will
22 be based on a review conducted by the
23 district of a sample of children and/or
24 cases determined by the office of children
25 and family services and a re-review of a
26 sub-sample by the office of those children
27 and/or cases determined by the office. The
28 office of children and family services
29 will determine what is reasonable in
30 establishing the size of the sample and
31 sub-sample for each district. The office
32 of children and family services shall
33 notify each social services district of
34 the sample of children and/or cases from
35 the federal audit period that the social
36 services district must review. Any child
37 or case from the social services district
38 that was included in the federal sample
39 will automatically be included in the
40 social services district's review sample
41 and the determination made at the federal
42 review regarding that child or case will
43 govern for the purposes of the social
44 services district's review. The social
45 services district must complete and submit
46 the results of its review to the office of
47 children and family services within 60
48 days of receipt of the sample. The error
49 rate for the district will be based on the
50 findings of the district's review and the
51 office of children and family services'

1 re-review. If a social services district
2 does not complete its review within 60
3 days of receiving the sample from the
4 office of children and family services,
5 the office of children and family services
6 shall assign an error rate to the social
7 services district based on the relative
8 percentage of the district's applicable
9 title IV-E claims for the relevant period
10 as compared to applicable statewide title
11 IV-E claims for that period and other
12 circumstances that the office of children
13 and family services may consider in order
14 to allocate 100 percent of the federal
15 disallowance. The office of children and
16 family services shall apply each social
17 services district's error rate to the
18 total amount of the district's applicable
19 title IV-E claims including associated
20 administrative expenses. The resulting
21 dollar amounts for all of the social
22 services districts will be summed to
23 derive the total amount of title IV-E
24 claims deemed to be in error statewide. To
25 establish a disallowance percentage for
26 each social services district, the amount
27 of the district's title IV-E claims deemed
28 to be in error will be divided by the
29 amount of statewide title IV-E claims
30 deemed to be in error. The resulting
31 disallowance percentage for each district
32 will be applied to the entire title IV-E
33 extrapolated disallowance calculated by
34 the federal review to determine the amount
35 of the extrapolated disallowance for which
36 the district is responsible. Each district
37 will be credited for the amount already
38 disallowed for any individual children or
39 cases found to be in error during the
40 federal review. The exclusive appeal
41 rights for the review of the amount of the
42 federal disallowance assigned to each
43 social services district shall be pursuant
44 to article 78 of the civil practice law
45 and rules; provided, however, that in any
46 such action all of the social services
47 districts shall be joined as necessary
48 parties and the venue of any such action

Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law including, but not limited to, any chapter of the laws of 2024 which enacts a cost of living adjustment for the state fiscal year beginning on April 1, 2024, the commissioner shall continue to apply any cost of living adjustment increase in effect on March 31, 2024 for the entire rate year that began when such cost of living adjustment increase was in effect. Notwithstanding any inconsistent provision of law, the commissioner shall apply a 2.84 percent cost of living adjustment for the rate year that begins on July 1, 2024 for the purposes of establishing rates of payments, contracts, or any other form of reimbursement, provided that this shall not prevent the commissioner from applying additional trend or staff retention factors for this program.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2024 through March 31, 2025 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2023 that are submitted on or before January 2, 2024 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal

1 reimbursement during that state fiscal year may not be claimed
2 against that district's block grant apportionment for the next state
3 fiscal year.

4 The office of children and family services, with the approval of the
5 director of the budget, may reduce a district's block grant allo-
6 cation by the state share decrease related to federal retroactive
7 reimbursement for such foster care services identified herein. The
8 office, with the approval of the director of the budget, may reduce
9 a district's block grant allocation by the state share of disallow-
10 ances or sanctions taken against the district pursuant to the social
11 services law or federal law.

12 Notwithstanding any other provision of law, the state shall not be
13 responsible for reimbursing a social services district and a
14 district shall not seek state reimbursement for any portion of any
15 state disallowance or sanction taken against the social services
16 district, or any federal disallowance attributable to final federal
17 agency decisions or to settlement made, on or after July 1, 1995,
18 when such disallowance or sanction results from the failure of the
19 social services district to comply with federal or state require-
20 ments, including, but not limited to, failure to document eligibil-
21 ity for federal or state funds in the case record; provided, howev-
22 er, if the office determines that any federal disallowance for
23 services provided between January 1, 1999 and May 31, 1999 results
24 solely from the late enactment of the state legislation implementing
25 the federal adoption and safe families act, the state shall be sole-
26 ly responsible for the full amount of the disallowance or sanction;
27 provided, further, however, this provision shall be deemed to apply
28 both prospectively and retroactively regardless of whether such
29 sanctions or disallowances are for services provided or claims made
30 prior to or after April 1, 2024.

31 Notwithstanding any other provision of law, any federal disallowance
32 resulting from a federal title IV-E eligibility review or audit that
33 uses extrapolated statistic techniques shall be passed along by the
34 state to any and all social services districts that the office of
35 children and family services has determined have not complied with
36 the title IV-E eligibility requirements or have not taken the neces-
37 sary actions to ensure compliance with such requirements including,

39 criteria and have readily available all the necessary documents to
40 establish and continue title IV-E eligibility for all title IV-E

43 criteria; and fully implement the social services payment system on

46 Notwithstanding any law to the contrary, the office of children and
47 family services shall impose on social services districts any feder-
48 al disallowance issued against the state as a result of a federal

1 for reimbursement; provided, however, that the state shall be
2 responsible for the disallowed costs and expenditures related to the
3 placement of children in a facility operated by the office of chil-
4 dren and family services, which shall be determined in the same
5 manner as the disallowed costs and expenditures for social services
6 districts other than the city of New York. In order to reimburse the
7 federal government for the full amount of any disallowance imposed
8 on the state by the federal administration for children and families
9 within the timeframes necessary to avoid any potential interest
10 payments on such amount, the office of children and family services
11 is authorized to immediately offset funds otherwise due to each
12 district for a pro rata share of the total disallowed costs based on
13 the percentage of applicable federal title IV-E claims made by that
14 district for the relevant time period as compared to the total
15 applicable statewide title IV-E claims. The amount of the offset
16 against each district will be adjusted, if necessary, upon
17 completion of the disallowance allocation process. The final allo-
18 cation of the amount of any federal disallowance resulting from a
19 title IV-E secondary eligibility review shall be allocated among the
20 districts so that each district shall be responsible for the amount
21 attributable to each of the district's children or cases that are
22 determined by the federal review to be unallowable. Each district
23 shall also be responsible for a portion of the federal extrapolated
24 disallowance amount based on the relative error rate for the
25 district. The city of New York's error rate will be based on the
26 federal sample and federal statistics. For all social services
27 districts other than the city of New York, the error rate will be
28 based on a review conducted by the district of a sample of children
29 and/or cases determined by the office of children and family
30 services and a re-review of a sub-sample by the office of those
31 children and/or cases determined by the office. The office of chil-
32 dren and family services will determine what is reasonable in estab-
33 lishing the size of the sample and sub-sample for each district. The
34 office of children and family services shall notify each social
35 services district of the sample of children and/or cases from the
36 federal audit period that the social services district must review.
37 Any child or case from the social services district that was
38 included in the federal sample will automatically be included in the
39 social services district's review sample and the determination made
40 at the federal review regarding that child or case will govern for
41 the purposes of the social services district's review. The social
42 services district must complete and submit the results of its review
43 to the office of children and family services within 60 days of
44 receipt of the sample. The error rate for the district will be based
45 on the findings of the district's review and the office of children
46 and family services' re-review. If a social services district does
47 not complete its review within 60 days of receiving the sample from
48 the office of children and family services, the office of children
49 and family services shall assign an error rate to the social
50 services district based on the relative percentage of the district's
51 applicable title IV-E claims for the relevant period as compared to

