(b), (d), (f) or (g) of section eleven hundred eighty of this article during the following times: (A) on school days during school hours and one hour before and one hour after the school day, and (B) a period during student activities at the school and up to thirty minutes immediately before and up to thirty minutes immediately after such student activities. In selecting a school speed zone in which to install and operate a photo speed violation monitoring system, the village shall consider criteria including, but not limited to, the speed data, crash history, and the roadway geometry applicable to such school speed zone.

2. No photo speed violation monitoring system shall be used in a school speed zone unless (i) on the day it is to be used it has successfully passed a self-test of its functions; and (ii) it has undergone an annual calibration check performed pursuant to paragraph four of this subdivision. The village shall install signs giving notice that a photo speed violation monitoring system is in use to be mounted on advance warning signs notifying motor vehicle operators of such upcoming school speed zone and/or on speed limit signs applicable within such school speed zone, in conformance with standards established in the MUTCD.

3. Operators of photo speed violation monitoring systems shall have completed training in the procedures for setting up, testing, and operating such systems. Each such operator shall complete and sign a daily set-up log for each such system that such operator operates that (i) states the date and time when, and the location where, the system was set up that day, and (ii) states that such operator successfully performed, and the system passed, the self-tests of such system before producing a recorded image that day. The village shall retain each such daily log until the later of the date on which the photo speed violation monitoring system to which it applies has been permanently removed from use or the final resolution of all cases involving notices of liability issued based on photographs, microphotographs, videotape or other recorded images produced by such system.

4. Each photo speed violation monitoring system shall undergo an annual calibration check performed by an independent calibration laboratory which shall issue a signed certificate of calibration. The village shall keep each such annual certificate of calibration on file until the final resolution of all cases involving a notice of liability issued during such year which were based on photographs, microphotographs, videotape or other recorded images produced by such photo speed violation monitoring system.

5. (i) Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs, microphotographs, videotape or other recorded images produced by such photo speed violation monitoring systems shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because such a photograph, microphotograph, videotape or other recorded image allows for the identification of the driver, the passengers, or the contents of vehicles where the village shows that it made reasonable efforts to comply with the provisions of this paragraph in such case.

(ii) Photographs, microphotographs, videotape or any other recorded image from a photo speed violation monitoring system shall be for the exclusive use of the village for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by the village upon the final resolution of the notice of liability to

1 which such photographs, microphotographs, videotape or other recorded  
2 images relate, or one year following the date of issuance of such notice  
3 of liability, whichever is later. Notwithstanding the provisions of any  
4 other law, rule or regulation to the contrary, photographs, microphoto-  
5 graphs, videotape or any other recorded image from a photo speed  
6 violation monitoring system shall not be open to the public, nor subject  
7 to civil or criminal process or discovery, nor used by any court or  
8 administrative or adjudicatory body in any action or proceeding therein  
9 except that which is necessary for the adjudication of a notice of  
10 liability issued pursuant to this section, and no public entity or  
11 employee, officer or agent thereof shall disclose such information,  
12 except that such photographs, microphotographs, videotape or any other  
13 recorded images from such systems:

14 (A) shall be available for inspection and copying and use by the motor  
15 vehicle owner and operator for so long as such photographs, microphoto-  
16 graphs, videotape or other recorded images are required to be maintained  
17 or are maintained by such public entity, employee, officer or agent; and

18 (B) (1) shall be furnished when described in a search warrant issued  
19 by a court authorized to issue such a search warrant pursuant to article  
20 six hundred ninety of the criminal procedure law or a federal court  
21 authorized to issue such a search warrant under federal law, where such  
22 search warrant states that there is reasonable cause to believe such  
23 information constitutes evidence of, or tends to demonstrate that, a  
24 misdemeanor or felony offense was committed in this state or another  
25 state, or that a particular person participated in the commission of a  
26 misdemeanor or felony offense in this state or another state, provided,  
27 however, that if such offense was against the laws of another state, the  
28 court shall only issue a warrant if the conduct comprising such offense  
29 would, if occurring in this state, constitute a misdemeanor or felony  
30 against the laws of this state; and

