4 certain posted maximum speed limits; Mt. Vernon. (a) 1. Notwithstanding
5 any other provision of law, the city of Mt. Vernon is hereby authorized

1 speed limits are in effect as provided in subdivision (b), (d), (f) or
2 (g) of section eleven hundred eighty of this article during the follow-
3 ing times: (A) on school days during school hours and one hour before
4 and one hour after the school day, and (B) a period during student
5 activities at the school and up to thirty minutes immediately before and
6 up to thirty minutes immediately after such student activities. In
7 selecting a school speed zone in which to install and operate a photo
8 speed violation monitoring system, the city shall consider criteria
9 including, but not limited to, the speed data, crash history, and the
10 roadway geometry applicable to such school speed zone.

11 2. No photo speed violation monitoring system shall be used in a
12 school speed zone unless (i) on the day it is to be used it has success-
13 fully passed a self-test of its functions; and (ii) it has undergone an
14 annual calibration check performed pursuant to paragraph four of this
15 subdivision. The city shall install signs giving notice that a photo
16 speed violation monitoring system is in use to be mounted on advance
17 warning signs notifying motor vehicle operators of such upcoming school
18 speed zone and/or on speed limit signs applicable within such school
19 speed zone, in conformance with standards established in the MUTCD.

20 3. Operators of photo speed violation monitoring systems shall have
21 completed training in the procedures for setting up, testing, and oper-
22 ating such systems. Each such operator shall complete and sign a daily
23 set-up log for each such system that such operator operates that (i)
24 states the date and time when, and the location where, the system was
25 set up that day, and (ii) states that such operator successfully
26 performed, and the system passed, the self-tests of such system before
27 producing a recorded image that day. The city shall retain each such
28 daily log until the later of the date on which the photo speed violation
29 monitoring system to which it applies has been permanently removed from
30 use or the final resolution of all cases involving notices of liability
31 issued based on photographs, microphotographs, videotape or other
32 recorded images produced by such system.

33 4. Each photo speed violation monitoring system shall undergo an annu-
34 al calibration check performed by an independent calibration laboratory
35 which shall issue a signed certificate of calibration. The city shall
36 keep each such annual certificate of calibration on file until the final
37 resolution of all cases involving a notice of liability issued during
38 such year which were based on photographs, microphotographs, videotape
39 or other recorded images produced by such photo speed violation monitor-
40 ing system.

41 5. (i) Such demonstration program shall utilize necessary technologies
42 to ensure, to the extent practicable, that photographs, microphoto-
43 graphs, videotape or other recorded images produced by such photo speed
44 violation monitoring systems shall not include images that identify the
45 driver, the passengers, or the contents of the vehicle. Provided,
46 however, that no notice of liability issued pursuant to this section
47 shall be dismissed solely because such a photograph, microphotograph,
48 videotape or other recorded image allows for the identification of the
49 driver, the passengers, or the contents of vehicles where the city shows
50 that it made reasonable efforts to comply with the provisions of this
51 paragraph in such case.

52 (ii) Photographs, microphotographs, videotape or any other recorded
53 image from a photo speed violation monitoring system shall be for the
54 exclusive use of the city for the purpose of the adjudication of liabil-
55 ity imposed pursuant to this section and of the owner receiving a notice
56 of liability pursuant to this section, and shall be destroyed by the

1 city upon the final resolution of the notice of liability to which such
2 photographs, microphotographs, videotape or other recorded images
3 relate, or one year following the date of issuance of such notice of
4 liability, whichever is later. Notwithstanding the provisions of any
5 other law, rule or regulation to the contrary, photographs, microphoto-
6 graphs, videotape or any other recorded image from a photo speed
7 violation monitoring system shall not be open to the public, nor subject
8 to civil or criminal process or discovery, nor used by any court or
9 administrative or adjudicatory body in any action or proceeding therein
10 except that which is necessary for the adjudication of a notice of
11 liability issued pursuant to this section, and no public entity or
12 employee, officer or agent thereof shall disclose such information,
13 except that such photographs, microphotographs, videotape or any other
14 recorded images from such systems:

15 (A) shall be available for inspection and copying and use by the motor
16 vehicle owner and operator for so long as such photographs, microphoto-
17 graphs, videotape or other recorded images are required to be maintained
18 or are maintained by such public entity, employee, officer or agent; and

