1 and/or unexpended balances of the prior year's appropriations, are here-
2 by reappropriated from the same funds and made available for the same
3 purposes as the prior year's appropriations, unless herein amended, for
4 the fiscal year beginning April 1, 2025. Certain reappropriations in
5 this chapter are shown using abbreviated text, with three leader dots
6 (an ellipsis) followed by three spaces (...) used to indicate where
7 existing law that is being continued is not shown. However, unless a
8 change is clearly indicated by the use of brackets [] for deletions and
9 underscores for additions, the purposes, amounts, funding source and all
10 other aspects pertinent to each item of appropriation shall be as last
11 appropriated.

12 For the purpose of complying with the state finance law, the year,
13 chapter and section of the last act reappropriating a former original
14 appropriation or any part thereof is, unless otherwise indicated, chap-
15 ter 53, section 1, of the laws of 2024.

16 d) No moneys appropriated by this chapter shall be available for
17 payment until a certificate of approval has been issued by the director
18 of the budget, who shall file such certificate with the department of
19 audit and control, the chairperson of the senate finance committee and
20 the chairperson of the assembly ways and means committee.

21 e) Notwithstanding any provision contained herein or any other law to
22 the contrary, if, on a cash basis of accounting, a general fund imbal-
23 ance has or is expected to occur in fiscal year 2025-26, the budget
24 director is hereby authorized to withhold all or some of the amounts
25 appropriated herein, including amounts that are to be paid on specific
26 dates prescribed in law or regulation. Prior to withholding any amounts,
27 the director shall consider whether other means are available for accom-
28 plishing the purposes of this provision. Provided further, the director
29 shall consider the impact of any such amounts to be withheld. To the
30 extent the state is obligated to make payment to any individual or enti-
31 ty pursuant to any appropriation contained herein, such obligation shall
32 be reduced commensurate with such payments withheld by the director of
33 the budget.

34 The following types of appropriations shall be exempt from such with-
35 holds pursuant to this provision: (a) public assistance payments for
36 families and individuals and payments for eligible aged, blind and disa-
37 bled persons related to supplemental social security; (b) any reductions
38 that would violate federal law; (c) payments of debt service and related
39 expenses for which the state is constitutionally obligated to pay debt
40 service or is contractually obligated to pay debt service, subject to an
41 appropriation, including where the state has a contingent contractual
42 obligation; and (d) payments the state is obligated to make pursuant to
43 court orders or judgments.

44 For purposes of this provision, a general fund imbalance shall occur
45 if any state fiscal year 2025-26 quarterly financial plan update
46 required by subdivision 4 of section 23 of the state finance law
47 reflects, or if at any point during the final quarter of state fiscal
48 year 2025-26 the budget director projects, that estimated general fund
49 receipts and/or estimated general fund disbursements have or will vary
50 from the estimates included in the state fiscal year 2025-26 enacted
51 budget financial plan required by sections 22 and 23 of the state
52 finance law results in a cumulative budget imbalance of \$2,000,000,000
53 or more. Provided however, that such \$2,000,000,000 must be calculated
54 without considering any payments withheld in accordance with this
55 provision or any depletion of the state fiscal year 2025-26 transaction
56 risk reserve accounting mechanism.

1 "Estimated general fund receipts" shall mean general fund tax
2 receipts, after payment of debt service and miscellaneous receipts
3 estimated by the budget director to be received during state fiscal year
4 2025-26.

5 "Estimated general funds disbursements" shall mean general funds
6 disbursements, including transfers, estimated by the budget director to
7 be made during state fiscal year 2025-26.

8 No later than ten business days following the issuance of any state
9 fiscal year 2025-26 quarterly financial plan update that includes a
10 determination, and/or the date in the final quarter of the state fiscal
11 year 2025-26 upon which the budget director determines, that a general
12 fund imbalance exists, the budget director shall provide notification of
13 payments that will be withheld pursuant to this provision to the presi-
14 dent pro tempore of the senate and the speaker of the assembly.
15 Provided, however, the aggregate amount of payments withheld pursuant to
16 this provision shall at no point be in an amount greater than the deter-
17 mined cumulative general fund imbalance. Provided further however,
18 before any payments may be withheld pursuant to this provision, the
19 budget director shall first deplete the \$2,000,000,000 transaction risk
20 reserve accounting mechanism to resolve the determined general fund
21 imbalance, as practicable. Such notification will also identify any
22 other means the budget director intends to use to resolve any portion of
23 the general fund imbalance, including but not limited to the aforemen-
24 tioned depletion of the transaction risk reserve and/or any other
25 resources.

26 Following such budget director notification, the legislature shall
27 have ten business days to prepare and adopt by concurrent resolution its
28 own withhold plan which conforms with the requirements of this
29 provision, and which achieves the same aggregate of payment withholds as
30 the budget director's withhold plan. If after ten business days follow-
31 ing the budget director's notification the legislature fails to prepare
32 and adopt its own withhold plan, or if the budget director determines
33 that the withhold plan prepared and adopted by the legislature does not
34 conform with the requirements of this provision, the withholds identi-
35 fied in the budget director's withhold plan will immediately take
36 effect.

37 Notwithstanding any other provision contained herein or any other
38 provision of law to the contrary, any payments withheld pursuant to this
39 section may be paid in full or in part if a subsequent general fund
40 surplus materializes in state fiscal year 2025-26.

41 f) Notwithstanding any provision of law to the contrary, for purposes
42 of any appropriation made by this chapter which authorizes spending in
43 an amount net of refunds, rebates, reimbursements, credits, repayments,
44 and/or disallowances, "refunds" shall mean funds received to the state
45 resulting from the overpayment of monies, "rebates" shall mean funds
46 received to the state resulting from a return of a full or partial
47 amount previously paid, as for goods or services, serving as a
48 reduction, discount or rebate to the original payment amount,
49 "reimbursements" shall mean funds received to the state as repayment in
50 an equivalent amount for goods or services, including but not limited to
51 personal service costs, incurred by the state in the first instance
52 being provided to a third party for their benefit and partially or in
53 full financed by such third party, "credit" shall mean monies made
54 available to the state that reduce the amount owed to a third party,
55 including but not limited to billing errors, rebates, and prior overpay-
56 ments, "repayment" shall mean the return of monies as pay back for

1 expenses incurred, and "disallowance" shall mean monies made available
2 to the state that were not allowed or accepted officially by the
3 intended recipient, based on a determination the payment is not accepta-
4 ble and/or valid. When the office of the state comptroller receives any
5 such refunds, rebates, reimbursements, credits, repayments, and/or
6 disallowances, he or she shall credit the refunded, rebated, reimbursed,
7 credited, repaid, and disallowed amount back to the original appropri-
8 ation and reduce expenditures in the year which such credit is received
9 regardless of the timing of the initial expenditure.

10 g) Notwithstanding any provision of law to the contrary, upon enact-
11 ment of this chapter of the laws of 2025 containing the aid to locali-
12 ties budget bill for the state fiscal year 2025-2026, all appropriations
13 and reappropriations contained in chapter 53 of the laws of 2024, which
14 would otherwise lapse by operation of law on March 31, 2026 are hereby
15 repealed.

16 h) The appropriations contained in this chapter shall be available for
17 the fiscal year beginning on April 1, 2025 except as otherwise noted.