1 applicable statewide title IV-E claims for that period and other
2 circumstances that the office of children and family services may
3 consider in order to allocate 100 percent of the federal disallow-
4 ance. The office of children and family services shall apply each
5 social services district's error rate to the total amount of the
6 district's applicable title IV-E claims including associated admin-
7 istrative expenses. The resulting dollar amounts for all of the
8 social services districts will be summed to derive the total amount
9 of title IV-E claims deemed to be in error statewide. To establish a
10 disallowance percentage for each social services district, the
11 amount of the district's title IV-E claims deemed to be in error
12 will be divided by the amount of statewide title IV-E claims deemed
13 to be in error. The resulting disallowance percentage for each
14 district will be applied to the entire title IV-E extrapolated
15 disallowance calculated by the federal review to determine the
16 amount of the extrapolated disallowance for which the district is
17 responsible. Each district will be credited for the amount already
18 disallowed for any individual children or cases found to be in error
19 during the federal review. The exclusive appeal rights for the
20 review of the amount of the federal disallowance assigned to each
21 social services district shall be pursuant to article 78 of the
22 civil practice law and rules; provided, however, that in any such
23 action all of the social services districts shall be joined as
24 necessary parties and the venue of any such action shall be in Rens-
25 selaer county. Any social services district that fails to complete
26 its sample review in the required time frames shall have no right to
27 appeal and shall not be a necessary party to any action brought by
28 another social services district.

The office of children and family services shall not reimburse any claims for expenditures for residential services unless they are submitted in final within twenty two months of the calendar quarter in which the claimed service or services were delivered and shall not reimburse any claims that were or will be transferred from this appropriation to the foster care block grant appropriation or the child welfare services appropriation (13927)

Within the amounts appropriated herein, state reimbursement shall be limited to the amount of such municipality's distribution. 4 tor of the budget and the commissioner of
5 health, shall develop a medicaid savings
6 allocation adjustment to limit such spend-

9 Such medicaid savings allocation adjustment
10 shall be designed, to reduce the expendi-
11 tures authorized by the appropriations
12 herein in compliance with the following
13 guidelines: (1) reductions shall be made
14 in compliance with applicable federal law,
15 including the provisions of the Patient
16 Protection and Affordable Care Act, Public
17 Law No. 111-148, and the Health Care and
18 Education Reconciliation Act of 2010,
19 Public Law No. 111-152 (collectively
20 "Affordable Care Act") and any subsequent
21 amendments thereto or regulations promul-
22 gated thereunder; (2) reductions shall be
23 made in a manner that complies with the
24 state medicaid plan approved by the feder-
25 al centers for medicare and medicaid
26 services, provided, however, that the
27 commissioner of health is authorized to
28 submit any state plan amendment or seek
29 other federal approval, including waiver
30 authority, to implement the provisions of
31 the medicaid savings allocation adjustment
32 that meets the other criteria set forth
33 herein; (3) reductions shall be made in a
34 manner that maximizes federal financial
35 participation, to the extent practicable,
36 including any federal financial partic-
37 ipation that is available or is reasonably
38 expected to become available, in the
39 discretion of the commissioner, under the
40 Affordable Care Act; (4) reductions shall
41 be made uniformly among categories of
42 services and geographic regions of the
43 state, to the extent practicable, and
44 shall be made uniformly within a category
45 of service, to the extent practicable,
46 except where the commissioner determines
47 that there are sufficient grounds for
48 non-uniformity, including but not limited
49 to: the extent to which specific catego-
50 ries of services contributed to department
51 of health medicaid state funds spending in
52 excess of the limits specified herein; the

1 need to maintain safety net services in
2 underserved communities; or the potential
3 benefits of pursuing innovative payment
4 models contemplated by the Affordable Care
5 Act, in which case such grounds shall be
6 set forth in the medicaid savings allo-
7 cation adjustment; and (5) reductions
8 shall be made in a manner that does not
9 unnecessarily create administrative
10 burdens to medicaid applicants and recipi-
11 ents or providers.

12 The commissioner shall seek the input of the
13 legislature, as well as organizations
14 representing health care providers,
15 consumers, businesses, workers, health
16 insurers, and others with relevant exper-
17 tise, in developing such medicaid savings
18 allocation adjustment, to the extent that
19 all or part of such adjustment, in the
20 discretion of the commissioner, is likely
21 to have a material impact on the overall
22 medicaid program, particular categories of
23 service or particular geographic regions
24 of the state.

25 (a) The commissioner shall post the medicaid
26 savings allocation adjustment on the
27 department of health's website and shall
28 provide written copies of such adjustment
29 to the chairs of the senate finance and
30 the assembly ways and means committees at
31 least 30 days before the date on which
32 implementation is expected to begin.

33 (b) The commissioner may revise the medicaid
34 savings allocation adjustment subsequent
35 to the provisions of notice and prior to
36 implementation but needs to provide a new
37 notice pursuant to subparagraph (i) of
38 this paragraph only if the commissioner
39 determines, in his or her discretion, that
40 such revisions materially alter the
41 adjustment.

42 Notwithstanding the provisions of paragraphs
43 (a) and (b) of this subdivision, the
44 commissioner need not seek the input
45 described in paragraph (a) of this subdi-
46 vision or provide notice pursuant to para-
47 graph (b) of this subdivision if, in the
48 discretion of the commissioner, expedited
49 development and implementation of a medi-
50 caid savings allocation adjustment is
51 necessary due to a public health emergen-
52 cy.

