- 1 Section 1. a) The several amounts specified in this chapter for aid to
- 2 localities, or so much thereof as shall be sufficient to accomplish the
- 3 purposes designated by the appropriations, are hereby appropriated and
- 4 authorized to be paid as hereinafter provided, to the respective public
- 5 officers and for the several purposes specified.
- 6 b) Where applicable, appropriations made by this chapter for expendi-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12553-09-5

1 spending from federal grants for any grant period beginning, during, or
2 prior to, the state fiscal year beginning on April 1, 2025 except as
3 otherwise noted.

4 c) The several amounts named herein, or so much thereof as shall be
5 sufficient to accomplish the purpose designated, being the undisbursed
6 and/or unexpended balances of the prior year's appropriations, are here-
7 by reappropriated from the same funds and made available for the same
8 purposes as the prior year's appropriations, unless herein amended, for
9 the fiscal year beginning April 1, 2025. Certain reappropriations in
10 this chapter are shown using abbreviated text, with three leader dots
11 (an ellipsis) followed by three spaces (...) used to indicate where
12 existing law that is being continued is not shown. However, unless a
13 change is clearly indicated by the use of brackets [-] for deletions and
14 underscores for additions, the purposes, amounts, funding source and all
15 other aspects pertinent to each item of appropriation shall be as last
16 appropriated.

17 For the purpose of complying with the state finance law, the year,
18 chapter and section of the last act reappropriating a former original
19 appropriation or any part thereof is, unless otherwise indicated, chap-
20 ter 53, section 1, of the laws of 2024.

21 d) No moneys appropriated by this chapter shall be available for
22 payment until a certificate of approval has been issued by the director
23 of the budget, who shall file such certificate with the department of
24 audit and control, the chairperson of the senate finance committee and
25 the chairperson of the assembly ways and means committee.

26 e) Notwithstanding any provision contained herein or any other law to
27 the contrary, if, on a cash basis of accounting, a general fund imbal-
28 ance has or is expected to occur in fiscal year 2025-26, the budget
29 director is hereby authorized to withhold all or some of the amounts
30 appropriated herein, including amounts that are to be paid on specific
31 dates prescribed in law or regulation. Prior to withholding any amounts,
32 the director shall consider whether other means are available for accom-
33 plishing the purposes of this provision. Provided further, the director
34 shall consider the impact of any such amounts to be withheld. To the
35 extent the state is obligated to make payment to any individual or enti-
36 ty pursuant to any appropriation contained herein, such obligation shall
37 be reduced commensurate with such payments withheld by the director of
38 the budget.

39 The following types of appropriations shall be exempt from such with-
40 holds pursuant to this provision: (a) public assistance payments for
41 families and individuals and payments for eligible aged, blind and disa-
42 bled persons related to supplemental social security; (b) any reductions
43 that would violate federal law; (c) payments of debt service and related
44 expenses for which the state is constitutionally obligated to pay debt
45 service or is contractually obligated to pay debt service, subject to an
46 appropriation, including where the state has a contingent contractual
47 obligation; and (d) payments the state is obligated to make pursuant to
48 court orders or judgments.

49 For purposes of this provision, a general fund imbalance shall occur
50 if any state fiscal year 2025-26 quarterly financial plan update
51 required by subdivision 4 of section 23 of the state finance law
52 reflects, or if at any point during the final quarter of state fiscal
53 year 2025-26 the budget director projects, that estimated general fund
54 receipts and/or estimated general fund disbursements have or will vary
55 from the estimates included in the state fiscal year 2025-26 enacted
56 budget financial plan required by sections 22 and 23 of the state

1 finance law results in a cumulative budget imbalance of \$2,000,000,000
2 or more. Provided however, that such \$2,000,000,000 must be calculated
3 without considering any payments withheld in accordance with this
4 provision or any depletion of the state fiscal year 2025-26 transaction
5 risk reserve accounting mechanism.

6 "Estimated general fund receipts" shall mean general fund tax
7 receipts, after payment of debt service and miscellaneous receipts
8 estimated by the budget director to be received during state fiscal year
9 2025-26.

10 "Estimated general funds disbursements" shall mean general funds
11 disbursements, including transfers, estimated by the budget director to
12 be made during state fiscal year 2025-26.