19 (B) (1) shall be furnished when described in a search warrant issued
20 by a court authorized to issue such a search warrant pursuant to article
21 six hundred ninety of the criminal procedure law or a federal court
22 authorized to issue such a search warrant under federal law, where such
23 search warrant states that there is reasonable cause to believe such
24 information constitutes evidence of, or tends to demonstrate that, a
25 misdemeanor or felony offense was committed in this state or another
26 state, or that a particular person participated in the commission of a
27 misdemeanor or felony offense in this state or another state, provided,
28 however, that if such offense was against the laws of another state, the
29 court shall only issue a warrant if the conduct comprising such offense
30 would, if occurring in this state, constitute a misdemeanor or felony
31 against the laws of this state; and

32 (2) shall be furnished in response to a subpoena duces tecum signed by
33 a judge of competent jurisdiction and issued pursuant to article six
34 hundred ten of the criminal procedure law or a judge or magistrate of a
35 federal court authorized to issue such a subpoena duces tecum under
36 federal law, where the judge finds and the subpoena states that there is
37 reasonable cause to believe such information is relevant and material to
38 the prosecution, or the defense, or the investigation by an authorized
39 law enforcement official, of the alleged commission of a misdemeanor or
40 felony in this state or another state, provided, however, that if such
41 offense was against the laws of another state, such judge or magistrate
42 shall only issue such subpoena if the conduct comprising such offense
43 would, if occurring in this state, constitute a misdemeanor or felony in
44 this state; and

45 (3) may, if lawfully obtained pursuant to this clause and clause (A)
46 of this subparagraph and otherwise admissible, be used in such criminal
47 action or proceeding.

48 (b) If the city of Mt. Vernon establishes a demonstration program
49 pursuant to subdivision (a) of this section, the owner of a vehicle
50 shall be liable for a penalty imposed pursuant to this section if such
51 vehicle was used or operated with the permission of the owner, express
52 or implied, within a school speed zone in violation of subdivision (c)
53 or during the times authorized pursuant to subdivision (a) of this
54 section in violation of subdivision (b), (d), (f) or (g) of section
55 eleven hundred eighty of this article, such vehicle was traveling at a
56 speed of more than ten miles per hour above the posted speed limit in

1 effect within such school speed zone, and such violation is evidenced by
2 information obtained from a photo speed violation monitoring system;
3 provided however that no owner of a vehicle shall be liable for a penal-
4 ty imposed pursuant to this section where the operator of such vehicle
5 has been convicted of the underlying violation of subdivision (b), (c),
6 (d), (f) or (g) of section eleven hundred eighty of this article.

31 violation shall include at least two date and time stamped images of the

46 (f) An imposition of liability under the demonstration program estab-

48 operator and shall not be made part of the operating record of the
49 person upon whom such liability is imposed nor shall it be used for
50 insurance purposes in the provision of motor vehicle insurance coverage.

51 (g) 1. A notice of liability shall be sent by first class mail to each

21 4. The notice of liability shall be prepared and mailed by the city of
22 Mt. Vernon, or by any other entity authorized by the city to prepare and
23 mail such notice of liability.

24 (h) Adjudication of the liability imposed upon owners by this section
25 shall be by the city of Mt. Vernon parking violations bureau.

26 (i) If an owner receives a notice of liability pursuant to this
27 section for any time period during which the vehicle or the number plate

29 having been stolen, it shall be a valid defense to an allegation of
30 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
31 section eleven hundred eighty of this article pursuant to this section
32 that the vehicle or the number plate or plates of such vehicle had been
33 reported to the police as stolen prior to the time the violation
34 occurred and had not been recovered by such time. For purposes of
35 asserting the defense provided by this subdivision, it shall be suffi-

43 of section eleven hundred eighty of this article pursuant to this
44 section, provided that:

45 (i) prior to the violation, the lessor has filed with such parking

52 identified in the notice of liability at the time of such violation,
53 together with such other additional information contained in the rental,
54 lease or other contract document, as may be reasonably required by such
55 bureau pursuant to regulations that may be promulgated for such purpose.

1 2. Failure to comply with subparagraph (ii) of paragraph one of this
2 subdivision shall render the owner liable for the penalty prescribed in
3 this section.

9 subdivision (g) of this section.

10 (k) 1. If the owner liable for a violation of subdivision (c) or (d)
11 of section eleven hundred eighty of this article pursuant to this
12 section was not the operator of the vehicle at the time of the

23 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
24 or (g) of section eleven hundred eighty of this article.

25 (l) Nothing in this section shall be construed to limit the liability
26 of an operator of a vehicle for any violation of subdivision (c) or (d)
27 of section eleven hundred eighty of this article.

28 (m) If the city adopts a demonstration program pursuant to subdivision
29 (a) of this section it shall conduct a study and submit an annual report
