IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.
- 11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12554-03-5

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2025.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [-] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 54, section 1, of the laws of 2024.

25 d) No moneys appropriated by this chapter shall be available for
26 payment until a certificate of approval has been issued by the director
27 of the budget, who shall file such certificate with the department of
28 audit and control, the chairperson of the senate finance committee and
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for
31 the fiscal year beginning on April 1, 2025 except as otherwise noted.

25 The appropriation made by chapter 54, section 1, of the laws of 2023, is
 26 hereby amended and reappropriated to read:
 27 For services and expenses related to alterations and improvements to
 28 existing facilities for capital maintenance, including but not
 29 limited to capital design, construction, reconstruction, rehabili-
 30 tation, and equipment; for in-kind replacement of buildings and
 31 facilities upon demonstration, through multi-factor benefit-cost
 32 analysis of capital costs and life-cycle operating costs comparing
 33 existing facility, renovated facility, and new construction, that
 34 replacement is more cost-effective and energy-efficient than full
 35 renovation and does not exceed existing square footage except inci-
 36 dentally where necessary to provide accessibility, mechanical effi-
 37 ciency, or required accessory and minor support structures; for
 38 health and safety, preservation of facilities, program improvement
 39 or program change, environmental protection, energy conservation,
 40 accreditation, facilities for the physically disabled, preventative
 41 maintenance and related projects, including costs incurred prior to
 42 April 1, 2023 and subject to a plan developed and submitted annually
 43 by the city university of New York and approved by the director of
 44 the budget, and which may include, but not be limited to, projects

2 By chapter 54, section 1, of the laws of 2017:

3 For payment of the costs of capital projects undertaken by or on
4 behalf of school districts for the acquisition of smart schools
5 classroom technology to be loaned to children attending a nonpublic
6 school located in the school district, except a nonpublic school to
7 which tuition is paid under articles 85 or 89 of the education law,
8 in accordance with the requirements of section 755 of the education
9 law and guidelines developed by the commissioner of education, in
10 connection with the smart schools investment plans first submitted
11 to the education department prior to April 15, 2017 and approved by
12 the smart schools review board pursuant to subdivision 16 of section
13 3641 of the education law.

14 Each school district shall be eligible to receive an allocation from
15 the funds appropriated herein equal to the product of the enrollment
16 of all such nonpublic schools in the 2014-15 school year multiplied
17 by the per pupil amount, provided that the liability of the state
18 and the amount to be distributed or otherwise expended by the state
19 to provide such loans shall be limited to the amount appropriated
20 herein. The per pupil amount shall equal the quotient of (i) the
21 amount budgeted by such school district in its approved smart
22 schools investment plan for servers, wireless access points and
23 other portable connectivity devices to be acquired as part of a
24 school connectivity project, divided by (ii) the total public and

any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to \$5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;
- (f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
- (g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
- (h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of \$45,000,000 shall be made available for grant awards to residential health care facilities, up to \$20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of \$60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW18HE) (26668)

28 affected by the proposed capital project and the manner in which
29 community engagement has shaped such capital project; and
- 30 (i) the extent to which the proposed capital project addresses poten-
31 tial risk to patient safety and welfare.

32 Disbursement of awards made pursuant to this appropriation shall be
33 conditioned on the awardee achieving certain process and performance
34 metrics and milestones as determined in the sole discretion of the
35 commissioner. Such metrics and milestones shall be structured to
36 ensure that the health care transformation and provider sustainabil-
37 ity goals of the project are achieved, and such metrics and mile-
38 stones shall be included in grant disbursement agreements or other
39 contractual documents as required by the commissioner.

22 residents of public housing that receives and uses such funds to
23 participate in such federal program shall be provided a uniform
24 lease agreement that provides, at a minimum, terms and conditions
25 consistent with those found in the public housing lease they had
26 prior to the public housing having received any such funds. Public
27 housing authorities that receive and use such funds shall be
28 required to: provide resident education, which shall include compre-
29 hensive information about any anticipated changes to the public
30 housing; provide language assistance to residents with limited
31 English proficiency; recognize the right of residents to form a
32 resident organization; require resident participation funding
33 commensurate to the funding that was being allocated to residents
34 already; develop a set of procedures for resident grievances and
35 lease termination proceedings that apply to residents following the
36 use of such funds, which shall be consistent with any existing
37 procedures, can provide stronger resident protections, and conform
38 with any other applicable federal rules and/or regulations. In cases
39 when there is a property manager other than the public housing
40 authority that receives these funds, then such property manager
41 shall be required to take actions including, but not limited to,
42 providing clear and accessible information to residents before,
43 during, and after becoming the property manager; provide language
44 assistance to residents with limited English proficiency; and recog-
45 nize a legitimate resident organization as the residents' represen-
46 tative, invite such resident organization to all resident engage-
47 ments, and meet regularly with the resident organization to discuss
48 emerging property-wide issues.

ifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

 2 commissioner of transportation has provided the director of the
 3 budget with the following projections to support any such allocation
 4 of funds: (a) effect on Stewart airport net operating revenues; (b)
 5 effect on new jobs for the state of New York; and (c) effect on net
 6 revenues of amortization of state capital expenditures. It is
 7 acknowledged that funds provided herein pursuant to the transporta-