13 with the commissioner of health, shall
14 assess on a quarterly basis known and
15 projected medicaid expenditures by catego-
16 ry of service and by geographic region, as
17 defined by the commissioner, incurred both
18 prior to and subsequent to such assessment
19 for each such period, and if the director
20 of the budget determines that such expend-
21 itures are expected to cause medicaid
22 spending for such period to exceed the
23 aggregate limit specified herein for such
24 period, the state medicaid director, in
25 consultation with the director of the
26 budget and the commissioner of health,
27 shall develop a medicaid savings allo-
28 cation adjustment to limit such spending
29 to the aggregate limit specified herein
30 for such period.

31 Such medicaid savings allocation adjustment
32 shall be designed, to reduce the expendi-
33 tures authorized by the appropriations
34 herein in compliance with the following
35 guidelines: (1) reductions shall be made
36 in compliance with applicable federal law,
37 including the provisions of the Patient
38 Protection and Affordable Care Act, Public
39 Law No. 111-148, and the Health Care and
40 Education Reconciliation Act of 2010,
41 Public Law No. 111-152 (collectively
42 "Affordable Care Act") and any subsequent
43 amendments thereto or regulations promul-
44 gated thereunder; (2) reductions shall be
45 made in a manner that complies with the
46 state medicaid plan approved by the feder-
47 al centers for medicare and medicaid
48 services, provided, however, that the
49 commissioner of health is authorized to
50 submit any state plan amendment or seek
51 other federal approval, including waiver
52 authority, to implement the provisions of

DEPARTMENT OF HEALTH

1 the medicaid savings allocation adjustment
2 that meets the other criteria set forth
3 herein; (3) reductions shall be made in a
4 manner that maximizes federal financial
5 participation, to the extent practicable,
6 including any federal financial partic-
7 ipation that is available or is reasonably
8 expected to become available, in the
9 discretion of the commissioner, under the
10 Affordable Care Act; (4) reductions shall
11 be made uniformly among categories of
12 services and geographic regions of the
13 state, to the extent practicable, and
14 shall be made uniformly within a category
15 of service, to the extent practicable,
16 except where the commissioner determines
17 that there are sufficient grounds for
18 non-uniformity, including but not limited
19 to: the extent to which specific catego-
20 ries of services contributed to department
21 of health medicaid state funds spending in
22 excess of the limits specified herein; the
23 need to maintain safety net services in
24 underserved communities; or the potential
25 benefits of pursuing innovative payment
26 models contemplated by the Affordable Care
27 Act, in which case such grounds shall be
28 set forth in the medicaid savings allo-
29 cation adjustment; and (5) reductions
30 shall be made in a manner that does not
31 unnecessarily create administrative
32 burdens to medicaid applicants and recipi-
33 ents or providers.

34 The commissioner shall seek the input of the
35 legislature, as well as organizations
36 representing health care providers,
37 consumers, businesses, workers, health
38 insurers, and others with relevant exper-
39 tise, in developing such medicaid savings
40 allocation adjustment, to the extent that
41 all or part of such adjustment, in the
42 discretion of the commissioner, is likely
43 to have a material impact on the overall
44 medicaid program, particular categories of
45 service or particular geographic regions
46 of the state.

47 (a) The commissioner shall post the medicaid
48 savings allocation adjustment on the
49 department of health's website and shall
50 provide written copies of such adjustment
51 to the chairs of the senate finance and
52 the assembly ways and means committees at

2 implementation is expected to begin.

3 (b) The commissioner may revise the medicaid
4 savings allocation adjustment subsequent
5 to the provisions of notice and prior to
6 implementation but needs to provide a new
7 notice pursuant to subparagraph (i) of
8 this paragraph only if the commissioner
9 determines, in his or her discretion, that
10 such revisions materially alter the
11 adjustment.

12 Notwithstanding the provisions of paragraphs
13 (a) and (b) of this subdivision, the
14 commissioner need not seek the input
15 described in paragraph (a) of this subdivi-
16 sion or provide notice pursuant to para-
17 graph (b) of this subdivision if, in the
18 discretion of the commissioner, expedited
19 development and implementation of a medi-
20 caid savings allocation adjustment is
21 necessary due to a public health emergen-
22 cy.

23 For purposes of this section, a public
24 health emergency is defined as: (i) a
25 disaster, natural or otherwise, that
26 significantly increases the immediate need
27 for health care personnel in an area of
28 the state; (ii) an event or condition that
29 creates a widespread risk of exposure to a
30 serious communicable disease, or the
31 potential for such widespread risk of
32 exposure; or (iii) any other event or
33 condition determined by the commissioner
34 to constitute an imminent threat to public
35 health.

36 Nothing in this paragraph shall be deemed to
37 prevent all or part of such medicaid
38 savings allocation adjustment from taking
39 effect retroactively to the extent permit-
40 ted by the federal centers for medicare
41 and medicaid services.

42 In accordance with the medicaid savings
43 allocation adjustment, the commissioner of
44 the department of health shall reduce
45 department of health state funds medicaid
46 spending by the amount of the projected
47 overspending through, actions including,
48 but not limited to modifying or suspending
49 reimbursement methods, including but not

6 waiver amendments; and suspending time
7 frames for notice, approval or certifi-
8 cation of rate requirements, notwith-
9 standing any provision of law, rule or
10 regulation to the contrary, including but
11 not limited to sections 2807 and 3614 of
12 the public health law, section 18 of chap-
13 ter 2 of the laws of 1988, and 18 NYCRR
14 505.14(h).

15 The department of health shall prepare a
16 quarterly report that sets forth: (a)
17 known and projected department of health
18 medicaid expenditures as described in
19 subdivision (1) of this section, and
20 factors that could result in medicaid
21 disbursements for the relevant state
22 fiscal year to exceed the projected
23 department of health state funds disburse-
24 ments in the enacted budget financial plan
25 pursuant to subdivision 3 of section 23 of
26 the state finance law, including spending
27 increases or decreases due to: enrollment
28 fluctuations, rate changes, utilization
29 changes, MRT investments, and shift of
30 beneficiaries to managed care; and vari-
31 ations in offline medicaid payments; and
32 (b) the actions taken to implement any
33 medicaid savings allocation adjustment
34 implemented pursuant to subdivision (4) of
35 this section, including information
36 concerning the impact of such actions on
37 each category of service and each
38 geographic region of the state. Each such
39 quarterly report shall be provided to the
40 chairs of the senate finance and the
41 assembly ways and means committees and
42 shall be posted on the department of
43 health's website in a timely manner.