25 disallowed costs based on the percentage
26 of applicable federal title IV-E claims
27 made by that district for the relevant
28 time period as compared to the total
29 applicable statewide title IV-E claims.
30 The amount of the offset against each
31 district will be adjusted, if necessary,
32 upon completion of the disallowance allo-
33 cation process. The final allocation of
34 the amount of any federal disallowance
35 resulting from a title IV-E secondary
36 eligibility review shall be allocated
37 among the districts so that each district
38 shall be responsible for the amount
39 attributable to each of the district's
40 children or cases that are determined by
41 the federal review to be unallowable. Each
42 district shall also be responsible for a
43 portion of the federal extrapolated disal-
44 lowance amount based on the relative error
45 rate for the district. The city of New
46 York's error rate will be based on the
47 federal sample and federal statistics. For
48 all social services districts other than
49 the city of New York, the error rate will
50 be based on a review conducted by the
51 district of a sample of children and/or

1 cases determined by the office of children
2 and family services and a re-review of a
3 sub-sample by the office of those children
4 and/or cases determined by the office. The
5 office of children and family services
6 will determine what is reasonable in
7 establishing the size of the sample and
8 sub-sample for each district. The office
9 of children and family services shall
10 notify each social services district of
11 the sample of children and/or cases from
12 the federal audit period that the social
13 services district must review. Any child
14 or case from the social services district
15 that was included in the federal sample
16 will automatically be included in the
17 social services district's review sample
18 and the determination made at the federal
19 review regarding that child or case will
20 govern for the purposes of the social
21 services district's review. The social
22 services district must complete and submit
23 the results of its review to the office of
24 children and family services within 60
25 days of receipt of the sample. The error
26 rate for the district will be based on the
27 findings of the district's review and the
28 office of children and family services'
29 re-review. If a social services district
30 does not complete its review within 60
31 days of receiving the sample from the
32 office of children and family services,
33 the office of children and family services
34 shall assign an error rate to the social
35 services district based on the relative
36 percentage of the district's applicable
37 title IV-E claims for the relevant period
38 as compared to applicable statewide title
39 IV-E claims for that period and other
40 circumstances that the office of children
41 and family services may consider in order
42 to allocate 100 percent of the federal
43 disallowance. The office of children and
44 family services shall apply each social
45 services district's error rate to the
46 total amount of the district's applicable
47 title IV-E claims including associated
48 administrative expenses. The resulting
49 dollar amounts for all of the social
50 services districts will be summed to

3 each social services district, the amount
4 of the district's title IV-E claims deemed
5 to be in error will be divided by the
6 amount of statewide title IV-E claims
7 deemed to be in error. The resulting
8 disallowance percentage for each district
9 will be applied to the entire title IV-E
10 extrapolated disallowance calculated by
11 the federal review to determine the amount
12 of the extrapolated disallowance for which
13 the district is responsible. Each district
14 will be credited for the amount already
15 disallowed for any individual children or
16 cases found to be in error during the
17 federal review. The exclusive appeal
18 rights for the review of the amount of the
19 federal disallowance assigned to each

21 to article 78 of the civil practice law
22 and rules; provided, however, that in any
23 such action all of the social services
24 districts shall be joined as necessary
25 parties and the venue of any such action

9 for state reimbursement of eligible social services district expend-
10 itures for the provision and administration of foster care services
11 including care, maintenance, supervision, and tuition; for super-
12 vision of foster children placed in federally funded job corps
13 programs; for care, maintenance, supervision, and tuition for adju-
14 dicated juvenile delinquents placed in residential programs operated

16 the provision and administration of the kinship guardian assistance
17 program including kinship guardianship assistance payments and
18 payments for non-recurring guardianship expenses and eligible
19 expenditures associated with local compliance with the federal Fami-

21 reimbursement from the amount appropriated herein shall not be
22 available for tuition expenditures for foster children, including
23 persons in need of supervision and adjudicated juvenile delinquents,
24 made by a social services district located within a city having a
25 population of one million or more.

26 Notwithstanding any other provision of law, a portion of the funds are
27 available to reimburse social services districts for the change in
28 the maximum state aid rates established by the office of children
29 and family services for the 2024-25 rate year pursuant to section
30 398-a of the social services law and sections 4003 and 4405 of the

36 amount of payments made for care provided by congregate care and
37 foster boarding home programs and to foster parents to reflect the
38 cost of living adjustments in the manner specified by the office.
39 Each authorized agency operating a congregate care or foster board-
40 ing home program in New York state for which the office sets a maxi-
41 mum state aid rate pursuant to section 398-a of the social services
42 law or section 4003 or 4405 of the education law shall submit, at
43 the time and in a manner to be determined by the office, a written
44 certification, attesting that the funds received for the continua-
45 tion of the cost of living adjustment to the maximum state aid rate

1 Notwithstanding any inconsistent provision of law including, but not
2 limited to, any chapter of the laws of 2024 which enacts a cost of
3 living adjustment for the state fiscal year beginning on April 1,
4 2024, the commissioner shall continue to apply any cost of living
5 adjustment increase in effect on March 31, 2024 for the entire rate
6 year that began when such cost of living adjustment increase was in
7 effect. Notwithstanding any inconsistent provision of law, the
8 commissioner shall apply a 2.84 percent cost of living adjustment
9 for the rate year that begins on July 1, 2024 for the purposes of
10 establishing rates of payments, contracts, or any other form of
11 reimbursement, provided that this shall not prevent the commissioner
12 from applying additional trend or staff retention factors for this
13 program.

14 Within the amounts appropriated herein, state reimbursement to each
15 social services district for services identified herein that are
16 otherwise reimbursable by the state from April 1, 2024 through March
17 31, 2025 shall be limited to a district allocation, hereinafter
18 referred to as the district's block grant allocation. Notwithstand-
19 ing any other provision of law, such block grant allocation shall be
20 based, in part, on each district's claims for such costs, adjusted
21 by the applicable cost allocation methodology and net of any retro-
22 active payments for the 12 month period ending June 30, 2023 that
23 are submitted on or before January 2, 2024 and, in part, on such
24 other factors as determined by the office of children and family
25 services and approved by the director of the budget. Any portion of
26 a social services district's allocation from funds appropriated
27 herein not claimed by such district during the state fiscal year may
28 be used by such district for expenditures on preventive services
29 provided pursuant to section 409-a of the social services law, inde-
30 pendent living services and aftercare services provided pursuant to
31 regulations of the department of family assistance, claimed by such
32 district during the next state fiscal year up to the amount remain-
33 ing from the district's foster care block grant allocation, provided
34 however, that any claims for such services during the next state
35 fiscal year in excess of such amount shall be subject to 62 percent
36 state reimbursement exclusive of any federal funds made available
37 for such purposes, in accordance with directives of the department
38 of family assistance and subject to the approval of the director of
39 the budget. Any claims submitted by a social services district for
40 reimbursement for a particular state fiscal year for which the
41 social services district does not receive state or federal
42 reimbursement during that state fiscal year may not be claimed
43 against that district's block grant apportionment for the next state
44 fiscal year.