13 No later than ten business days following the issuance of any state
14 fiscal year 2025-26 quarterly financial plan update that includes a
15 determination, and/or the date in the final quarter of the state fiscal
16 year 2025-26 upon which the budget director determines, that a general
17 fund imbalance exists, the budget director shall provide notification of
18 payments that will be withheld pursuant to this provision to the presi-
19 dent pro tempore of the senate and the speaker of the assembly.
20 Provided, however, the aggregate amount of payments withheld pursuant to
21 this provision shall at no point be in an amount greater than the deter-
22 mined cumulative general fund imbalance. Provided further however,
23 before any payments may be withheld pursuant to this provision, the
24 budget director shall first deplete the \$2,000,000,000 transaction risk
25 reserve accounting mechanism to resolve the determined general fund
26 imbalance, as practicable. Such notification will also identify any
27 other means the budget director intends to use to resolve any portion of
28 the general fund imbalance, including but not limited to the aforemen-
29 tioned depletion of the transaction risk reserve and/or any other
30 resources.

31 Following such budget director notification, the legislature shall
32 have ten business days to prepare and adopt by concurrent resolution its
33 own withhold plan which conforms with the requirements of this
34 provision, and which achieves the same aggregate of payment withholds as
35 the budget director's withhold plan. If after ten business days follow-
36 ing the budget director's notification the legislature fails to prepare
37 and adopt its own withhold plan, or if the budget director determines
38 that the withhold plan prepared and adopted by the legislature does not
39 conform with the requirements of this provision, the withholds identi-
40 fied in the budget director's withhold plan will immediately take
41 effect.

42 Notwithstanding any other provision contained herein or any other
43 provision of law to the contrary, any payments withheld pursuant to this
44 section may be paid in full or in part if a subsequent general fund
45 surplus materializes in state fiscal year 2025-26.

46 f) Notwithstanding any provision of law to the contrary, for purposes
47 of any appropriation made by this chapter which authorizes spending in
48 an amount net of refunds, rebates, reimbursements, credits, repayments,
49 and/or disallowances, "refunds" shall mean funds received to the state
50 resulting from the overpayment of monies, "rebates" shall mean funds
51 received to the state resulting from a return of a full or partial
52 amount previously paid, as for goods or services, serving as a
53 reduction, discount or rebate to the original payment amount,
54 "reimbursements" shall mean funds received to the state as repayment in
55 an equivalent amount for goods or services, including but not limited to
56 personal service costs, incurred by the state in the first instance

1 being provided to a third party for their benefit and partially or in
2 full financed by such third party, "credit" shall mean monies made
3 available to the state that reduce the amount owed to a third party,
4 including but not limited to billing errors, rebates, and prior overpay-
5 ments, "repayment" shall mean the return of monies as pay back for
6 expenses incurred, and "disallowance" shall mean monies made available
7 to the state that were not allowed or accepted officially by the
8 intended recipient, based on a determination the payment is not accepta-
9 ble and/or valid. When the office of the state comptroller receives any
10 such refunds, rebates, reimbursements, credits, repayments, and/or
11 disallowances, he or she shall credit the refunded, rebated, reimbursed,
12 credited, repaid, and disallowed amount back to the original appropri-
13 ation and reduce expenditures in the year which such credit is received
14 regardless of the timing of the initial expenditure.

15 g) Notwithstanding any provision of law to the contrary, upon enact-
16 ment of this chapter of the laws of 2025 containing the aid to locali-
17 ties budget bill for the state fiscal year 2025-2026, all appropriations
18 and reappropriations contained in chapter 53 of the laws of 2024, which
19 would otherwise lapse by operation of law on March 31, 2026 are hereby
20 repealed.

21 h) The appropriations contained in this chapter shall be available for
22 the fiscal year beginning on April 1, 2025 except as otherwise noted.

27 reimburse social services districts for
28 the change in the maximum state aid rates
29 established by the office of children and
30 family services for the 2025-26 rate year
31 pursuant to section 398-a of the social
32 services law and sections 4003 and 4405 of

5 continuation of the cost of living adjust-

7 became effective April 1, 2008 for that
8 program will be or were used solely in
9 accordance with the requirements of the
10 cost of living adjustment established by
11 the office.