21 the aggregate, for the period April 1,
22 2025 through March 31, 2026, shall not
23 exceed \$33,417,285,000 except as provided
24 below provided, however, such aggregate
25 limits may be adjusted by the director of
26 the budget to account for any changes in
27 the New York state federal medical assist-

44 governmental declaration of emergency.
45 The director of the budget, in consultation

47 assess on a quarterly basis known and
48 projected medicaid expenditures by catego-
49 ry of service and by geographic region, as
50 determined by the commissioner of health,

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 incurred both prior to and subsequent to
2 such assessment for each such period, and
3 if the director of the budget determines
4 that such expenditures are expected to
5 cause medicaid spending for such period to
6 exceed the aggregate limit specified here-
7 in for such period, the state medicaid
8 director, in consultation with the direc-
9 tor of the budget and the commissioner of
10 health, shall develop a medicaid savings
11 allocation adjustment to limit such spend-
12 ing to the aggregate limit specified here-
13 in for such period.

14 Such medicaid savings allocation adjustment
15 shall be designed, to reduce the expendi-
16 tures authorized by the appropriations
17 herein in compliance with the following
18 guidelines: (1) reductions shall be made
19 in compliance with applicable federal law,
20 including the provisions of the Patient
21 Protection and Affordable Care Act, Public
22 Law No. 111-148, and the Health Care and
23 Education Reconciliation Act of 2010,
24 Public Law No. 111-152 (collectively
25 "Affordable Care Act") and any subsequent
26 amendments thereto or regulations promul-
27 gated thereunder; (2) reductions shall be
28 made in a manner that complies with the
29 state medicaid plan approved by the feder-
30 al centers for medicare and medicaid
31 services, provided, however, that the
32 commissioner of health is authorized to
33 submit any state plan amendment or seek
34 other federal approval, including waiver
35 authority, to implement the provisions of
36 the medicaid savings allocation adjustment
37 that meets the other criteria set forth
38 herein; (3) reductions shall be made in a
39 manner that maximizes federal financial
40 participation, to the extent practicable,
41 including any federal financial partic-
42 ipation that is available or is reasonably
43 expected to become available, in the
44 discretion of the commissioner, under the
45 Affordable Care Act; (4) reductions shall
46 be made uniformly among categories of
47 services and geographic regions of the
48 state, to the extent practicable, and
49 shall be made uniformly within a category
50 of service, to the extent practicable,
51 except where the commissioner determines
52 that there are sufficient grounds for

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 non-uniformity, including but not limited
2 to: the extent to which specific categories of services contributed to department
3 of health medicaid state funds spending in
4 excess of the limits specified herein; the
5 need to maintain safety net services in
6 underserved communities; or the potential
7 benefits of pursuing innovative payment
8 models contemplated by the Affordable Care
9 Act, in which case such grounds shall be
10 set forth in the medicaid savings allocation
11 adjustment; and (5) reductions
12 shall be made in a manner that does not
13 unnecessarily create administrative
14 burdens to medicaid applicants and recipients or providers.

16
17 The commissioner shall seek the input of the
18 legislature, as well as organizations
19 representing health care providers,
20 consumers, businesses, workers, health
21 insurers, and others with relevant expertise, in developing such medicaid savings
22 allocation adjustment, to the extent that
23 all or part of such adjustment, in the
24 discretion of the commissioner, is likely
25 to have a material impact on the overall
26 medicaid program, particular categories of
27 service or particular geographic regions
28 of the state.
29

30 (a) The commissioner shall post the medicaid
31 savings allocation adjustment on the

33 provide written copies of such plan to the
34 chairs of the senate finance and the
35 assembly ways and means committees at
36 least 30 days before the date on which
37 implementation is expected to begin.

38 (b) The commissioner may revise the medicaid
39 savings allocation adjustment subsequent
40 to the provisions of notice and prior to
41 implementation but needs to provide a new
42 notice pursuant to subparagraph (i) of
43 this paragraph only if the commissioner
44 determines, in his or her discretion, that
45 such revisions materially alter the plan.

46 Notwithstanding the provisions of paragraphs
47 (a) and (b) of this subdivision, the

15 implemented pursuant to subdivision (4) of
16 this section, including information
17 concerning the impact of such actions on
18 each category of service and each
19 geographic region of the state. Each such
20 quarterly report shall be provided to the
21 chairs of the senate finance and the
22 assembly ways and means committees and
23 shall be posted on the department of
24 health's website in a timely manner.

27 January first of the distribution year, as
28 summed and adjusted by a statewide cost

23 The director of the budget, in consultation

6 below provided, however, such aggregate
7 limits may be adjusted by the director of
8 the budget to account for any changes in
9 the New York state federal medical assist-

21 the director of the budget to account for
22 increased or expedited department of

24 as a result of a natural or other type of
25 disaster, including a governmental decla-

27 The director of the budget, in consultation
28 with the commissioner of health, shall
29 assess on a quarterly basis known and
30 projected medicaid expenditures by cate-
31 gory of service and by geographic region, as
32 determined by the commissioner of health,
33 incurred both prior to and subsequent to
34 such assessment for each such period, and
35 if the director of the budget determines
36 that such expenditures are expected to
37 cause medicaid spending for such period to
38 exceed the aggregate limit specified here-
39 in for such period, the state medicaid
40 director, in consultation with the direc-
41 tor of the budget and the commissioner of

46 Such medicaid savings allocation adjustment
47 shall be designed, to reduce the expendi-

49 herein in compliance with the following
50 guidelines: (1) reductions shall be made
51 in compliance with applicable federal law,

2 Law No. 111-148, and the Health Care and
3 Education Reconciliation Act of 2010,
4 Public Law No. 111-152 (collectively
5 "Affordable Care Act") and any subsequent
6 amendments thereto or regulations promul-
7 gated thereunder; (2) reductions shall be
8 made in a manner that complies with the
9 state medicaid plan approved by the feder-
10 al centers for medicare and medicaid
11 services, provided, however, that the
12 commissioner of health is authorized to
13 submit any state plan amendment or seek
14 other federal approval, including waiver
15 authority, to implement the provisions of
16 the medicaid savings allocation adjustment
17 that meets the other criteria set forth
18 herein; (3) reductions shall be made in a
19 manner that maximizes federal financial
20 participation, to the extent practicable,
21 including any federal financial partic-
22 ipation that is available or is reasonably
23 expected to become available, in the
24 discretion of the commissioner, under the
25 Affordable Care Act; (4) reductions shall
26 be made uniformly among categories of
27 services and geographic regions of the
28 state, to the extent practicable, and
29 shall be made uniformly within a category
30 of service, to the extent practicable,
31 except where the commissioner determines
32 that there are sufficient grounds for
33 non-uniformity, including but not limited
34 to: the extent to which specific catego-
35 ries of services contributed to department
36 of health medicaid state funds spending in
37 excess of the limits specified herein; the
38 need to maintain safety net services in
39 underserved communities; or the potential
40 benefits of pursuing innovative payment
41 models contemplated by the Affordable Care

43 set forth in the medicaid savings allo-

9 of the state.