45 The office of children and family services, with the approval of the
46 director of the budget, may reduce a district's block grant allo-
47 cation by the state share decrease related to federal retroactive
48 reimbursement for such foster care services identified herein. The
49 office, with the approval of the director of the budget, may reduce

ances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2024.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest

1 payments on such amount, the office of children and family services
2 is authorized to immediately offset funds otherwise due to each
3 district for a pro rata share of the total disallowed costs based on
4 the percentage of applicable federal title IV-E claims made by that
5 district for the relevant time period as compared to the total
6 applicable statewide title IV-E claims. The amount of the offset
7 against each district will be adjusted, if necessary, upon
8 completion of the disallowance allocation process. The final allo-
9 cation of the amount of any federal disallowance resulting from a
10 title IV-E secondary eligibility review shall be allocated among the
11 districts so that each district shall be responsible for the amount
12 attributable to each of the district's children or cases that are
13 determined by the federal review to be unallowable. Each district
14 shall also be responsible for a portion of the federal extrapolated
15 disallowance amount based on the relative error rate for the
16 district. The city of New York's error rate will be based on the
17 federal sample and federal statistics. For all social services
18 districts other than the city of New York, the error rate will be
19 based on a review conducted by the district of a sample of children
20 and/or cases determined by the office of children and family
21 services and a re-review of a sub-sample by the office of those
22 children and/or cases determined by the office. The office of chil-
23 dren and family services will determine what is reasonable in estab-
24 lishing the size of the sample and sub-sample for each district. The
25 office of children and family services shall notify each social
26 services district of the sample of children and/or cases from the
27 federal audit period that the social services district must review.
28 Any child or case from the social services district that was
29 included in the federal sample will automatically be included in the
30 social services district's review sample and the determination made
31 at the federal review regarding that child or case will govern for
32 the purposes of the social services district's review. The social
33 services district must complete and submit the results of its review
34 to the office of children and family services within 60 days of
35 receipt of the sample. The error rate for the district will be based
36 on the findings of the district's review and the office of children
37 and family services' re-review. If a social services district does
38 not complete its review within 60 days of receiving the sample from
39 the office of children and family services, the office of children
40 and family services shall assign an error rate to the social
41 services district based on the relative percentage of the district's
42 applicable title IV-E claims for the relevant period as compared to
43 applicable statewide title IV-E claims for that period and other
44 circumstances that the office of children and family services may
45 consider in order to allocate 100 percent of the federal disallow-
46 ance. The office of children and family services shall apply each
47 social services district's error rate to the total amount of the
48 district's applicable title IV-E claims including associated admin-
49 istrative expenses. The resulting dollar amounts for all of the
50 social services districts will be summed to derive the total amount
51 of title IV-E claims deemed to be in error statewide. To establish a

1 disallowance percentage for each social services district, the
2 amount of the district's title IV-E claims deemed to be in error
3 will be divided by the amount of statewide title IV-E claims deemed
4 to be in error. The resulting disallowance percentage for each
5 district will be applied to the entire title IV-E extrapolated
6 disallowance calculated by the federal review to determine the
7 amount of the extrapolated disallowance for which the district is
8 responsible. Each district will be credited for the amount already
9 disallowed for any individual children or cases found to be in error
10 during the federal review. The exclusive appeal rights for the
11 review of the amount of the federal disallowance assigned to each
12 social services district shall be pursuant to article 78 of the
13 civil practice law and rules; provided, however, that in any such
14 action all of the social services districts shall be joined as
15 necessary parties and the venue of any such action shall be in Rens-
16 selaer county. Any social services district that fails to complete
17 its sample review in the required time frames shall have no right to
18 appeal and shall not be a necessary party to any action brought by
19 another social services district.

18 at local option to individuals and families regardless of immi-
19 gration status who are experiencing homelessness or are facing an
20 imminent loss of housing, including individuals and families without
21 children. Provided, however, that in social services districts with
22 a population over five million, funds allocated to such district
23 shall be used in the first instance to reimburse rental costs above
24 the maximum rent levels in place as of January 1, 2021 up to the
25 United States department of housing and urban development's fair
26 market rent level for the family homelessness and eviction
27 prevention supplement program pursuant to section 131-bb of the

30 in the event of a decrease in fair market rent the value of the
31 maximum rent levels reimbursed with funds appropriated herein shall
32 not decrease and shall be set at the maximum rent levels established
33 during the prior year, and any remaining funds for such district may

9 the aggregate, for the period April 1,
10 2025 through March 31, 2026, shall not
11 exceed \$33,417,285,000 except as provided
12 below provided, however, such aggregate
13 limits may be adjusted by the director of
14 the budget to account for any changes in
15 the New York state federal medical assist-
16 ance percentage amount established pursu-
17 ant to the federal social security act,
18 increases in provider revenues, reductions
19 in local social services district payments
20 for medical assistance administration,
21 minimum wage increases, and beginning
22 April 1, 2012 the operational costs of the
23 New York state medical indemnity fund,
24 pursuant to chapter 59 of the laws of
25 2011, and state costs or savings from the

27 may be adjusted by the director of the
28 budget to account for increased or expe-

30 medicaid expenditures as a result of a
31 natural or other type of disaster, includ-
32 ing a governmental declaration of emergen-
33 cy.

34 The director of the budget, in consultation
35 with the commissioner of health, shall
36 assess on a quarterly basis known and
37 projected medicaid expenditures by catego-
38 ry of service and by geographic region, as
39 determined by the commissioner of health,
40 incurred both prior to and subsequent to
41 such assessment for each such period, and
42 if the director of the budget determines
43 that such expenditures are expected to
44 cause medicaid spending for such period to
45 exceed the aggregate limit specified here-
46 in for such period, the state medicaid
47 director, in consultation with the direc-
48 tor of the budget and the commissioner of
49 health, shall develop a medicaid savings
50 allocation adjustment to limit such spend-
51 ing to the aggregate limit specified here-
52 in for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial
27 participation, to the extent practicable,
28 including any federal financial partic-
29 ipation that is available or is reasonably
30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care
49 Act, in which case such grounds shall be
50 set forth in the medicaid savings allo-
51 cation adjustment; and (5) reductions
52 shall be made in a manner that does not

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 unnecessarily create administrative
2 burdens to medicaid applicants and recipi-
3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-
9 tise, in developing such medicaid savings
10 allocation adjustment, to the extent that
11 all or part of such adjustment, in the
12 discretion of the commissioner, is likely
13 to have a material impact on the overall
14 medicaid program, particular categories of
15 service or particular geographic regions
16 of the state.

17 (a) The commissioner shall post the medicaid
18 savings allocation adjustment on the
19 department of health's website and shall
20 provide written copies of such adjustment
21 to the chairs of the senate finance and
22 the assembly ways and means committees at
23 least 30 days before the date on which
24 implementation is expected to begin.

25 (b) The commissioner may revise the medicaid
26 savings allocation adjustment subsequent
27 to the provisions of notice and prior to
28 implementation but needs to provide a new
29 notice pursuant to subparagraph (i) of
30 this paragraph only if the commissioner
31 determines, in his or her discretion, that
32 such revisions materially alter the
33 adjustment.

34 Notwithstanding the provisions of paragraphs
35 (a) and (b) of this subdivision, the
36 commissioner need not seek the input
37 described in paragraph (a) of this subdi-
38 vision or provide notice pursuant to para-
39 graph (b) of this subdivision if, in the
40 discretion of the commissioner, expedited
41 development and implementation of a medi-
42 caid savings allocation adjustment is
43 necessary due to a public health emergen-
44 cy.