12 Notwithstanding any inconsistent provision
13 of law including, but not limited to, any
14 chapter of the laws of 2025 which enacts a
15 targeted inflationary increase for the
16 state fiscal year beginning on April 1,
17 2025, the commissioner shall continue to
18 apply any cost of living adjustment
19 increase in effect on March 31, 2025 for
20 the entire rate year that began when such
21 cost of living adjustment increase was in
22 effect. Notwithstanding any inconsistent
23 provision of law, the commissioner shall
24 apply a 2.6 percent targeted inflationary
25 increase for the rate year that begins on
26 July 1, 2025 for the purposes of estab-
27 lishing rates of payments, contracts, or
28 any other form of reimbursement, provided
29 that this shall not prevent the commis-

31 staff retention factors for this program.

32 Within the amounts appropriated herein,
33 state reimbursement to each social
34 services district for services identified
35 herein that are otherwise reimbursable by
36 the state from April 1, 2025 through March
37 31, 2026 shall be limited to a district
38 allocation, hereinafter referred to as the
39 district's block grant allocation.
40 Notwithstanding any other provision of
41 law, such block grant allocation shall be
42 based, in part, on each district's claims

5 on preventive services provided pursuant
6 to section 409-a of the social services
7 law, independent living services and
8 aftercare services provided pursuant to
9 regulations of the department of family
10 assistance, claimed by such district
11 during the next state fiscal year up to
12 the amount remaining from the district's
13 foster care block grant allocation,
14 provided however, that any claims for such

16 in excess of such amount shall be subject
17 to 62 percent state reimbursement exclu-
18 sive of any federal funds made available
19 for such purposes, in accordance with
20 directives of the department of family
21 assistance and subject to the approval of
22 the director of the budget. Any claims
23 submitted by a social services district
24 for reimbursement for a particular state
25 fiscal year for which the social services
26 district does not receive state or federal
27 reimbursement during that state fiscal
28 year may not be claimed against that
29 district's block grant apportionment for
30 the next state fiscal year.

31 The office of children and family services,
32 with the approval of the director of the
33 budget, may reduce a district's block
34 grant allocation by the state share
35 decrease related to federal retroactive

3 ance or sanction results from the failure
4 of the social services district to comply
5 with federal or state requirements,
6 including, but not limited to, failure to
7 document eligibility for federal or state
8 funds in the case record; provided, howev-
9 er, if the office determines that any
10 federal disallowance for services provided
11 between January 1, 1999 and May 31, 1999
12 results solely from the late enactment of
13 the state legislation implementing the
14 federal adoption and safe families act,
15 the state shall be solely responsible for
16 the full amount of the disallowance or
17 sanction; provided, further, however, this
18 provision shall be deemed to apply both
19 prospectively and retroactively regardless
20 of whether such sanctions or disallowances
21 are for services provided or claims made
22 prior to or after April 1, 2025.

23 Notwithstanding any other provision of law,
24 any federal disallowance resulting from a
25 federal title IV-E eligibility review or
26 audit that uses extrapolated statistic
27 techniques shall be passed along by the
28 state to any and all social services
29 districts that the office of children and
30 family services has determined have not
31 complied with the title IV-E eligibility
32 requirements or have not taken the neces-
33 sary actions to ensure compliance with
34 such requirements including, but not
35 limited to, failing to: assess and fully
36 document all the criteria and have readily
37 available all the necessary documents to
38 establish and continue title IV-E eligi-
39 bility for all title IV-E eligible chil-
40 dren within the required time frames;
41 claim title IV-E funding only for cases
42 that meet all of the title IV-E eligibil-
43 ity criteria; and fully implement the
44 social services payment system on or
45 before April 1, 2005 for all direct and
46 voluntary agency foster care services.

47 Notwithstanding any law to the contrary, the
48 office of children and family services
49 shall impose on social services districts
50 any federal disallowance issued against
51 the state as a result of a federal title

