AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capi-  
2 tal projects, or so much thereof as shall be necessary to accomplish the  
3 purpose of the appropriations, are appropriated by comprehensive  
4 construction programs (hereinafter referred to by the abbreviation CCP),  
5 purposes, and projects designated by the appropriations, and authorized  
6 to be made available as hereinafter provided to the respective public  
7 officers; such appropriations shall be deemed to provide all costs  
8 necessary and pertinent to accomplish the intent of the appropriations  
9 and are appropriated in accordance with the provisions of section 93 of  
10 the state finance law.

11 b) Any amounts specified in this chapter for advances for capital  
12 projects, or so much thereof as shall be necessary to accomplish the  
13 purpose of the appropriations, are appropriated by comprehensive  
14 construction programs (hereinafter referred to by the abbreviation CCP),  
15 purposes and projects designated by the appropriations as advances from  
16 the capital projects fund in accordance with the provisions of sections  
17 40-a and 93 of the state finance law, and are authorized to be paid as  
18 hereinafter provided as an advance for a share, part or whole of the  
19 cost for such programs, purposes and projects hereinafter specified.

20 c) The several amounts specified in this chapter as capital projects -  
21 reappropriations, or so much thereof as shall be sufficient to accom-  
22 plish the purpose of the appropriations, as appropriated by comprehen-  
23 sive construction programs (hereinafter referred to by the abbreviation

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 CCP), purposes, and projects, being the undisbursed and/or unexpended  
2 balances of the prior year's appropriations, are reappropriated and  
3 unless otherwise amended or repealed in part or total in this chapter  
4 shall continue to be available for the same purposes as the prior appro-  
5 priations or as otherwise amended for the fiscal year beginning April 1,  
6 2025.

7 The capital projects reappropriations contained in this chapter may be  
8 amended by repealing the items set forth in brackets and by adding ther-  
9 eto the underscored material. Certain reappropriations in this chapter  
10 are shown using abbreviated text, with three leader dots (an ellipsis)  
11 followed by three spaces (... ) used to indicate where existing law  
12 that is being continued is not shown. However, unless a change is clear-  
13 ly indicated by the use of brackets [-] for deletions and underscores  
14 for additions, the purpose, amounts, funding source and all other  
15 aspects pertinent to each item of appropriation shall be as last appro-  
16 priated.

17 For the purpose of complying with section 25 of the state finance law,  
18 the year, chapter and section of the last act reappropriating a former  
19 original appropriation or any part thereof is, unless otherwise indi-  
20 cated, chapter 54, section 1, of the laws of 2024.

21 d) No moneys appropriated by this chapter shall be available for  
22 payment until a certificate of approval has been issued by the director  
23 of the budget, who shall file such certificate with the department of  
24 audit and control, the chairperson of the senate finance committee and  
25 the chairperson of the assembly ways and means committee.

26 e) The appropriations contained in this chapter shall be available for  
27 the fiscal year beginning on April 1, 2025 except as otherwise noted.

## CAPITAL PROJECTS - REAPPROPRIATIONS 2025-26

By chapter 54, section 1, of the laws of 2001:

For state assistance payments for the state share of the costs of clean water projects in accordance with the provisions of title 3 of article 56 of the environmental conservation law for project cost, including costs incidental and appurtenant thereto and for payment of reimbursements to the clean water/clean air implementation fund for services and expenses of state departments and agencies, including fringe benefits, hereinafter referred to as "Clean Water Project Disbursements".

The moneys appropriated herein may be suballocated to all state departments and agencies. Further, moneys herein appropriated may be suballocated only to public authorities and public benefit corporations specifically authorized by paragraph (1) of subdivision 1 of section 56-0303 of the environmental conservation law to enter into contracts for state assistance payments for the state share of costs for clean water projects, provided however, that moneys herein appropriated pursuant to paragraph (i) of subdivision 1 of section 56-0303 of the environmental conservation law for state facility projects may be suballocated to any public authority or public benefit corporation.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of article 56 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for "Clean Water Project Disbursements" for the month preceding such certification (09BA0157) (24712) ... 87,582,000 ..... For state assistance payments for the state share of the costs of clean water projects in accordance with the provisions of title 3 of article 56 of the environmental conservation law for project costs, including costs incidental and appurtenant thereto and for payment of reimbursements to the clean water/clean air implementation fund for services and expenses of state departments and agencies, including fringe benefits, hereinafter referred to as "Clean Water Project Disbursements".

The moneys appropriated herein may be suballocated to all state departments and agencies. Further, moneys herein appropriated may be suballocated only to public authorities and public benefit corporations specifically authorized by paragraph (1) of subdivision one of section 56-0303 of the environmental conservation law to enter into contracts for state assistance payments for the state share of costs for clean water projects, provided however, that moneys herein appropriated pursuant to paragraph (i) of subdivision one of section 56-0303 of the environmental conservation law for state facility projects may be suballocated to any public authority or public benefit corporation.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of article 56 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for "Clean Water

any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to \$5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;
- (f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
- (g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
- (h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of \$45,000,000 shall be made available for grant awards to residential health care facilities, up to \$20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of \$60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. limited to the provision of housing services for affected populations. No expenditure shall be made from this appropriation until a spending plan for the proposed projects has been submitted by the commissioner of the office of addiction services and supports and approved by the director of the budget. Notwithstanding sections 112 and 163 of the state finance law and section 142 of the economic development law, or any other inconsistent provision of law, funds available for expenditure pursuant to this appropriation for the development, expansion, and/or operation of treatment, recovery, prevention and/or housing services for persons with heroin and opiate use and addiction disorders, may be allocated and distributed by the commissioner of the office of addiction services and supports, subject to approval of the director of the budget, without a competitive bid or request for proposal process. Prior to an award being granted to an applicant pursuant to this process, the commissioner shall formally notify in writing the chair of the senate finance committee and the chair of the assembly ways and means committee of the intent to grant such an award. Such notice shall include information regarding how the prospective recipient meets objective criteria established by the commissioner. Expenditures made from this appropriation shall reduce appropriations for grants from the OASAS general fund local assistance account for the same purpose by an equivalent amount, and such appropriation authority in such account shall then be deemed to have lapsed to the extent of such reduction (53CD1608) (11801) .....

ifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to \$5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state non-federally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed \$2,500,000 in state fiscal year 2025-26 (53164).