45 For purposes of this section, a public
46 health emergency is defined as: (i) a
47 disaster, natural or otherwise, that
48 significantly increases the immediate need
49 for health care personnel in an area of
50 the state; (ii) an event or condition that
51 creates a widespread risk of exposure to a
52 serious communicable disease, or the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2025-26

1 potential for such widespread risk of
2 exposure; or (iii) any other event or
3 condition determined by the commissioner
4 to constitute an imminent threat to public
5 health.

6 Nothing in this paragraph shall be deemed to
7 prevent all or part of such medicaid
8 savings allocation adjustment from taking
9 effect retroactively to the extent permit-
10 ted by the federal centers for medicare
11 and medicaid services.

12 In accordance with the medicaid savings
13 allocation adjustment, the commissioner of
14 the department of health shall reduce
15 department of health state funds medicaid
16 spending by the amount of the projected
17 overspending through, actions including,
18 but not limited to modifying or suspending
19 reimbursement methods, including but not
20 limited to all fees, premium levels and
21 rates of payment, notwithstanding any
22 provision of law that sets a specific
23 amount or methodology for any such
24 payments or rates of payment; modifying
25 medicaid program benefits; seeking all
26 necessary federal approvals, including,
27 but not limited to waivers, waiver amend-
28 ments; and suspending time frames for
29 notice, approval or certification of rate
30 requirements, notwithstanding any
31 provision of law, rule or regulation to
32 the contrary, including but not limited to
33 sections 2807 and 3614 of the public
34 health law, section 18 of chapter 2 of the
35 laws of 1988, and 18 NYCRR 505.14(h).

36 The department of health shall prepare a
37 quarterly report that sets forth: (a)
38 known and projected department of health
39 medicaid expenditures as described in
40 subdivision (1) of this section, and
41 factors that could result in medicaid
42 disbursements for the relevant state
43 fiscal year to exceed the projected
44 department of health state funds disburse-
45 ments in the enacted budget financial plan
46 pursuant to subdivision 3 of section 23 of
47 the state finance law, including spending
48 increases or decreases due to: enrollment
49 fluctuations, rate changes, utilization
50 changes, MRT investments, and shift of
51 beneficiaries to managed care; and vari-
52 ations in offline medicaid payments; and

DEPARTMENT OF HEALTH

2 medicaid savings allocation adjustment

6 each category of service and each
7 geographic region of the state. Each such
8 quarterly report shall be provided to the
9 chairs of the senate finance and the
10 assembly ways and means committees and
11 shall be posted on the department of
12 health's website in a timely manner.

20 shall develop a medicaid savings allo-
21 cation adjustment to limit such spending
22 to the aggregate limit specified herein
23 for such period.

24 Such medicaid savings allocation adjustment
25 shall be designed, to reduce the expendi-
26 tures authorized by the appropriations
27 herein in compliance with the following
28 guidelines: (1) reductions shall be made
29 in compliance with applicable federal law,
30 including the provisions of the Patient
31 Protection and Affordable Care Act, Public
32 Law No. 111-148, and the Health Care and
33 Education Reconciliation Act of 2010,
34 Public Law No. 111-152 (collectively
35 "Affordable Care Act") and any subsequent
36 amendments thereto or regulations promul-

38 made in a manner that complies with the
39 state medicaid plan approved by the feder-
40 al centers for medicare and medicaid
41 services, provided, however, that the
42 commissioner of health is authorized to

1 expected to become available, in the
2 discretion of the commissioner, under the
3 Affordable Care Act; (4) reductions shall
4 be made uniformly among categories of
5 services and geographic regions of the
6 state, to the extent practicable, and
7 shall be made uniformly within a category
8 of service, to the extent practicable,
9 except where the commissioner determines
10 that there are sufficient grounds for
11 non-uniformity, including but not limited
12 to: the extent to which specific categories of services contributed to department
13 of health medicaid state funds spending in
14 excess of the limits specified herein; the
15 need to maintain safety net services in
16 underserved communities; or the potential
17 benefits of pursuing innovative payment
18 models contemplated by the Affordable Care
19 Act, in which case such grounds shall be
20 set forth in the medicaid savings allocation
21 adjustment; and (5) reductions
22 shall be made in a manner that does not
23 unnecessarily create administrative
24 burdens to medicaid applicants and recipients or providers.

25
26
27 The commissioner shall seek the input of the
28 legislature, as well as organizations
29 representing health care providers,
30 consumers, businesses, workers, health
31 insurers, and others with relevant expertise, in developing such medicaid savings
32 allocation adjustment, to the extent that
33 all or part of such adjustment, in the
34 discretion of the commissioner, is likely
35 to have a material impact on the overall
36 medicaid program, particular categories of
37 service or particular geographic regions
38 of the state.

39
40 (a) The commissioner shall post the medicaid
41 savings allocation adjustment on the
42 department of health's website and shall
43 provide written copies of such adjustment
44 to the chairs of the senate finance and
45 the assembly ways and means committees at
46 least 30 days before the date on which
47 implementation is expected to begin.

50 to the provisions of notice and prior to
51 implementation but needs to provide a new
52 notice pursuant to subparagraph (i) of

1 this paragraph only if the commissioner
2 determines, in his or her discretion, that
3 such revisions materially alter the
4 adjustment.

5 Notwithstanding the provisions of paragraphs
6 (a) and (b) of this subdivision, the
7 commissioner need not seek the input
8 described in paragraph (a) of this subdivi-
9 sion or provide notice pursuant to para-
10 graph (b) of this subdivision if, in the
11 discretion of the commissioner, expedited
12 development and implementation of a medi-
13 caid savings allocation adjustment is
14 necessary due to a public health emergen-
15 cy.

16 For purposes of this section, a public

22 creates a widespread risk of exposure to a
23 serious communicable disease, or the
24 potential for such widespread risk of
25 exposure; or (iii) any other event or
26 condition determined by the commissioner
27 to constitute an imminent threat to public
28 health.

29 Nothing in this paragraph shall be deemed to
30 prevent all or part of such medicaid
31 savings allocation adjustment from taking
32 effect retroactively to the extent permit-
33 ted by the federal centers for medicare
34 and medicaid services.

35 In accordance with the medicaid savings
36 allocation adjustment, the commissioner of
37 the department of health shall reduce
38 department of health state funds medicaid

46 amount or methodology for any such
47 payments or rates of payment; modifying or
48 discontinuing medicaid program benefits;
49 seeking all necessary federal approvals,
50 including, but not limited to waivers,

18 pursuant to subdivision 3 of section 23 of
19 the state finance law, including spending

2 the director of the budget to account for
3 increased or expedited department of
4 health state funds medicaid expenditures
5 as a result of a natural or other type of
6 disaster, including a governmental decla-
7 ration of emergency.

8 The director of the budget, in consultation
9 with the commissioner of health, shall
10 assess on a quarterly basis known and
11 projected medicaid expenditures by catego-
12 ry of service and by geographic region, as
13 determined by the commissioner of health,
14 incurred both prior to and subsequent to
15 such assessment for each such period, and
16 if the director of the budget determines
17 that such expenditures are expected to
18 cause medicaid spending for such period to
19 exceed the aggregate limit specified here-
20 in for such period, the state medicaid
21 director, in consultation with the direc-
22 tor of the budget and the commissioner of
23 health, shall develop a medicaid savings
24 allocation adjustment to limit such spend-
25 ing to the aggregate limit specified here-
26 in for such period.