10 (a) The commissioner shall post the medicaid
11 savings allocation adjustment on the

32 discretion of the commissioner, expedited
33 development and implementation of a medi-

35 necessary due to a public health emergen-
36 cy.

37 For purposes of this section, a public

2 hereby amended and reappropriated to read:

3 For reimbursement of local administrative expenses for medical assist-
4 ance programs and for state administration of medical assistance
5 programs, notwithstanding section 153 of the social services law, to
6 include the performance of eligibility and enrollment determinations
7 by the state or third-party entities designated by the state to
8 perform such services.

9 Notwithstanding any provision of law to the contrary, subject to the
10 approval of the director of budget, up to \$23,000,000 of the amount
11 appropriated herein shall be available for the purpose of providing
12 payments to local social services districts for medical assistance
13 administration claims that exceed an administrative ceiling estab-
14 lished by the commissioner of health.

15 Notwithstanding any inconsistent provision of law and subject to the
16 approval of the director of budget, moneys hereby appropriated may
17 be increased or decreased by transfer or interchange between these
18 appropriated amounts and appropriations of the medical assistance
19 administration program, the medical assistance program, and the
20 office of health insurance programs. Funding authority from this
21 account used for state administration of the medical assistance
22 program may be transferred to state operations appropriations within
23 the aforementioned programs at amounts agreed upon by the commis-

25 Notwithstanding section 40 of the state finance law or any provision
26 of law to the contrary, subject to federal approval, department of
27 health state funds medicaid spending, excluding payments for medical

34 [\$31,634,010,000] \$33,731,725,000 except as provided below provided,
35 however, such aggregate limits may be adjusted by the director of
36 the budget to account for any changes in the New York state federal
37 medical assistance percentage amount established pursuant to the
38 federal social security act, increases in provider revenues,
39 reductions in local social services district payments for medical
40 assistance administration, minimum wage increases, and beginning
41 April 1, 2012 the operational costs of the New York state medical
42 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
43 state costs or savings from the essential plan program. Such projec-
44 tions may be adjusted by the director of the budget to account for
45 increased or expedited department of health state funds medicaid
46 expenditures as a result of a natural or other type of disaster,
47 including a governmental declaration of emergency.

48 The director of the budget, in consultation with the commissioner of
49 health, shall assess on a quarterly basis known and projected medi-
50 caid expenditures by category of service and by geographic region,
51 as determined by the commissioner of health, incurred both prior to

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 director of the budget determines that such expenditures are
2 expected to cause medicaid spending for such period to exceed the
3 aggregate limit specified herein for such period, the state medicaid
4 director, in consultation with the director of the budget and the
5 commissioner of health, shall develop a medicaid savings allocation
6 adjustment to limit such spending to the aggregate limit specified
7 herein for such period.

8 Such medicaid savings allocation adjustment shall be designed, to
9 reduce the expenditures authorized by the appropriations herein in
10 compliance with the following guidelines: (1) reductions shall be
11 made in compliance with applicable federal law, including the
12 provisions of the Patient Protection and Affordable Care Act, Public
13 Law No. 111-148, and the Health Care and Education Reconciliation
14 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
15 Act") and any subsequent amendments thereto or regulations promul-
16 gated thereunder; (2) reductions shall be made in a manner that
17 complies with the state medicaid plan approved by the federal
18 centers for medicare and medicaid services, provided, however, that
19 the commissioner of health is authorized to submit any state plan
20 amendment or seek other federal approval, including waiver authori-
21 ty, to implement the provisions of the medicaid savings allocation
22 adjustment that meets the other criteria set forth herein; (3)
23 reductions shall be made in a manner that maximizes federal finan-
24 cial participation, to the extent practicable, including any federal
25 financial participation that is available or is reasonably expected
26 to become available, in the discretion of the commissioner, under
27 the Affordable Care Act; (4) reductions shall be made uniformly
28 among categories of services and geographic regions of the state, to
29 the extent practicable, and shall be made uniformly within a catego-
30 ry of service, to the extent practicable, except where the commis-
31 sioner determines that there are sufficient grounds for non-uniform-
32 ity, including but not limited to: the extent to which specific
33 categories of services contributed to department of health medicaid
34 state funds spending in excess of the limits specified herein; the
35 need to maintain safety net services in underserved communities; or
36 the potential benefits of pursuing innovative payment models contem-
37 plated by the Affordable Care Act, in which case such grounds shall
38 be set forth in the medicaid savings allocation adjustment; and (5)
39 reductions shall be made in a manner that does not unnecessarily
40 create administrative burdens to medicaid applicants and recipients
41 or providers.

42 The commissioner shall seek the input of the legislature, as well as
43 organizations representing health care providers, consumers, busi-
44 nesses, workers, health insurers, and others with relevant exper-
45 tise, in developing such medicaid savings allocation adjustment, to
46 the extent that all or part of such adjustment, in the discretion of
47 the commissioner, is likely to have a material impact on the overall
48 medicaid program, particular categories of service or particular
49 geographic regions of the state.

50 (a) The commissioner shall post the medicaid savings allocation
51 adjustment on the department of health's website and shall provide

2 before the date on which implementation is expected to begin.

3 (b) The commissioner may revise the medicaid savings allocation
4 adjustment subsequent to the provisions of notice and prior to
5 implementation but needs to provide a new notice pursuant to subpar-
6 agraph (i) of this paragraph only if the commissioner determines, in
7 his or her discretion, that such revisions materially alter the
8 adjustment.

9 Notwithstanding the provisions of paragraphs (a) and (b) of this
10 subdivision, the commissioner need not seek the input described in
11 paragraph (a) of this subdivision or provide notice pursuant to
12 paragraph (b) of this subdivision if, in the discretion of the
13 commissioner, expedited development and implementation of a medicaid
14 savings allocation adjustment is necessary due to a public health
15 emergency.

17 (i) a disaster, natural or otherwise, that significantly increases
18 the immediate need for health care personnel in an area of the

20 exposure to a serious communicable disease, or the potential for
21 such widespread risk of exposure; or (iii) any other event or condi-
22 tion determined by the commissioner to constitute an imminent threat
23 to public health.