35 9.831 percent of the "funding level" as  
36 defined in subdivision 5 of section 10-c  
37 of the highway law for each such munici-  
38 pality. In order to achieve the objectives  
39 of section 16 of chapter 329 of the laws  
40 of 1991, to the extent necessary, the  
41 amounts in excess of 9.831 percent of the  
42 funding level to be deemed distributed to  
43 each municipality under this paragraph  
44 shall be reduced in equal proportion. To  
45 the extent that the total of remaining  
46 payment allocations calculated herein  
47 varies from \$58,797,000, the payment

9 By chapter 54, section 1, of the laws of 1993, as amended by chapter 55,  
 10 section 1, of the laws of 1996:

11 The sum of \$810,000, or so much thereof as may be necessary, is hereby  
 12 appropriated from the transportation infrastructure renewal fund as  
 13 established by section 74 of the state finance law in accordance  
 14 with the provisions of section 7 of chapter 836 of the laws of 1983  
 15 for payment, notwithstanding the provisions of any law, to the capi-

21 The director of the budget is hereby authorized to designate to the  
 22 state comptroller specific appropriations made from the capital  
 23 projects fund for purposes for which transportation infrastructure  
 24 renewal fund expenditures are authorized. The state comptroller  
 25 shall at the commencement of each month certify to the director of  
 26 the budget, the chairman of the senate finance committee, and the  
 27 chairman of the assembly ways and means committee, the amounts  
 28 disbursed from the appropriations so designated by the director of  
 29 the budget from the capital projects fund for such purposes for the  
 30 month preceding such certification and such certification shall not  
 31 exceed in the aggregate the moneys hereby appropriated. A copy of  
 32 each such certificate shall also be delivered to state departments  
 33 and agencies to which such capital projects fund appropriations are  
 34 made available.

35 Notwithstanding the provisions of any general or special law, no  
 36 moneys shall be available from the transportation infrastructure

10 By chapter 54, section 1, of the laws of 2022, as amended by chapter 54,  
 11 section 1, of the laws of 2023:  
 12 The sum of \$50,000,000 is hereby appropriated for payments and grants  
 13 to eligible nonprofit human services organizations for the nonprofit  
 14 infrastructure capital investment program. Such program shall  
 15 provide for targeted investments in capital projects for such eligi-  
 16 ble nonprofit human services organizations to improve the quality,  
 17 efficiency, and accessibility of such nonprofit human services  
 18 organizations that serve New Yorkers. Such investments may include,  
 19 but are not limited to: technology upgrades related to improving  
 20 electronic records, data analysis, or confidentiality; renovations  
 21 or expansions of non-publicly owned space owned by or leased to the  
 22 eligible nonprofit human services organization pursuant to a lease  
 23 and used for direct program services; modifications to provide for  
 24 sustainable, energy efficient spaces that would result in overall  
 25 energy and cost savings; and accessibility renovations. Eligible  
 26 nonprofit human services organizations are those which provide  
 27 direct services to New Yorkers and are prequalified by the state in  
 28 a manner as prescribed by the state for such grant application,  
 29 provided further that nothing herein shall preclude a nonprofit  
 30 human services organization that is otherwise eligible and that is  
 31 located in publicly owned property from receiving a grant as long as  
 32 such purpose and project would be otherwise eligible and such grant  
 33 is not used for building or property maintenance or improvements,  
 34 structural maintenance or improvements, or building systems mainte-

20 to each anti-poverty task force, the lesser of \$300,000 or 20  
21 percent of the total award may be used to carry out planning and  
22 administration, provided however, that the amount used for planning  
23 and administration may exceed such limitation if such amount is  
24 approved by the commissioner of the office of temporary and disabili-  
25 ty assistance as part of the plan required herein. Upon receiving  
26 approval from the commissioner of the office of temporary and disa-  
27 bility assistance, each such anti-poverty task force shall commence  
28 the second phase of its work, which will support the implementation  
29 of the plan developed during the first phase. Funding appropriated  
30 herein shall be made available to the not-for-profit organization  
31 serving as coordinator and its use shall be restricted to purposes  
32 or initiatives that do not necessitate ongoing state financial  
33 support. Such anti-poverty task forces shall be encouraged to secure  
34 match funding from private sector and foundation sources to supple-  
35 ment the funds appropriated herein and provided further that any  
36 funding provided from this appropriation shall not be used to  
37 supplant funding for programs already in existence. Such funds may  
38 be made available pursuant to a plan approved by the director of the  
39 budget (931A16SP) (79994) ... 25,000,000 ..... (re. \$27,000)  
40 Notwithstanding any inconsistent provision of law, in support of a  
41 comprehensive statewide multi-year housing program to prevent and  
42 address homelessness across the State, funds appropriated herein may  
43 be used in conjunction with other resources made available as part  
44 of the state fiscal year 2016-17 and 2017-18 local assistance, capi-  
45 tal and state operations budget to support various programs to  
46 support homeless individuals and youth or individuals and youth at