27 Such medicaid savings allocation adjustment
28 shall be designed, to reduce the expendi-
29 tures authorized by the appropriations
30 herein in compliance with the following
31 guidelines: (1) reductions shall be made
32 in compliance with applicable federal law,
33 including the provisions of the Patient
34 Protection and Affordable Care Act, Public
35 Law No. 111-148, and the Health Care and
36 Education Reconciliation Act of 2010,
37 Public Law No. 111-152 (collectively
38 "Affordable Care Act") and any subsequent
39 amendments thereto or regulations promul-
40 gated thereunder; (2) reductions shall be
41 made in a manner that complies with the
42 state medicaid plan approved by the feder-
43 al centers for medicare and medicaid
44 services, provided, however, that the
45 commissioner of health is authorized to
46 submit any state plan amendment or seek
47 other federal approval, including waiver
48 authority, to implement the provisions of
49 the medicaid savings allocation adjustment
50 that meets the other criteria set forth
51 herein; (3) reductions shall be made in a
52 manner that maximizes federal financial

1 participation, to the extent practicable,
2 including any federal financial partic-
3 ipation that is available or is reasonably
4 expected to become available, in the
5 discretion of the commissioner, under the
6 Affordable Care Act; (4) reductions shall
7 be made uniformly among categories of
8 services and geographic regions of the
9 state, to the extent practicable, and
10 shall be made uniformly within a category
11 of service, to the extent practicable,
12 except where the commissioner determines
13 that there are sufficient grounds for
14 non-uniformity, including but not limited
15 to: the extent to which specific catego-
16 ries of services contributed to department
17 of health medicaid state funds spending in
18 excess of the limits specified herein; the
19 need to maintain safety net services in
20 underserved communities; or the potential
21 benefits of pursuing innovative payment
22 models contemplated by the Affordable Care
23 Act, in which case such grounds shall be
24 set forth in the medicaid savings allo-
25 cation adjustment; and (5) reductions
26 shall be made in a manner that does not
27 unnecessarily create administrative
28 burdens to medicaid applicants and recipi-
29 ents or providers.

30 The commissioner shall seek the input of the
31 legislature, as well as organizations
32 representing health care providers,
33 consumers, businesses, workers, health
34 insurers, and others with relevant exper-
35 tise, in developing such medicaid savings
36 allocation adjustment, to the extent that
37 all or part of such adjustment, in the
38 discretion of the commissioner, is likely
39 to have a material impact on the overall
40 medicaid program, particular categories of
41 service or particular geographic regions
42 of the state.

43 (a) The commissioner shall post the medicaid
44 savings allocation adjustment on the
45 department of health's website and shall
46 provide written copies of such plan to the
47 chairs of the senate finance and the
48 assembly ways and means committees at
49 least 30 days before the date on which
50 implementation is expected to begin.

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. 2 ment of health, in the aggregate, for the period April 1, 2024
3 through [March 31, 2025] September 15 2025, shall not exceed
4 [\$31,634,010,000] \$33,731,725,000 except as provided below provided,
5 however, such aggregate limits may be adjusted by the director of
6 the budget to account for any changes in the New York state federal
7 medical assistance percentage amount established pursuant to the
8 federal social security act, increases in provider revenues,
9 reductions in local social services district payments for medical
10 assistance administration, minimum wage increases, and beginning
11 April 1, 2012 the operational costs of the New York state medical
12 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
13 state costs or savings from the essential plan program. Such projec-
14 tions may be adjusted by the director of the budget to account for
15 increased or expedited department of health state funds medicaid
16 expenditures as a result of a natural or other type of disaster,
17 including a governmental declaration of emergency.

18 The director of the budget, in consultation with the commissioner of
19 health, shall assess on a quarterly basis known and projected medi-
20 caid expenditures by category of service and by geographic region,
21 as determined by the commissioner of health, incurred both prior to
22 and subsequent to such assessment for each such period, and if the
23 director of the budget determines that such expenditures are
24 expected to cause medicaid spending for such period to exceed the
25 aggregate limit specified herein for such period, the state medicaid
26 director, in consultation with the director of the budget and the
27 commissioner of health, shall develop a medicaid savings allocation
28 adjustment to limit such spending to the aggregate limit specified
29 herein for such period.

30 Such medicaid savings allocation adjustment shall be designed, to
31 reduce the expenditures authorized by the appropriations herein in
32 compliance with the following guidelines: (1) reductions shall be
33 made in compliance with applicable federal law, including the
34 provisions of the Patient Protection and Affordable Care Act, Public
35 Law No. 111-148, and the Health Care and Education Reconciliation
36 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
37 Act") and any subsequent amendments thereto or regulations promul-
38 gated thereunder; (2) reductions shall be made in a manner that
39 complies with the state medicaid plan approved by the federal
40 centers for medicare and medicaid services, provided, however, that
41 the commissioner of health is authorized to submit any state plan
42 amendment or seek other federal approval, including waiver authori-
43 ty, to implement the provisions of the medicaid savings allocation
44 adjustment that meets the other criteria set forth herein; (3)
45 reductions shall be made in a manner that maximizes federal finan-
46 cial participation, to the extent practicable, including any federal
47 financial participation that is available or is reasonably expected
48 to become available, in the discretion of the commissioner, under
49 the Affordable Care Act; (4) reductions shall be made uniformly
50 among categories of services and geographic regions of the state, to
51 the extent practicable, and shall be made uniformly within a catego-
52 ry of service, to the extent practicable, except where the commis-

1 sioner determines that there are sufficient grounds for non-uniform-
2 ity, including but not limited to: the extent to which specific
3 categories of services contributed to department of health medicaid
4 state funds spending in excess of the limits specified herein; the
5 need to maintain safety net services in underserved communities; or
6 the potential benefits of pursuing innovative payment models contem-
7 plated by the Affordable Care Act, in which case such grounds shall
8 be set forth in the medicaid savings allocation adjustment; and (5)
9 reductions shall be made in a manner that does not unnecessarily
10 create administrative burdens to medicaid applicants and recipients
11 or providers.

12 The commissioner shall seek the input of the legislature, as well as
13 organizations representing health care providers, consumers, busi-
14 nesses, workers, health insurers, and others with relevant exper-
15 tise, in developing such medicaid savings allocation adjustment, to
16 the extent that all or part of such adjustment, in the discretion of
17 the commissioner, is likely to have a material impact on the overall
18 medicaid program, particular categories of service or particular
19 geographic regions of the state.

20 (a) The commissioner shall post the medicaid savings allocation
21 adjustment on the department of health's website and shall provide
22 written copies of such adjustment to the chairs of the senate
23 finance and the assembly ways and means committees at least 30 days
24 before the date on which implementation is expected to begin.

25 (b) The commissioner may revise the medicaid savings allocation
26 adjustment subsequent to the provisions of notice and prior to
27 implementation but needs to provide a new notice pursuant to subpar-
28 agraph (i) of this paragraph only if the commissioner determines, in
29 his or her discretion, that such revisions materially alter the
30 adjustment.

31 Notwithstanding the provisions of paragraphs (a) and (b) of this
32 subdivision, the commissioner need not seek the input described in
33 paragraph (a) of this subdivision or provide notice pursuant to
34 paragraph (b) of this subdivision if, in the discretion of the
35 commissioner, expedited development and implementation of a medicaid
36 savings allocation adjustment is necessary due to a public health
37 emergency.