24 Nothing in this paragraph shall be deemed to prevent all or part of
25 such medicaid savings allocation adjustment from taking effect
26 retroactively to the extent permitted by the federal centers for
27 medicare and medicaid services.

28 In accordance with the medicaid savings allocation adjustment, the
29 commissioner of the department of health shall reduce department of
30 health state funds medicaid spending by the amount of the projected
31 overspending through, actions including, but not limited to modify-

35 any such payments or rates of payment; modifying medicaid program
36 benefits; seeking all necessary federal approvals, including, but
37 not limited to waivers, waiver amendments; and suspending time
38 frames for notice, approval or certification of rate requirements,
39 notwithstanding any provision of law, rule or regulation to the
40 contrary, including but not limited to sections 2807 and 3614 of the
41 public health law, section 18 of chapter 2 of the laws of 1988, and
42 18 NYCRR 505.14(h).

43 The department of health shall prepare a quarterly report that sets
44 forth: (a) known and projected department of health medicaid expend-
45 itures as described in subdivision (1) of this section, and factors
46 that could result in medicaid disbursements for the relevant state
47 fiscal year to exceed the projected department of health state funds
48 disbursements in the enacted budget financial plan pursuant to
49 subdivision 3 of section 23 of the state finance law, including
50 spending increases or decreases due to: enrollment fluctuations,
51 rate changes, utilization changes, MRT investments, and shift of

13 Notwithstanding section 40 of the state finance law or any provision

22 [\$31,634,010,000] \$31,731,725,000 except as provided below provided,
23 however, such aggregate limits may be adjusted by the director of
24 the budget to account for any changes in the New York state federal
25 medical assistance percentage amount established pursuant to the
26 federal social security act, increases in provider revenues,
27 reductions in local social services district payments for medical
28 assistance administration, minimum wage increases, and beginning

32 tions may be adjusted by the director of the budget to account for
33 increased or expedited department of health state funds medicaid
34 expenditures as a result of a natural or other type of disaster,
35 including a governmental declaration of emergency.

36 The director of the budget, in consultation with the commissioner of
37 health, shall assess on a quarterly basis known and projected medi-
38 caid expenditures by category of service and by geographic region,
39 as defined by the commissioner, incurred both prior to and subse-
40 quent to such assessment for each such period, and if the director
41 of the budget determines that such expenditures are expected to
42 cause medicaid spending for such period to exceed the aggregate
43 limit specified herein for such period, the state medicaid director,
44 in consultation with the director of the budget and the commissioner
45 of health, shall develop a medicaid savings allocation adjustment to
46 limit such spending to the aggregate limit specified herein for such
47 period.

48 Such medicaid savings allocation adjustment shall be designed, to

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 compliance with the following guidelines: (1) reductions shall be
2 made in compliance with applicable federal law, including the
3 provisions of the Patient Protection and Affordable Care Act, Public
4 Law No. 111-148, and the Health Care and Education Reconciliation
5 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
6 Act") and any subsequent amendments thereto or regulations promul-
7 gated thereunder; (2) reductions shall be made in a manner that
8 complies with the state medicaid plan approved by the federal
9 centers for medicare and medicaid services, provided, however, that
10 the commissioner of health is authorized to submit any state plan
11 amendment or seek other federal approval, including waiver authori-
12 ty, to implement the provisions of the medicaid savings allocation
13 adjustment that meets the other criteria set forth herein; (3)
14 reductions shall be made in a manner that maximizes federal finan-
15 cial participation, to the extent practicable, including any federal
16 financial participation that is available or is reasonably expected
17 to become available, in the discretion of the commissioner, under
18 the Affordable Care Act; (4) reductions shall be made uniformly
19 among categories of services and geographic regions of the state, to
20 the extent practicable, and shall be made uniformly within a cate-
21 gory of service, to the extent practicable, except where the commis-
22 sioner determines that there are sufficient grounds for non-uniform-
23 ity, including but not limited to: the extent to which specific
24 categories of services contributed to department of health medicaid
25 state funds spending in excess of the limits specified herein; the
26 need to maintain safety net services in underserved communities; or
27 the potential benefits of pursuing innovative payment models contem-
28 plated by the Affordable Care Act, in which case such grounds shall
29 be set forth in the medicaid savings allocation adjustment; and (5)
30 reductions shall be made in a manner that does not unnecessarily
31 create administrative burdens to medicaid applicants and recipients
32 or providers.

33 The commissioner shall seek the input of the legislature, as well as
34 organizations representing health care providers, consumers, busi-
35 nesses, workers, health insurers, and others with relevant exper-
36 tise, in developing such medicaid savings allocation adjustment, to
37 the extent that all or part of such adjustment, in the discretion of
38 the commissioner, is likely to have a material impact on the overall
39 medicaid program, particular categories of service or particular
40 geographic regions of the state.

41 (a) The commissioner shall post the medicaid savings allocation
42 adjustment on the department of health's website and shall provide
43 written copies of such adjustment to the chairs of the senate
44 finance and the assembly ways and means committees at least 30 days
45 before the date on which implementation is expected to begin.

46 (b) The commissioner may revise the medicaid savings allocation
47 adjustment subsequent to the provisions of notice and prior to
48 implementation but needs to provide a new notice pursuant to subpar-
49 agraph (i) of this paragraph only if the commissioner determines, in
50 his or her discretion, that such revisions materially alter the
51 adjustment.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 Notwithstanding the provisions of paragraphs (a) and (b) of this
2 subdivision, the commissioner need not seek the input described in
3 paragraph (a) of this subdivision or provide notice pursuant to
4 paragraph (b) of this subdivision if, in the discretion of the
5 commissioner, expedited development and implementation of a medicaid
6 savings allocation adjustment is necessary due to a public health

13 such widespread risk of exposure; or (iii) any other event or condi-
14 tion determined by the commissioner to constitute an imminent threat
15 to public health.

16 Nothing in this paragraph shall be deemed to prevent all or part of
17 such medicaid savings allocation adjustment from taking effect
18 retroactively to the extent permitted by the federal centers for
19 medicare and medicaid services.

