AN ACT making appropriations for the support of government

AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for aid to
2 localities, or so much thereof as shall be sufficient to accomplish the
3 purposes designated by the appropriations, are hereby appropriated and
4 authorized to be paid as hereinafter provided, to the respective public
5 officers and for the several purposes specified.
6 b) Where applicable, appropriations made by this chapter for expend-
7 itures from federal grants for aid to localities may be allocated for
8 spending from federal grants for any grant period beginning, during, or
9 prior to, the state fiscal year beginning on April 1, 2026 except as
10 otherwise noted.
11 c) The several amounts named herein, or so much thereof as shall be
12 sufficient to accomplish the purpose designated, being the undisbursed
13 and/or unexpended balances of the prior year's appropriations, are here-
14 by reappropriated from the same funds and made available for the same
15 purposes as the prior year's appropriations, unless herein amended, for
16 the fiscal year beginning April 1, 2026. Certain reappropriations in
17 this chapter are shown using abbreviated text, with three leader dots
18 (an ellipsis) followed by three spaces (...) used to indicate where
19 existing law that is being continued is not shown. However, unless a
20 change is clearly indicated by the use of brackets [-] for deletions and
21 underscores for additions, the purposes, amounts, funding source and all
22 other aspects pertinent to each item of appropriation shall be as last
23 appropriated.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD12653-07-6

1 For the purpose of complying with the state finance law, the year,
2 chapter and section of the last act reappropriating a former original
3 appropriation or any part thereof is, unless otherwise indicated, chap-
4 ter 53, section 1, of the laws of 2025.

5 d) No moneys appropriated by this chapter shall be available for
6 payment until a certificate of approval has been issued by the director
7 of the budget, who shall file such certificate with the department of
8 audit and control, the chairperson of the senate finance committee and
9 the chairperson of the assembly ways and means committee.

10 e) Notwithstanding any provision contained herein or any other law to
11 the contrary, if, on a cash basis of accounting, a general fund imbal-
12 ance has or is expected to occur in fiscal year 2026-27, the budget
13 director is hereby authorized to withhold all or some of the amounts
14 appropriated herein, including amounts that are to be paid on specific
15 dates prescribed in law or regulation. Prior to withholding any amounts,
16 the director shall consider whether other means are available for accom-
17 plishing the purposes of this provision. Provided further, the director
18 shall consider the impact of any such amounts to be withheld. To the
19 extent the state is obligated to make payment to any individual or enti-
20 ty pursuant to any appropriation contained herein, such obligation shall
21 be reduced commensurate with such payments withheld by the director of
22 the budget.

23 The following types of appropriations shall be exempt from such with-
24 holds pursuant to this provision: (a) public assistance payments for
25 families and individuals and payments for eligible aged, blind and disa-
26 bled persons related to supplemental social security; (b) any reductions
27 that would violate federal law; (c) payments of debt service and related
28 expenses for which the state is constitutionally obligated to pay debt
29 service or is contractually obligated to pay debt service, subject to an
30 appropriation, including where the state has a contingent contractual
31 obligation; and (d) payments the state is obligated to make pursuant to
32 court orders or judgments.

33 For purposes of this provision, a general fund imbalance shall occur
34 if any state fiscal year 2026-27 quarterly financial plan update
35 required by subdivision 4 of section 23 of the state finance law
36 reflects, or if at any point during the final quarter of state fiscal
37 year 2026-27 the budget director projects, that estimated general fund
38 receipts and/or estimated general fund disbursements have or will vary
39 from the estimates included in the state fiscal year 2026-27 enacted
40 budget financial plan required by sections 22 and 23 of the state
41 finance law results in a cumulative budget imbalance of \$2,000,000,000
42 or more. Provided however, that such \$2,000,000,000 must be calculated
43 without considering any payments withheld in accordance with this
44 provision or any depletion of the state fiscal year 2026-27 transaction
45 risk reserve accounting mechanism.

46 "Estimated general fund receipts" shall mean general fund tax
47 receipts, after payment of debt service and miscellaneous receipts esti-
48 mated by the budget director to be received during state fiscal year
49 2026-27.

50 "Estimated general funds disbursements" shall mean general funds
51 disbursements, including transfers, estimated by the budget director to
52 be made during state fiscal year 2026-27.

53 No later than ten business days following the issuance of any state
54 fiscal year 2026-27 quarterly financial plan update that includes a
55 determination, and/or the date in the final quarter of the state fiscal
56 year 2026-27 upon which the budget director determines, that a general

1 fund imbalance exists, the budget director shall provide notification of
2 payments that will be withheld pursuant to this provision to the presi-
3 dent pro tempore of the senate and the speaker of the assembly.
4 Provided, however, the aggregate amount of payments withheld pursuant to
5 this provision shall at no point be in an amount greater than the deter-
6 mined cumulative general fund imbalance. Provided further however,
7 before any payments may be withheld pursuant to this provision, the
8 budget director shall first deplete the \$2,000,000,000 transaction risk
9 reserve accounting mechanism to resolve the determined general fund
10 imbalance, as practicable. Such notification will also identify any
11 other means the budget director intends to use to resolve any portion of
12 the general fund imbalance, including but not limited to the aforemen-
13 tioned depletion of the transaction risk reserve and/or any other
14 resources.