38 For purposes of this section, a public health emergency is defined as:

39 (i) a disaster, natural or otherwise, that significantly increases
40 the immediate need for health care personnel in an area of the
41 state; (ii) an event or condition that creates a widespread risk of
42 exposure to a serious communicable disease, or the potential for
43 such widespread risk of exposure; or (iii) any other event or condi-
44 tion determined by the commissioner to constitute an imminent threat
45 to public health.

46 Nothing in this paragraph shall be deemed to prevent all or part of
47 such medicaid savings allocation adjustment from taking effect
48 retroactively to the extent permitted by the federal centers for
49 medicare and medicaid services.

50 In accordance with the medicaid savings allocation adjustment, the
51 commissioner of the department of health shall reduce department of
52 health state funds medicaid spending by the amount of the projected

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

34 For the medical assistance program, including administrative expenses,
35 for local social services districts, and for medical care rates for

47 however, such aggregate limits may be adjusted by the director of
48 the budget to account for any changes in the New York state federal
49 medical assistance percentage amount established pursuant to the

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

1 federal social security act, increases in provider revenues,
2 reductions in local social services district payments for medical
3 assistance administration, minimum wage increases, and beginning
4 April 1, 2012 the operational costs of the New York state medical
5 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
6 state costs or savings from the essential plan program. Such projec-
7 tions may be adjusted by the director of the budget to account for
8 increased or expedited department of health state funds medicaid
9 expenditures as a result of a natural or other type of disaster,
10 including a governmental declaration of emergency.

11 The director of the budget, in consultation with the commissioner of
12 health, shall assess on a quarterly basis known and projected medi-
13 caid expenditures by category of service and by geographic region,
14 as defined by the commissioner, incurred both prior to and subse-
15 quent to such assessment for each such period, and if the director
16 of the budget determines that such expenditures are expected to
17 cause medicaid spending for such period to exceed the aggregate
18 limit specified herein for such period, the state medicaid director,
19 in consultation with the director of the budget and the commissioner
20 of health, shall develop a medicaid savings allocation adjustment to
21 limit such spending to the aggregate limit specified herein for such
22 period.

23 Such medicaid savings allocation adjustment shall be designed, to
24 reduce the expenditures authorized by the appropriations herein in
25 compliance with the following guidelines: (1) reductions shall be
26 made in compliance with applicable federal law, including the
27 provisions of the Patient Protection and Affordable Care Act, Public
28 Law No. 111-148, and the Health Care and Education Reconciliation
29 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
30 Act") and any subsequent amendments thereto or regulations promul-
31 gated thereunder; (2) reductions shall be made in a manner that
32 complies with the state medicaid plan approved by the federal
33 centers for medicare and medicaid services, provided, however, that
34 the commissioner of health is authorized to submit any state plan
35 amendment or seek other federal approval, including waiver authori-
36 ty, to implement the provisions of the medicaid savings allocation
37 adjustment that meets the other criteria set forth herein; (3)
38 reductions shall be made in a manner that maximizes federal finan-
39 cial participation, to the extent practicable, including any federal
40 financial participation that is available or is reasonably expected
41 to become available, in the discretion of the commissioner, under
42 the Affordable Care Act; (4) reductions shall be made uniformly
43 among categories of services and geographic regions of the state, to
44 the extent practicable, and shall be made uniformly within a catego-
45 ry of service, to the extent practicable, except where the commis-
46 sioner determines that there are sufficient grounds for non-uniform-
47 ity, including but not limited to: the extent to which specific
48 categories of services contributed to department of health medicaid
49 state funds spending in excess of the limits specified herein; the
50 need to maintain safety net services in underserved communities; or
51 the potential benefits of pursuing innovative payment models contem-
52 plated by the Affordable Care Act, in which case such grounds shall

1 be set forth in the medicaid savings allocation adjustment; and (5)
2 reductions shall be made in a manner that does not unnecessarily
3 create administrative burdens to medicaid applicants and recipients
4 or providers.

5 The commissioner shall seek the input of the legislature, as well as
6 organizations representing health care providers, consumers, busi-
7 nesses, workers, health insurers, and others with relevant exper-
8 tise, in developing such medicaid savings allocation adjustment, to
9 the extent that all or part of such adjustment, in the discretion of
10 the commissioner, is likely to have a material impact on the overall
11 medicaid program, particular categories of service or particular
12 geographic regions of the state.

13 (a) The commissioner shall post the medicaid savings allocation
14 adjustment on the department of health's website and shall provide
15 written copies of such adjustment to the chairs of the senate
16 finance and the assembly ways and means committees at least 30 days
17 before the date on which implementation is expected to begin.

18 (b) The commissioner may revise the medicaid savings allocation
19 adjustment subsequent to the provisions of notice and prior to
20 implementation but needs to provide a new notice pursuant to subpar-
21 agraph (i) of this paragraph only if the commissioner determines, in
22 his or her discretion, that such revisions materially alter the
23 adjustment.

24 Notwithstanding the provisions of paragraphs (a) and (b) of this
25 subdivision, the commissioner need not seek the input described in
26 paragraph (a) of this subdivision or provide notice pursuant to
27 paragraph (b) of this subdivision if, in the discretion of the
28 commissioner, expedited development and implementation of a medicaid
29 savings allocation adjustment is necessary due to a public health
30 emergency.

4 hereby amended and reappropriated to read:

5 Notwithstanding section 40 of the state finance law or any provision
6 of law to the contrary, subject to federal approval, department of
7 health state funds medicaid spending, excluding payments for medical
8 services provided at state facilities operated by the office of
9 mental health, the office for people with developmental disabilities
10 and the office of addiction services and supports and further
11 excluding any payments which are not appropriated within the depart-
12 ment of health, in the aggregate, for the period April 1, 2024
13 through [March 31, 2025] September 15, 2025, shall not exceed
14 [\$31,634,010,000] \$31,731,725,000 except as provided below provided,
15 however, such aggregate limits may be adjusted by the director of
16 the budget to account for any changes in the New York state federal
17 medical assistance percentage amount established pursuant to the
18 federal social security act, increases in provider revenues,
19 reductions in local social services district payments for medical
20 assistance administration, minimum wage increases and beginning
21 April 1, 2012 the operational costs of the New York state medical
22 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
23 state costs or savings from the essential plan program. Such projec-
24 tions may be adjusted by the director of the budget to account for
25 increased or expedited department of health state funds medicaid
26 expenditures as a result of a natural or other type of disaster,
27 including a governmental declaration of emergency.

28 The director of the budget, in consultation with the commissioner of
29 health, shall assess on a quarterly basis known and projected medi-
30 caid expenditures by category of service and by geographic region,
31 as determined by the commissioner of health, incurred both prior to
32 and subsequent to such assessment for each such period, and if the
33 director of the budget determines that such expenditures are
34 expected to cause medicaid spending for such period to exceed the
35 aggregate limit specified herein for such period, the state medicaid
36 director, in consultation with the director of the budget and the
37 commissioner of health, shall develop a medicaid savings allocation
38 adjustment to limit such spending to the aggregate limit specified
39 herein for such period.