20 In accordance with the medicaid savings allocation adjustment, the
21 commissioner of the department of health shall reduce department of
22 health state funds medicaid spending by the amount of the projected
23 overspending through, actions including, but not limited to modify-
24 ing or suspending reimbursement methods, including but not limited
25 to all fees, premium levels and rates of payment, notwithstanding
26 any provision of law that sets a specific amount or methodology for
27 any such payments or rates of payment; modifying or discontinuing
28 medicaid program benefits; seeking all necessary federal approvals,
29 including, but not limited to waivers, waiver amendments; and
30 suspending time frames for notice, approval or certification of rate
31 requirements, notwithstanding any provision of law, rule or regu-
32 lation to the contrary, including but not limited to sections 2807
33 and 3614 of the public health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a quarterly report that sets
36 forth: (a) known and projected department of health medicaid expend-
37 itures as described in subdivision (1) of this section, and factors
38 that could result in medicaid disbursements for the relevant state
39 fiscal year to exceed the projected department of health state funds
40 disbursements in the enacted budget financial plan pursuant to
41 subdivision 3 of section 23 of the state finance law, including
42 spending increases or decreases due to: enrollment fluctuations,
43 rate changes, utilization changes, MRT investments, and shift of
44 beneficiaries to managed care; and variations in offline medicaid
45 payments; and (b) the actions taken to implement any medicaid
46 savings allocation adjustment implemented pursuant to subdivision
47 (4) of this section, including information concerning the impact of
48 such actions on each category of service and each geographic region
49 of the state. Each such quarterly report shall be provided to the
50 chairs of the senate finance and the assembly ways and means commit-
51 tees and shall be posted on the department of health's website in a
52 timely manner.

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 federal social security act, increases in provider revenues,
2 reductions in local social services district payments for medical
3 assistance administration, minimum wage increases and beginning
4 April 1, 2012 the operational costs of the New York state medical
5 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
6 state costs or savings from the essential plan program. Such projec-
7 tions may be adjusted by the director of the budget to account for
8 increased or expedited department of health state funds medicaid
9 expenditures as a result of a natural or other type of disaster,
10 including a governmental declaration of emergency.

11 The director of the budget, in consultation with the commissioner of
12 health, shall assess on a quarterly basis known and projected medi-
13 caid expenditures by category of service and by geographic region,
14 as determined by the commissioner of health, incurred both prior to
15 and subsequent to such assessment for each such period, and if the
16 director of the budget determines that such expenditures are
17 expected to cause medicaid spending for such period to exceed the
18 aggregate limit specified herein for such period, the state medicaid
19 director, in consultation with the director of the budget and the
20 commissioner of health, shall develop a medicaid savings allocation
21 adjustment to limit such spending to the aggregate limit specified
22 herein for such period.

23 Such medicaid savings allocation adjustment shall be designed, to
24 reduce the expenditures authorized by the appropriations herein in
25 compliance with the following guidelines: (1) reductions shall be
26 made in compliance with applicable federal law, including the
27 provisions of the Patient Protection and Affordable Care Act, Public
28 Law No. 111-148, and the Health Care and Education Reconciliation
29 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
30 Act") and any subsequent amendments thereto or regulations promul-
31 gated thereunder; (2) reductions shall be made in a manner that
32 complies with the state medicaid plan approved by the federal
33 centers for medicare and medicaid services, provided, however, that
34 the commissioner of health is authorized to submit any state plan
35 amendment or seek other federal approval, including waiver authori-
36 ty, to implement the provisions of the medicaid savings allocation
37 adjustment that meets the other criteria set forth herein; (3)
38 reductions shall be made in a manner that maximizes federal finan-
39 cial participation, to the extent practicable, including any federal
40 financial participation that is available or is reasonably expected
41 to become available, in the discretion of the commissioner, under
42 the Affordable Care Act; (4) reductions shall be made uniformly
43 among categories of services and geographic regions of the state, to
44 the extent practicable, and shall be made uniformly within a catego-
45 ry of service, to the extent practicable, except where the commis-
46 sioner determines that there are sufficient grounds for non-uniform-
47 ity, including but not limited to: the extent to which specific
48 categories of services contributed to department of health medicaid
49 state funds spending in excess of the limits specified herein; the
50 need to maintain safety net services in underserved communities; or
51 the potential benefits of pursuing innovative payment models contem-
52 plated by the Affordable Care Act, in which case such grounds shall

1 be set forth in the medicaid savings allocation adjustment; and (5)
2 reductions shall be made in a manner that does not unnecessarily
3 create administrative burdens to medicaid applicants and recipients
4 or providers.

5 The commissioner shall seek the input of the legislature, as well as
6 organizations representing health care providers, consumers, busi-
7 nesses, workers, health insurers, and others with relevant exper-
8 tise, in developing such medicaid savings allocation adjustment, to
9 the extent that all or part of such adjustment, in the discretion of
10 the commissioner, is likely to have a material impact on the overall
11 medicaid program, particular categories of service or particular
12 geographic regions of the state.

13 (a) The commissioner shall post the medicaid savings allocation
14 adjustment on the department of health's website and shall provide
15 written copies of such plan to the chairs of the senate finance and
16 the assembly ways and means committees at least 30 days before the
17 date on which implementation is expected to begin.

18 (b) The commissioner may revise the medicaid savings allocation
19 adjustment subsequent to the provisions of notice and prior to
20 implementation but needs to provide a new notice pursuant to subpar-
21 agraph (i) of this paragraph only if the commissioner determines, in
22 his or her discretion, that such revisions materially alter the
23 plan.

24 Notwithstanding the provisions of paragraphs (a) and (b) of this
25 subdivision, the commissioner need not seek the input described in
26 paragraph (a) of this subdivision or provide notice pursuant to
27 paragraph (b) of this subdivision if, in the discretion of the
28 commissioner, expedited development and implementation of a medicaid
29 savings allocation adjustment is necessary due to a public health
30 emergency.

31 For purposes of this section, a public health emergency is defined as:

32 (i) a disaster, natural or otherwise, that significantly increases
33 the immediate need for health care personnel in an area of the
34 state; (ii) an event or condition that creates a widespread risk of
35 exposure to a serious communicable disease, or the potential for
36 such widespread risk of exposure; or (iii) any other event or condi-
37 tion determined by the commissioner to constitute an imminent threat
38 to public health.

39 Nothing in this paragraph shall be deemed to prevent all or part of
40 such medicaid savings allocation adjustment from taking effect
41 retroactively to the extent permitted by the federal centers for
42 medicare and medicaid services.