1 IV-E secondary eligibility review regard-
2 less of the date the children may have
3 entered foster care, the date the eligi-
4 bility or payment errors occurred, or the
5 filing date of any federal claims for
6 reimbursement; provided, however, that the
7 state shall be responsible for the disal-
8 lowed costs and expenditures related to
9 the placement of children in a facility
10 operated by the office of children and
11 family services, which shall be determined
12 in the same manner as the disallowed costs
13 and expenditures for social services
14 districts other than the city of New York.
15 In order to reimburse the federal govern-
16 ment for the full amount of any disallow-
17 ance imposed on the state by the federal
18 administration for children and families
19 within the timeframes necessary to avoid
20 any potential interest payments on such
21 amount, the office of children and family
22 services is authorized to immediately
23 offset funds otherwise due to each
24 district for a pro rata share of the total
25 disallowed costs based on the percentage
26 of applicable federal title IV-E claims
27 made by that district for the relevant
28 time period as compared to the total
29 applicable statewide title IV-E claims.
30 The amount of the offset against each
31 district will be adjusted, if necessary,
32 upon completion of the disallowance allo-
33 cation process. The final allocation of
34 the amount of any federal disallowance
35 resulting from a title IV-E secondary
36 eligibility review shall be allocated
37 among the districts so that each district
38 shall be responsible for the amount
39 attributable to each of the district's
40 children or cases that are determined by
41 the federal review to be unallowable. Each
42 district shall also be responsible for a
43 portion of the federal extrapolated disal-
44 lowance amount based on the relative error
45 rate for the district. The city of New
46 York's error rate will be based on the
47 federal sample and federal statistics. For
48 all social services districts other than
49 the city of New York, the error rate will
50 be based on a review conducted by the
51 district of a sample of children and/or

1 cases determined by the office of children
2 and family services and a re-review of a
3 sub-sample by the office of those children
4 and/or cases determined by the office. The
5 office of children and family services
6 will determine what is reasonable in
7 establishing the size of the sample and
8 sub-sample for each district. The office
9 of children and family services shall
10 notify each social services district of
11 the sample of children and/or cases from
12 the federal audit period that the social
13 services district must review. Any child
14 or case from the social services district
15 that was included in the federal sample
16 will automatically be included in the
17 social services district's review sample
18 and the determination made at the federal
19 review regarding that child or case will
20 govern for the purposes of the social
21 services district's review. The social
22 services district must complete and submit
23 the results of its review to the office of
24 children and family services within 60
25 days of receipt of the sample. The error
26 rate for the district will be based on the
27 findings of the district's review and the
28 office of children and family services'
29 re-review. If a social services district
30 does not complete its review within 60
31 days of receiving the sample from the
32 office of children and family services,
33 the office of children and family services
34 shall assign an error rate to the social
35 services district based on the relative
36 percentage of the district's applicable
37 title IV-E claims for the relevant period
38 as compared to applicable statewide title
39 IV-E claims for that period and other
40 circumstances that the office of children
41 and family services may consider in order
42 to allocate 100 percent of the federal
43 disallowance. The office of children and
44 family services shall apply each social
45 services district's error rate to the
46 total amount of the district's applicable
47 title IV-E claims including associated
48 administrative expenses. The resulting
49 dollar amounts for all of the social
50 services districts will be summed to
51 derive the total amount of title IV-E

1 claims deemed to be in error statewide. To
2 establish a disallowance percentage for
3 each social services district, the amount
4 of the district's title IV-E claims deemed
5 to be in error will be divided by the
6 amount of statewide title IV-E claims
7 deemed to be in error. The resulting
8 disallowance percentage for each district
9 will be applied to the entire title IV-E
10 extrapolated disallowance calculated by
11 the federal review to determine the amount
12 of the extrapolated disallowance for which
13 the district is responsible. Each district
14 will be credited for the amount already
15 disallowed for any individual children or
16 cases found to be in error during the
17 federal review. The exclusive appeal
18 rights for the review of the amount of the
19 federal disallowance assigned to each
20 social services district shall be pursuant
21 to article 78 of the civil practice law
22 and rules; provided, however, that in any
23 such action all of the social services
24 districts shall be joined as necessary
25 parties and the venue of any such action
26 shall be in Rensselaer county. Any social
27 services district that fails to complete
28 its sample review in the required time
29 frames shall have no right to appeal and
30 shall not be a necessary party to any
31 action brought by another social services
32 district.

Funds appropriated herein shall be available for aid to municipalities, for services and expenses under the child care block grant and for payments to the federal government for expenditures made pursuant to the social services law and the state plan for individual and family grant program under the disaster relief act of 1974.

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES - REAPPROPRIATIONS 2025-26

Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law including, but not limited to, any chapter of the laws of 2024 which enacts a cost of living adjustment for the state fiscal year beginning on April 1, 2024, the commissioner shall continue to apply any cost of living adjustment increase in effect on March 31, 2024 for the entire rate year that began when such cost of living adjustment increase was in effect. Notwithstanding any inconsistent provision of law, the commissioner shall apply a 2.84 percent cost of living adjustment for the rate year that begins on July 1, 2024 for the purposes of establishing rates of payments, contracts, or any other form of reimbursement, provided that this shall not prevent the commissioner from applying additional trend or staff retention factors for this program.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2024 through March 31, 2025 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2023 that are submitted on or before January 2, 2024 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal

1 reimbursement during that state fiscal year may not be claimed
2 against that district's block grant apportionment for the next state
3 fiscal year.