15 Following such budget director notification, the legislature shall
16 have ten business days to prepare and adopt by concurrent resolution its
17 own withhold plan which conforms with the requirements of this
18 provision, and which achieves the same aggregate of payment withholds as
19 the budget director's withhold plan. If after ten business days follow-
20 ing the budget director's notification the legislature fails to prepare
21 and adopt its own withhold plan, or if the budget director determines
22 that the withhold plan prepared and adopted by the legislature does not
23 conform with the requirements of this provision, the withholds identi-
24 fied in the budget director's withhold plan will immediately take
25 effect.

26 Notwithstanding any other provision contained herein or any other
27 provision of law to the contrary, any payments withheld pursuant to this
28 section may be paid in full or in part if a subsequent general fund
29 surplus materializes in state fiscal year 2026-27.

30 f) Notwithstanding any provision of law to the contrary, subject to
31 the approval of the director of the budget, the federal funds appropri-
32 ated herein shall be available for the purposes of the stated program,
33 regardless of the federal agency administering such program, and may be
34 expended for all eligible costs consistent with applicable federal laws
35 and regulations, including pursuant to a memorandum of understanding or
36 interagency agreement with other state departments or agencies for the
37 administration or operation of such program.

38 g) Notwithstanding any provision of law to the contrary, upon enact-
39 ment of this chapter of the laws of 2026 containing the aid to locali-
40 ties budget bill for the state fiscal year 2026-27, all appropriations
41 and reappropriations contained in chapter 53 of the laws of 2025, which
42 would otherwise lapse by operation of law on March 31, 2027 are hereby
43 repealed.

44 h) The appropriations contained in this chapter shall be available for
45 the fiscal year beginning on April 1, 2026 except as otherwise noted.

27 of the social services district to comply

35 results solely from the late enactment of

17 before April 1, 2005 for all direct and
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the
20 office of children and family services
21 shall impose on social services districts
22 any federal disallowance issued against
23 the state as a result of a federal title
24 IV-E secondary eligibility review regard-
25 less of the date the children may have
26 entered foster care, the date the eligi-
27 bility or payment errors occurred, or the
28 filing date of any federal claims for
29 reimbursement; provided, however, that the
30 state shall be responsible for the disal-

40 ance imposed on the state by the federal
41 administration for children and families
42 within the timeframes necessary to avoid
43 any potential interest payments on such
44 amount, the office of children and family

1 applicable statewide title IV-E claims.
2 The amount of the offset against each
3 district will be adjusted, if necessary,
4 upon completion of the disallowance allo-
5 cation process. The final allocation of
6 the amount of any federal disallowance
7 resulting from a title IV-E secondary
8 eligibility review shall be allocated
9 among the districts so that each district
10 shall be responsible for the amount
11 attributable to each of the district's
12 children or cases that are determined by
13 the federal review to be unallowable. Each
14 district shall also be responsible for a
15 portion of the federal extrapolated disal-
16 lowance amount based on the relative error
17 rate for the district. The city of New
18 York's error rate will be based on the
19 federal sample and federal statistics. For
20 all social services districts other than
21 the city of New York, the error rate will
22 be based on a review conducted by the
23 district of a sample of children and/or
24 cases determined by the office of children
25 and family services and a re-review of a
26 sub-sample by the office of those children
27 and/or cases determined by the office. The
28 office of children and family services
29 will determine what is reasonable in
30 establishing the size of the sample and
31 sub-sample for each district. The office
32 of children and family services shall
33 notify each social services district of
34 the sample of children and/or cases from
35 the federal audit period that the social
36 services district must review. Any child
37 or case from the social services district
38 that was included in the federal sample
39 will automatically be included in the
40 social services district's review sample
41 and the determination made at the federal
42 review regarding that child or case will
43 govern for the purposes of the social
44 services district's review. The social
45 services district must complete and submit
46 the results of its review to the office of
47 children and family services within 60
48 days of receipt of the sample. The error
49 rate for the district will be based on the
50 findings of the district's review and the
51 office of children and family services'