43 In accordance with the medicaid savings allocation adjustment, the
44 commissioner of the department of health shall reduce department of
45 health state funds medicaid spending by the amount of the projected
46 overspending through, actions including, but not limited to modify-
47 ing or suspending reimbursement methods, including but not limited
48 to all fees, premium levels and rates of payment, notwithstanding
49 any provision of law that sets a specific amount or methodology for
50 any such payments or rates of payment; modifying medicaid program
51 benefits; seeking all necessary federal approvals, including, but
52 not limited to waivers, waiver amendments; and suspending time

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

For the purpose of making payments to providers of medical care pursuant to section 367-b of the social services law, and for payment of state aid to municipalities where payment systems through fiscal intermediaries are not operational, to reimburse such providers for costs attributable to the provision of care to patients eligible for medical assistance. Notwithstanding any inconsistent provision of law, the moneys hereby appropriated may be increased or decreased by interchange or transfer with any appropriation of the department of health with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

 21 fy as enhanced safety net hospitals under section 2807-k of the
 22 public health law shall not be subject to such reduction.

23 Such reduction shall be determined by a methodology to be established
 24 by the department of health which may take into account the payor
 25 mix of each non-public general hospital, including the percentage of
 26 inpatient days paid by the medical assistance program.

27 For calendar years 2024-2026, eligible general hospitals other than
 28 major public general hospitals that qualify as enhanced safety net
 29 hospitals under sections 2087-c and section 2807-k of the public
 30 health law which experience a reduction in payments pursuant to

5 state funds spending in excess of the limits specified herein; the
6 need to maintain safety net services in underserved communities; or
7 the potential benefits of pursuing innovative payment models contem-

48 such medicaid savings allocation adjustment from taking effect
49 retroactively to the extent permitted by the federal centers for
50 medicare and medicaid services.

51 In accordance with the medicaid savings allocation adjustment, the

2 federal social security act, increases in provider revenues,
3 reductions in local social services district payments for medical
4 assistance administration, minimum wage increases and beginning
5 April 1, 2012 the operational costs of the New York state medical
6 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
7 state costs or savings from the essential plan. Such projections may
8 be adjusted by the director of the budget to account for increased
9 or expedited department of health state funds medicaid expenditures
10 as a result of a natural or other type of disaster, including a
11 governmental declaration of emergency.

12 The director of the budget, in consultation with the commissioner of
13 health, shall assess on a quarterly basis known and projected medi-
14 caid expenditures by category of service and by geographic region,
15 as determined by the commissioner of health, incurred both prior to
16 and subsequent to such assessment for each such period, and if the
17 director of the budget determines that such expenditures are
18 expected to cause medicaid spending for such period to exceed the
19 aggregate limit specified herein for such period, the state medicaid
20 director, in consultation with the director of the budget and the
21 commissioner of health, shall develop a medicaid savings allocation
22 adjustment to limit such spending to the aggregate limit specified
23 herein for such period.

24 Such medicaid savings allocation adjustment shall be designed, to
25 reduce the expenditures authorized by the appropriations herein in
26 compliance with the following guidelines: (1) reductions shall be
27 made in compliance with applicable federal law, including the
28 provisions of the Patient Protection and Affordable Care Act, Public
29 Law No. 111-148, and the Health Care and Education Reconciliation
30 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
31 Act") and any subsequent amendments thereto or regulations promul-
32 gated thereunder; (2) reductions shall be made in a manner that
33 complies with the state medicaid plan approved by the federal
34 centers for medicare and medicaid services, provided, however, that
35 the commissioner of health is authorized to submit any state plan
36 amendment or seek other federal approval, including waiver authori-
37 ty, to implement the provisions of the medicaid savings allocation
38 adjustment that meets the other criteria set forth herein; (3)
39 reductions shall be made in a manner that maximizes federal finan-
40 cial participation, to the extent practicable, including any federal
41 financial participation that is available or is reasonably expected
42 to become available, in the discretion of the commissioner, under
43 the Affordable Care Act; (4) reductions shall be made uniformly
44 among categories of services and geographic regions of the state, to
45 the extent practicable, and shall be made uniformly within a catego-
46 ry of service, to the extent practicable, except where the commis-
47 sioner determines that there are sufficient grounds for non-uniform-
48 ity, including but not limited to: the extent to which specific
49 categories of services contributed to department of health medicaid
50 state funds spending in excess of the limits specified herein; the
51 need to maintain safety net services in underserved communities; or

1 plated by the Affordable Care Act, in which case such grounds shall
2 be set forth in the medicaid savings allocation adjustment; and (5)
3 reductions shall be made in a manner that does not unnecessarily
4 create administrative burdens to medicaid applicants and recipients
5 or providers.

6 The commissioner shall seek the input of the legislature, as well as
7 organizations representing health care providers, consumers, busi-
8 nesses, workers, health insurers, and others with relevant exper-
9 tise, in developing such medicaid savings allocation adjustment, to
10 the extent that all or part of such adjustment, in the discretion of
11 the commissioner, is likely to have a material impact on the overall
12 medicaid program, particular categories of service or particular
13 geographic regions of the state.

14 (a) The commissioner shall post the medicaid savings allocation
15 adjustment on the department of health's website and shall provide
16 written copies of such plan to the chairs of the senate finance and
17 the assembly ways and means committees at least 30 days before the
18 date on which implementation is expected to begin.

19 (b) The commissioner may revise the medicaid savings allocation
20 adjustment subsequent to the provisions of notice and prior to
21 implementation but needs to provide a new notice pursuant to subpar-
22 agraph (i) of this paragraph only if the commissioner determines, in
23 his or her discretion, that such revisions materially alter the
24 plan.

25 Notwithstanding the provisions of paragraphs (a) and (b) of this
26 subdivision, the commissioner need not seek the input described in
27 paragraph (a) of this subdivision or provide notice pursuant to
28 paragraph (b) of this subdivision if, in the discretion of the
29 commissioner, expedited development and implementation of a medicaid
30 savings allocation adjustment is necessary due to a public health
31 emergency.

32 For purposes of this section, a public health emergency is defined as:

33 (i) a disaster, natural or otherwise, that significantly increases
34 the immediate need for health care personnel in an area of the
35 state; (ii) an event or condition that creates a widespread risk of
36 exposure to a serious communicable disease, or the potential for
37 such widespread risk of exposure; or (iii) any other event or condi-
38 tion determined by the commissioner to constitute an imminent threat
39 to public health.

40 Nothing in this paragraph shall be deemed to prevent all or part of
41 such medicaid savings allocation adjustment from taking effect
42 retroactively to the extent permitted by the federal centers for
43 medicare and medicaid services.

44 In accordance with the medicaid savings allocation adjustment, the
45 commissioner of the department of health shall reduce department of
46 health state funds medicaid spending by the amount of the projected
47 overspending through, actions including, but not limited to modify-
48 ing or suspending reimbursement methods, including but not limited
49 to all fees, premium levels and rates of payment, notwithstanding
50 any provision of law that sets a specific amount or methodology for
51 any such payments or rates of payment; modifying medicaid program

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.