4 The office of children and family services, with the approval of the
5 director of the budget, may reduce a district's block grant allo-
6 cation by the state share decrease related to federal retroactive
7 reimbursement for such foster care services identified herein. The
8 office, with the approval of the director of the budget, may reduce
9 a district's block grant allocation by the state share of disallow-
10 ances or sanctions taken against the district pursuant to the social
11 services law or federal law.

12 Notwithstanding any other provision of law, the state shall not be
13 responsible for reimbursing a social services district and a
14 district shall not seek state reimbursement for any portion of any
15 state disallowance or sanction taken against the social services
16 district, or any federal disallowance attributable to final federal
17 agency decisions or to settlement made, on or after July 1, 1995,
18 when such disallowance or sanction results from the failure of the
19 social services district to comply with federal or state require-
20 ments, including, but not limited to, failure to document eligibil-
21 ity for federal or state funds in the case record; provided, howev-
22 er, if the office determines that any federal disallowance for
23 services provided between January 1, 1999 and May 31, 1999 results
24 solely from the late enactment of the state legislation implementing
25 the federal adoption and safe families act, the state shall be sole-
26 ly responsible for the full amount of the disallowance or sanction;
27 provided, further, however, this provision shall be deemed to apply
28 both prospectively and retroactively regardless of whether such
29 sanctions or disallowances are for services provided or claims made
30 prior to or after April 1, 2024.

31 Notwithstanding any other provision of law, any federal disallowance
32 resulting from a federal title IV-E eligibility review or audit that
33 uses extrapolated statistic techniques shall be passed along by the
34 state to any and all social services districts that the office of
35 children and family services has determined have not complied with
36 the title IV-E eligibility requirements or have not taken the neces-
37 sary actions to ensure compliance with such requirements including,
38 but not limited to, failing to: assess and fully document all the
39 criteria and have readily available all the necessary documents to
40 establish and continue title IV-E eligibility for all title IV-E
41 eligible children within the required time frames; claim title IV-E
42 funding only for cases that meet all of the title IV-E eligibility
43 criteria; and fully implement the social services payment system on
44 or before April 1, 2005 for all direct and voluntary agency foster
45 care services.

46 Notwithstanding any law to the contrary, the office of children and
47 family services shall impose on social services districts any feder-
48 al disallowance issued against the state as a result of a federal
49 title IV-E secondary eligibility review regardless of the date the
50 children may have entered foster care, the date the eligibility or
51 payment errors occurred, or the filing date of any federal claims

1 for reimbursement; provided, however, that the state shall be
2 responsible for the disallowed costs and expenditures related to the
3 placement of children in a facility operated by the office of chil-
4 dren and family services, which shall be determined in the same
5 manner as the disallowed costs and expenditures for social services
6 districts other than the city of New York. In order to reimburse the
7 federal government for the full amount of any disallowance imposed
8 on the state by the federal administration for children and families
9 within the timeframes necessary to avoid any potential interest
10 payments on such amount, the office of children and family services
11 is authorized to immediately offset funds otherwise due to each
12 district for a pro rata share of the total disallowed costs based on
13 the percentage of applicable federal title IV-E claims made by that
14 district for the relevant time period as compared to the total
15 applicable statewide title IV-E claims. The amount of the offset
16 against each district will be adjusted, if necessary, upon
17 completion of the disallowance allocation process. The final allo-
18 cation of the amount of any federal disallowance resulting from a
19 title IV-E secondary eligibility review shall be allocated among the
20 districts so that each district shall be responsible for the amount
21 attributable to each of the district's children or cases that are
22 determined by the federal review to be unallowable. Each district
23 shall also be responsible for a portion of the federal extrapolated
24 disallowance amount based on the relative error rate for the
25 district. The city of New York's error rate will be based on the
26 federal sample and federal statistics. For all social services
27 districts other than the city of New York, the error rate will be
28 based on a review conducted by the district of a sample of children
29 and/or cases determined by the office of children and family
30 services and a re-review of a sub-sample by the office of those
31 children and/or cases determined by the office. The office of chil-
32 dren and family services will determine what is reasonable in estab-
33 lishing the size of the sample and sub-sample for each district. The
34 office of children and family services shall notify each social
35 services district of the sample of children and/or cases from the
36 federal audit period that the social services district must review.
37 Any child or case from the social services district that was
38 included in the federal sample will automatically be included in the
39 social services district's review sample and the determination made
40 at the federal review regarding that child or case will govern for
41 the purposes of the social services district's review. The social
42 services district must complete and submit the results of its review
43 to the office of children and family services within 60 days of
44 receipt of the sample. The error rate for the district will be based
45 on the findings of the district's review and the office of children
46 and family services' re-review. If a social services district does
47 not complete its review within 60 days of receiving the sample from
48 the office of children and family services, the office of children
49 and family services shall assign an error rate to the social
50 services district based on the relative percentage of the district's
51 applicable title IV-E claims for the relevant period as compared to