 9 by repealing a portion of an appropriation for the payment of the
 10 state's share to the Niagara frontier transportation authority for
 11 construction, reconstruction, and improvement of airport or aviation
 12 capital projects at Buffalo international airport. It is the intent
 13 of the legislature that the repeal of such funds appropriated to the
 14 Niagara frontier transportation authority does not void the state's
 15 commitment to provide alternative state share funding sources to the
 16 authority to complete the airport or aviation capital projects at
 17 Buffalo international airport as originally provided by chapter 54,
 18 section 1, of the laws of 1982, as amended by chapter 54, section 3,

10 By chapter 54, section 1, of the laws of 2022, as amended by chapter 54,
 11 section 1, of the laws of 2023:
 12 The sum of \$50,000,000 is hereby appropriated for payments and grants
 13 to eligible nonprofit human services organizations for the nonprofit
 14 infrastructure capital investment program. Such program shall
 15 provide for targeted investments in capital projects for such eligi-
 16 ble nonprofit human services organizations to improve the quality,
 17 efficiency, and accessibility of such nonprofit human services
 18 organizations that serve New Yorkers. Such investments may include,
 19 but are not limited to: technology upgrades related to improving
 20 electronic records, data analysis, or confidentiality; renovations
 21 or expansions of non-publicly owned space owned by or leased to the
 22 eligible nonprofit human services organization pursuant to a lease
 23 and used for direct program services; modifications to provide for
 24 sustainable, energy efficient spaces that would result in overall
 25 energy and cost savings; and accessibility renovations. Eligible
 26 nonprofit human services organizations are those which provide
 27 direct services to New Yorkers and are prequalified by the state in
 28 a manner as prescribed by the state for such grant application,
 29 provided further that nothing herein shall preclude a nonprofit
 30 human services organization that is otherwise eligible and that is
 31 located in publicly owned property from receiving a grant as long as
 32 such purpose and project would be otherwise eligible and such grant
 33 is not used for building or property maintenance or improvements,
 34 structural maintenance or improvements, or building systems mainte-
 35 nance or improvements. Funding from this appropriation shall be made
 36 available through a rolling pass-fail process outlined in a Request
 37 for Grant Applications that shall include guidelines for the program
 38 as determined by representatives from state agencies which shall
 39 include, but not be limited to, the office of children and family
 40 services, the office of temporary and disability assistance, the
 41 office for people with developmental disabilities, and the office of
 42 mental health. Funding will only be made available pursuant to the
 43 approval of the director of the budget. Provided further that such
 44 proposals submitted by eligible nonprofit human services organiza-

27 amount available for each local anti-poverty task force shall be
28 determined based on the number of people in each municipality, or a
29 borough, who are living in poverty as determined by the U.S. Census
30 Bureau's 2010-14 American Community Survey Five-year Estimate
31 provided that each local anti-poverty task force shall be eligible
32 to receive funding in the following amounts: municipalities with
33 fewer than 5,000 individuals in poverty shall each be eligible to
34 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
35 viduals in poverty shall each be eligible to receive \$1,000,000;
36 municipalities with between 10,000 and 40,000 individuals in poverty
37 shall each be eligible to receive \$1,500,000; and municipalities, or
38 a borough, with more than 40,000 individuals in poverty shall each
39 be eligible to receive \$2,750,000. Funds appropriated herein shall
40 be available to support the work of each anti-poverty task force and
41 such work shall be divided into two phases. During the first phase,
42 the mayor of the municipality, or in the case of the Bronx, the
43 borough president, will select a not-for-profit organization that

5 local residents; use data and resident input to select one or more
6 focus areas related to either one or more issues or one or more
7 neighborhoods; and develop a plan for how funding will be targeted
8 toward the identified issues or neighborhoods. Such focus areas may
9 include, but are not limited to childhood poverty and homelessness.
10 Activities included in such plan may include, but are not limited
11 to: providing public assistance recipients opportunities to partic-
12 ipate in enhanced work activities that either provide recognized
13 credentialing or enhanced career readiness or job training for
14 better linkage to potential employment; assisting families in pover-
15 ty through services provided to parents and children; and addressing
16 chronic homelessness or housing insecurity. Such plan must include
17 measurable objectives and a timeframe for completion and shall be
18 submitted for approval to the commissioner of the office of tempo-
19 rary and disability assistance. Of the total amount made available
20 to each anti-poverty task force, the lesser of \$300,000 or 20
21 percent of the total award may be used to carry out planning and
22 administration, provided however, that the amount used for planning
23 and administration may exceed such limitation if such amount is
24 approved by the commissioner of the office of temporary and disabili-

26 approval from the commissioner of the office of temporary and disa-
27 bility assistance, each such anti-poverty task force shall commence
28 the second phase of its work, which will support the implementation
29 of the plan developed during the first phase. Funding appropriated
30 herein shall be made available to the not-for-profit organization
31 serving as coordinator and its use shall be restricted to purposes
32 or initiatives that do not necessitate ongoing state financial
33 support. Such anti-poverty task forces shall be encouraged to secure
34 match funding from private sector and foundation sources to supple-
35 ment the funds appropriated herein and provided further that any
36 funding provided from this appropriation shall not be used to
37 supplant funding for programs already in existence. Such funds may