40 Such medicaid savings allocation adjustment shall be designed, to
41 reduce the expenditures authorized by the appropriations herein in
42 compliance with the following guidelines: (1) reductions shall be
43 made in compliance with applicable federal law, including the
44 provisions of the Patient Protection and Affordable Care Act, Public
45 Law No. 111-148, and the Health Care and Education Reconciliation
46 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
47 Act") and any subsequent amendments thereto or regulations promul-

1 amendment or seek other federal approval, including waiver authori-
2 ty, to implement the provisions of the medicaid savings allocation
3 adjustment that meets the other criteria set forth herein; (3)
4 reductions shall be made in a manner that maximizes federal finan-
5 cial participation, to the extent practicable, including any federal
6 financial participation that is available or is reasonably expected
7 to become available, in the discretion of the commissioner, under
8 the Affordable Care Act; (4) reductions shall be made uniformly
9 among categories of services and geographic regions of the state, to
10 the extent practicable, and shall be made uniformly within a cate-
11 gory of service, to the extent practicable, except where the commis-
12 sioner determines that there are sufficient grounds for non-uniform-
13 ity, including but not limited to: the extent to which specific
14 categories of services contributed to department of health medicaid
15 state funds spending in excess of the limits specified herein; the
16 need to maintain safety net services in underserved communities; or
17 the potential benefits of pursuing innovative payment models contem-
18 plated by the Affordable Care Act, in which case such grounds shall
19 be set forth in the medicaid savings allocation adjustment; and (5)
20 reductions shall be made in a manner that does not unnecessarily
21 create administrative burdens to medicaid applicants and recipients
22 or providers.

23 The commissioner shall seek the input of the legislature, as well as
24 organizations representing health care providers, consumers, busi-
25 nesses, workers, health insurers, and others with relevant exper-
26 tise, in developing such medicaid savings allocation adjustment, to
27 the extent that all or part of such adjustment, in the discretion of
28 the commissioner, is likely to have a material impact on the overall
29 medicaid program, particular categories of service or particular
30 geographic regions of the state.

31 (a) The commissioner shall post the medicaid savings allocation
32 adjustment on the department of health's website and shall provide
33 written copies of such plan to the chairs of the senate finance and
34 the assembly ways and means committees at least 30 days before the
35 date on which implementation is expected to begin.

36 (b) The commissioner may revise the medicaid savings allocation
37 adjustment subsequent to the provisions of notice and prior to
38 implementation but needs to provide a new notice pursuant to subpar-
39 agraph (i) of this paragraph only if the commissioner determines, in
40 his or her discretion, that such revisions materially alter the
41 plan.

42 Notwithstanding the provisions of paragraphs (a) and (b) of this
43 subdivision, the commissioner need not seek the input described in
44 paragraph (a) of this subdivision or provide notice pursuant to
45 paragraph (b) of this subdivision if, in the discretion of the
46 commissioner, expedited development and implementation of a medicaid
47 savings allocation adjustment is necessary due to a public health
48 emergency.

49 For purposes of this section, a public health emergency is defined as:

- 50 (i) a disaster, natural or otherwise, that significantly increases
51 the immediate need for health care personnel in an area of the

1 exposure to a serious communicable disease, or the potential for
2 such widespread risk of exposure; or (iii) any other event or condi-
3 tion determined by the commissioner to constitute an imminent threat
4 to public health.

5 Nothing in this paragraph shall be deemed to prevent all or part of
6 such medicaid savings allocation adjustment from taking effect
7 retroactively to the extent permitted by the federal centers for
8 medicare and medicaid services.

9 In accordance with the medicaid savings allocation adjustment, the
10 commissioner of the department of health shall reduce department of
11 health state funds medicaid spending by the amount of the projected
12 overspending through, actions including, but not limited to modify-
13 ing or suspending reimbursement methods, including but not limited
14 to all fees, premium levels and rates of payment, notwithstanding
15 any provision of law that sets a specific amount or methodology for
16 any such payments or rates of payment; modifying medicaid program
17 benefits; seeking all necessary federal approvals, including, but
18 not limited to waivers, waiver amendments; and suspending time
19 frames for notice, approval or certification of rate requirements,
20 notwithstanding any provision of law, rule or regulation to the
21 contrary, including but not limited to sections 2807 and 3614 of the
22 public health law, section 18 of chapter 2 of the laws of 1988, and
23 18 NYCRR 505.14(h).

24 The department of health shall prepare a quarterly report that sets
25 forth: (a) known and projected department of health medicaid expend-
26 itures as described in subdivision (1) of this section, and factors
27 that could result in medicaid disbursements for the relevant state
28 fiscal year to exceed the projected department of health state funds
29 disbursements in the enacted budget financial plan pursuant to
30 subdivision 3 of section 23 of the state finance law, including
31 spending increases or decreases due to: enrollment fluctuations,
32 rate changes, utilization changes, MRT investments, and shift of
33 beneficiaries to managed care; and variations in offline medicaid
34 payments; and (b) the actions taken to implement any medicaid
35 savings allocation adjustment implemented pursuant to subdivision
36 (4) of this section, including information concerning the impact of
37 such actions on each category of service and each geographic region
38 of the state. Each such quarterly report shall be provided to the
39 chairs of the senate finance and the assembly ways and means commit-
40 tees and shall be posted on the department of health's website in a
41 timely manner.

42 For the purpose of making payments to providers of medical care pursu-
43 ant to section 367-b of the social services law, and for payment of
44 state aid to municipalities where payment systems through fiscal
45 intermediaries are not operational, to reimburse such providers for
46 costs attributable to the provision of care to patients eligible for
47 medical assistance. Payments from this appropriation to general
48 hospitals related to indigent care pursuant to article 28 of the
49 public health law respectively, when combined with federal funds for
50 services and expenses for the medical assistance program pursuant to

8 approval of the director of the budget, who shall file such approval
9 with the department of audit and control and copies thereof with the
10 chairman of the senate finance committee and the chairman of the

41 by the department of health which may take into account the payor
42 mix of each non-public general hospital, including the percentage of
43 inpatient days paid by the medical assistance program.

44 For calendar years 2024-2026, eligible general hospitals other than

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

2 commissioner, expedited development and implementation of a medicaid
3 savings allocation adjustment is necessary due to a public health

10 such widespread risk of exposure; or (iii) any other event or condi-

13 Nothing in this paragraph shall be deemed to prevent all or part of
14 such medicaid savings allocation adjustment from taking effect
15 retroactively to the extent permitted by the federal centers for
16 medicare and medicaid services.

17 In accordance with the medicaid savings allocation adjustment, the
18 commissioner of the department of health shall reduce department of
19 health state funds medicaid spending by the amount of the projected

25 benefits; seeking all necessary federal approvals, including, but
26 not limited to waivers, waiver amendments; and suspending time
27 frames for notice, approval or certification of rate requirements,

35 that could result in medicaid disbursements for the relevant state
36 fiscal year to exceed the projected department of health state funds
37 disbursements in the enacted budget financial plan pursuant to
38 subdivision 3 of section 23 of the state finance law, including
39 spending increases or decreases due to: enrollment fluctuations,

43 savings allocation adjustment implemented pursuant to subdivision
44 (4) of this section, including information concerning the impact of
45 such actions on each category of service and each geographic region
46 of the state. Each such quarterly report shall be provided to the
47 chairs of the senate finance and the assembly ways and means commit-
48 tees and shall be posted on the department of health's website in a
49 timely manner.