1 applicable statewide title IV-E claims for that period and other
2 circumstances that the office of children and family services may
3 consider in order to allocate 100 percent of the federal disallow-
4 ance. The office of children and family services shall apply each
5 social services district's error rate to the total amount of the
6 district's applicable title IV-E claims including associated admin-
7 istrative expenses. The resulting dollar amounts for all of the
8 social services districts will be summed to derive the total amount
9 of title IV-E claims deemed to be in error statewide. To establish a
10 disallowance percentage for each social services district, the
11 amount of the district's title IV-E claims deemed to be in error
12 will be divided by the amount of statewide title IV-E claims deemed
13 to be in error. The resulting disallowance percentage for each
14 district will be applied to the entire title IV-E extrapolated
15 disallowance calculated by the federal review to determine the
16 amount of the extrapolated disallowance for which the district is
17 responsible. Each district will be credited for the amount already
18 disallowed for any individual children or cases found to be in error
19 during the federal review. The exclusive appeal rights for the
20 review of the amount of the federal disallowance assigned to each
21 social services district shall be pursuant to article 78 of the
22 civil practice law and rules; provided, however, that in any such

By chapter 53, section 1, of the laws of 2014:

For eligible services and expenses provided during state fiscal year 2014-15 by a city with a population in excess of one million for a close to home initiative to provide juvenile justice services. Funds appropriated herein shall be made available for eligible services provided consistent with plans that cover juvenile delinquents in non-secure and limited secure settings submitted by a city with a population in excess of one million and approved by the office of children and family services and the director of the budget. The office of children and family services shall not reimburse any claims for expenditures for residential services unless they are submitted in final within twenty two months of the calendar quarter in which the claimed service or services were delivered and shall not reimburse any claims that were or will be transferred from this appropriation to the foster care block grant appropriation or the child welfare services appropriation (13927)

counties that chose to transfer funds from their detention block grants into their supervision and treatment services for juveniles programs for the April 1, 2014 through March 31, 2015 program period proportionately to the amount each such district transferred.

Notwithstanding paragraph (a) of subdivision 1 of section 529-b of the executive law or any other law to contrary, a municipality that was eligible for a minimum funding allocation under the supervision and treatment services for juveniles program for state fiscal year 2013-14 but did not submit an application for such funds may apply to the office of children and family services for a waiver of the local share requirement for the program funds for state fiscal year 2014-15 upon a showing that the municipality has fiscal issues that significantly impact its ability to provide the required local share and that providing the program funds to the municipality without a local share will enable the municipality to implement services designed to decrease the use of detention or residential care for such youth.

Within the amounts appropriated herein, state reimbursement shall be limited to the amount of such municipality's distribution. The office of children and family services shall not reimburse any claims unless they are submitted within 12 months of the calendar quarter in which the claimed services were delivered. Notwithstanding any other provision of law to the contrary, a youth development program shall mean a program designed to provide community-level services to promote positive youth development but shall not include approved runaway programs or transitional independent living support programs as such terms are defined in section 532-a of the executive law. Each county or a city with a population of one million or more, which shall be known as a municipality, operating a youth development program approved by the office of children and family services shall be eligible for one hundred percent state reimbursement of its qualified expenditures, subject to the amount available under this appropriation and exclusive of any federal funds made available therefor, not to exceed the municipality's distribution of state aid for youth development programs. The amount appropriated herein for youth development programs shall be distributed by the office of children and family services to eligible municipalities that have a comprehensive plan that has been developed in consultation with the applicable municipal youth bureau and approved by the office of children and family services.