31 (2) shall be furnished in response to a subpoena duces tecum signed by  
32 a judge of competent jurisdiction and issued pursuant to article six  
33 hundred ten of the criminal procedure law or a judge or magistrate of a  
34 federal court authorized to issue such a subpoena duces tecum under  
35 federal law, where the judge finds and the subpoena states that there is  
36 reasonable cause to believe such information is relevant and material to  
37 the prosecution, or the defense, or the investigation by an authorized  
38 law enforcement official, of the alleged commission of a misdemeanor or  
39 felony in this state or another state, provided, however, that if such  
40 offense was against the laws of another state, such judge or magistrate  
41 shall only issue such subpoena if the conduct comprising such offense  
42 would, if occurring in this state, constitute a misdemeanor or felony in  
43 this state; and

44 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
45 of this subparagraph and otherwise admissible, be used in such criminal  
46 action or proceeding.

47 (b) If the village of Croton-on-Hudson establishes a demonstration  
48 program pursuant to subdivision (a) of this section, the owner of a  
49 vehicle shall be liable for a penalty imposed pursuant to this section  
50 if such vehicle was used or operated with the permission of the owner,  
51 express or implied, within a school speed zone in violation of subdivi-  
52 sion (c) or during the times authorized pursuant to subdivision (a) of  
53 this section in violation of subdivision (b), (d), (f) or (g) of section  
54 eleven hundred eighty of this article, such vehicle was traveling at a  
55 speed of more than ten miles per hour above the posted speed limit in  
56 effect within such school speed zone, and such violation is evidenced by

1 information obtained from a photo speed violation monitoring system;  
2 provided however that no owner of a vehicle shall be liable for a penal-  
3 ty imposed pursuant to this section where the operator of such vehicle  
4 has been convicted of the underlying violation of subdivision (b), (c),

28 prima facie evidence of the facts contained therein. Any photographs,  
29 microphotographs, videotape or other recorded images evidencing such a  
30 violation shall include at least two date and time stamped images of the

44 for the failure to respond to a notice of liability within the  
45 prescribed time period.

46 (f) An imposition of liability under the demonstration program estab-  
47 lished pursuant to this section shall not be deemed a conviction as an

18 failure to contest in the manner and time provided shall be deemed an  
19 admission of liability and that a default judgment may be entered there-  
20 on.

21 4. The notice of liability shall be prepared and mailed by the village  
22 of Croton-on-Hudson, or by any other entity authorized by the village to

29 having been stolen, it shall be a valid defense to an allegation of  
30 liability for a violation of subdivision (b), (c), (d), (f) or (g) of  
31 section eleven hundred eighty of this article pursuant to this section  
32 that the vehicle or the number plate or plates of such vehicle had been  
33 reported to the police as stolen prior to the time the violation  
34 occurred and had not been recovered by such time. For purposes of  
35 asserting the defense provided by this subdivision, it shall be suffi-  
36 cient that a certified copy of the police report on the stolen vehicle  
37 or number plate or plates of such vehicle be sent by first class mail to  
38 the village of Croton-on-Hudson traffic violations bureau or by any  
39 other entity authorized by the village to prepare and mail such notice  
40 of liability.

41 (j) 1. An owner who is a lessor of a vehicle to which a notice of  
42 liability was issued pursuant to subdivision (g) of this section shall  
43 not be liable for the violation of subdivision (b), (c), (d), (f) or (g)  
44 of section eleven hundred eighty of this article pursuant to this  
45 section, provided that:

46 (i) prior to the violation, the lessor has filed with such traffic  
47 violations bureau in accordance with the provisions of section two

17 section if the operator of such vehicle was operating such vehicle with-  
18 out the consent of the owner at the time such operator operated such  
19 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section

23 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)  
24 or (g) of section eleven hundred eighty of this article.

25 (l) Nothing in this section shall be construed to limit the liability  
26 of an operator of a vehicle for any violation of subdivision (c) or (d)  
27 of section eleven hundred eighty of this article.

28 (m) If the village adopts a demonstration program pursuant to subdivi-