3 The appropriation made by chapter 53, section 1, of the laws of 2024, is
4 hereby amended and reappropriated to read:

5 Notwithstanding section 40 of the state finance law or any provision
6 of law to the contrary, subject to federal approval, department of
7 health state funds medicaid spending, excluding payments for medical
8 services provided at state facilities operated by the office of
9 mental health, the office for people with developmental disabilities
10 and the office of addiction services and supports and further
11 excluding any payments which are not appropriated within the depart-
12 ment of health, in the aggregate, for the period April 1, 2024
13 through [March 31, 2025] September 15, 2025, shall not exceed
14 [\$31,634,010,000] \$31,731,725,000 except as provided below provided,
15 however, such aggregate limits may be adjusted by the director of
16 the budget to account for any changes in the New York state federal
17 medical assistance percentage amount established pursuant to the
18 federal social security act, increases in provider revenues,
19 reductions in local social services district payments for medical
20 assistance administration, minimum wage increases and beginning
21 April 1, 2012 the operational costs of the New York state medical
22 indemnity fund, pursuant to chapter 59 of the laws of 2011, and
23 state costs or savings from the essential plan. Such projections may
24 be adjusted by the director of the budget to account for increased
25 or expedited department of health state funds medicaid expenditures
26 as a result of a natural or other type of disaster, including a
27 governmental declaration of emergency.

28 The director of the budget, in consultation with the commissioner of
29 health, shall assess on a quarterly basis known and projected medi-
30 caid expenditures by category of service and by geographic region,
31 as determined by the commissioner of health, incurred both prior to
32 and subsequent to such assessment for each such period, and if the
33 director of the budget determines that such expenditures are
34 expected to cause medicaid spending for such period to exceed the
35 aggregate limit specified herein for such period, the state medicaid
36 director, in consultation with the director of the budget and the
37 commissioner of health, shall develop a medicaid savings allocation
38 adjustment to limit such spending to the aggregate limit specified
39 herein for such period.

40 Such medicaid savings allocation adjustment shall be designed, to
41 reduce the expenditures authorized by the appropriations herein in
42 compliance with the following guidelines: (1) reductions shall be
43 made in compliance with applicable federal law, including the
44 provisions of the Patient Protection and Affordable Care Act, Public
45 Law No. 111-148, and the Health Care and Education Reconciliation
46 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
47 Act") and any subsequent amendments thereto or regulations promul-
48 gated thereunder; (2) reductions shall be made in a manner that
49 complies with the state medicaid plan approved by the federal
50 centers for medicare and medicaid services, provided, however, that
51 the commissioner of health is authorized to submit any state plan

1 amendment or seek other federal approval, including waiver authori-
2 ty, to implement the provisions of the medicaid savings allocation
3 adjustment that meets the other criteria set forth herein; (3)
4 reductions shall be made in a manner that maximizes federal finan-
5 cial participation, to the extent practicable, including any federal
6 financial participation that is available or is reasonably expected
7 to become available, in the discretion of the commissioner, under
8 the Affordable Care Act; (4) reductions shall be made uniformly
9 among categories of services and geographic regions of the state, to
10 the extent practicable, and shall be made uniformly within a cate-
11 gory of service, to the extent practicable, except where the commis-
12 sioner determines that there are sufficient grounds for non-uniform-
13 ity, including but not limited to: the extent to which specific
14 categories of services contributed to department of health medicaid
15 state funds spending in excess of the limits specified herein; the
16 need to maintain safety net services in underserved communities; or
17 the potential benefits of pursuing innovative payment models contem-
18 plated by the Affordable Care Act, in which case such grounds shall
19 be set forth in the medicaid savings allocation adjustment; and (5)
20 reductions shall be made in a manner that does not unnecessarily
21 create administrative burdens to medicaid applicants and recipients
22 or providers.

23 The commissioner shall seek the input of the legislature, as well as
24 organizations representing health care providers, consumers, busi-
25 nesses, workers, health insurers, and others with relevant exper-
26 tise, in developing such medicaid savings allocation adjustment, to
27 the extent that all or part of such adjustment, in the discretion of
28 the commissioner, is likely to have a material impact on the overall
29 medicaid program, particular categories of service or particular
30 geographic regions of the state.

31 (a) The commissioner shall post the medicaid savings allocation
32 adjustment on the department of health's website and shall provide
33 written copies of such plan to the chairs of the senate finance and
34 the assembly ways and means committees at least 30 days before the
35 date on which implementation is expected to begin.

36 (b) The commissioner may revise the medicaid savings allocation
37 adjustment subsequent to the provisions of notice and prior to
38 implementation but needs to provide a new notice pursuant to subpar-
39 agraph (i) of this paragraph only if the commissioner determines, in
40 his or her discretion, that such revisions materially alter the
41 plan.

42 Notwithstanding the provisions of paragraphs (a) and (b) of this
43 subdivision, the commissioner need not seek the input described in
44 paragraph (a) of this subdivision or provide notice pursuant to
45 paragraph (b) of this subdivision if, in the discretion of the
46 commissioner, expedited development and implementation of a medicaid
47 savings allocation adjustment is necessary due to a public health
48 emergency.

49 For purposes of this section, a public health emergency is defined as:

- 50 (i) a disaster, natural or otherwise, that significantly increases

3 tion determined by the commissioner to constitute an imminent threat
4 to public health.

5 Nothing in this paragraph shall be deemed to prevent all or part of
6 such medicaid savings allocation adjustment from taking effect
7 retroactively to the extent permitted by the federal centers for
8 medicare and medicaid services.

9 In accordance with the medicaid savings allocation adjustment, the
10 commissioner of the department of health shall reduce department of
11 health state funds medicaid spending by the amount of the projected
12 overspending through, actions including, but not limited to modify-
13 ing or suspending reimbursement methods, including but not limited
14 to all fees, premium levels and rates of payment, notwithstanding
15 any provision of law that sets a specific amount or methodology for
16 any such payments or rates of payment; modifying medicaid program
17 benefits; seeking all necessary federal approvals, including, but
18 not limited to waivers, waiver amendments; and suspending time
19 frames for notice, approval or certification of rate requirements,
20 notwithstanding any provision of law, rule or regulation to the
21 contrary, including but not limited to sections 2807 and 3614 of the
22 public health law, section 18 of chapter 2 of the laws of 1988, and
23 18 NYCRR 505.14(h).

24 The department of health shall prepare a quarterly report that sets
25 forth: (a) known and projected department of health medicaid expend-
26 itures as described in subdivision (1) of this section, and factors
27 that could result in medicaid disbursements for the relevant state
28 fiscal year to exceed the projected department of health state funds
29 disbursements in the enacted budget financial plan pursuant to
30 subdivision 3 of section 23 of the state finance law, including
31 spending increases or decreases due to: enrollment fluctuations,
32 rate changes, utilization changes, MRT investments, and shift of
33 beneficiaries to managed care; and variations in offline medicaid
34 payments; and (b) the actions taken to implement any medicaid
35 savings allocation adjustment implemented pursuant to subdivision
36 (4) of this section, including information concerning the impact of
37 such actions on each category of service and each geographic region
38 of the state. Each such quarterly report shall be provided to the
39 chairs of the senate finance and the assembly ways and means commit-
40 tees and shall be posted on the department of health's website in a
41 timely manner.

42 For the purpose of making payments to providers of medical care pursu-
43 ant to section 367-b of the social services law, and for payment of

45 systems through fiscal intermediaries are not operational, to reim-
46 burse the provision of care to patients eligible for medical assist-