1 re-review. If a social services district
2 does not complete its review within 60
3 days of receiving the sample from the
4 office of children and family services,
5 the office of children and family services
6 shall assign an error rate to the social
7 services district based on the relative
8 percentage of the district's applicable
9 title IV-E claims for the relevant period
10 as compared to applicable statewide title
11 IV-E claims for that period and other
12 circumstances that the office of children
13 and family services may consider in order
14 to allocate 100 percent of the federal
15 disallowance. The office of children and
16 family services shall apply each social
17 services district's error rate to the
18 total amount of the district's applicable
19 title IV-E claims including associated
20 administrative expenses. The resulting
21 dollar amounts for all of the social
22 services districts will be summed to
23 derive the total amount of title IV-E
24 claims deemed to be in error statewide. To
25 establish a disallowance percentage for
26 each social services district, the amount
27 of the district's title IV-E claims deemed
28 to be in error will be divided by the
29 amount of statewide title IV-E claims
30 deemed to be in error. The resulting
31 disallowance percentage for each district
32 will be applied to the entire title IV-E
33 extrapolated disallowance calculated by
34 the federal review to determine the amount
35 of the extrapolated disallowance for which
36 the district is responsible. Each district
37 will be credited for the amount already
38 disallowed for any individual children or
39 cases found to be in error during the
40 federal review. The exclusive appeal
41 rights for the review of the amount of the
42 federal disallowance assigned to each
43 social services district shall be pursuant
44 to article 78 of the civil practice law
45 and rules; provided, however, that in any
46 such action all of the social services
47 districts shall be joined as necessary
48 parties and the venue of any such action

AID TO LOCALITIES - REAPPROPRIATIONS 2026-27

1 Notwithstanding any other provision of law, a portion of the funds are
2 available to reimburse social services districts for the change in
3 the maximum state aid rates established by the office of children
4 and family services for the 2025-26 rate year pursuant to section
5 398-a of the social services law and sections 4003 and 4405 of the
6 education law to reflect the continuation of the cost of living
7 adjustments that became effective April 1, 2008 for payments made to
8 foster parents and for salary and fringe benefit costs and other
9 critical nonpersonal services costs for foster care programs as
10 determined by the office. Social services districts must adjust the
11 amount of payments made for care provided by congregate care and
12 foster boarding home programs and to foster parents to reflect the
13 cost of living adjustments in the manner specified by the office.
14 Each authorized agency operating a congregate care or foster board-
15 ing home program in New York state for which the office sets a maxi-
16 mum state aid rate pursuant to section 398-a of the social services
17 law or section 4003 or 4405 of the education law shall submit, at
18 the time and in a manner to be determined by the office, a written
19 certification, attesting that the funds received for the continua-
20 tion of the cost of living adjustment to the maximum state aid rate
21 that became effective April 1, 2008 for that program will be or were
22 used solely in accordance with the requirements of the cost of
23 living adjustment established by the office.

24 Notwithstanding any inconsistent provision of law including, but not
25 limited to, any chapter of the laws of 2025 which enacts a targeted
26 inflationary increase for the state fiscal year beginning on April
27 1, 2025, the commissioner shall continue to apply any cost of living
28 adjustment increase in effect on March 31, 2025 for the entire rate
29 year that began when such cost of living adjustment increase was in
30 effect. Notwithstanding any inconsistent provision of law, the
31 commissioner shall apply a 2.6 percent targeted inflationary
32 increase for the rate year that begins on July 1, 2025 for the
33 purposes of establishing rates of payments, contracts, or any other
34 form of reimbursement, provided that this shall not prevent the
35 commissioner from applying additional trend or staff retention
36 factors for this program.

37 Within the amounts appropriated herein, state reimbursement to each
38 social services district for services identified herein that are
39 otherwise reimbursable by the state from April 1, 2025 through March
40 31, 2026 shall be limited to a district allocation, hereinafter
41 referred to as the district's block grant allocation. Notwithstand-
42 ing any other provision of law, such block grant allocation shall be
43 based, in part, on each district's claims for such costs, adjusted
44 by the applicable cost allocation methodology and net of any retro-
45 active payments for the 12 month period ending June 30, 2024 that
46 are submitted on or before January 2, 2025 and, in part, on such
47 other factors as determined by the office of children and family
48 services and approved by the director of the budget. Any portion of
49 a social services district's allocation from funds appropriated
50 herein not claimed by such district during the state fiscal year may
51 be used by such district for expenditures on preventive services

provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2025.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the

1 criteria and have readily available all the necessary documents to
2 establish and continue title IV-E eligibility for all title IV-E
3 eligible children within the required time frames; claim title IV-E
4 funding only for cases that meet all of the title IV-E eligibility
5 criteria; and fully implement the social services payment system on
6 or before April 1, 2005 for all direct and voluntary agency foster
7 care services.

8 Notwithstanding any law to the contrary, the office of children and
9 family services shall impose on social services districts any federal
10 al disallowance issued against the state as a result of a federal
11 title IV-E secondary eligibility review regardless of the date the
12 children may have entered foster care, the date the eligibility or
13 payment errors occurred, or the filing date of any federal claims
14 for reimbursement; provided, however, that the state shall be
15 responsible for the disallowed costs and expenditures related to the
16 placement of children in a facility operated by the office of chil-
17 dren and family services, which shall be determined in the same
18 manner as the disallowed costs and expenditures for social services
19 districts other than the city of New York. In order to reimburse the
20 federal government for the full amount of any disallowance imposed
21 on the state by the federal administration for children and families
22 within the timeframes necessary to avoid any potential interest
23 payments on such amount, the office of children and family services
24 is authorized to immediately offset funds otherwise due to each
25 district for a pro rata share of the total disallowed costs based on
26 the percentage of applicable federal title IV-E claims made by that
27 district for the relevant time period as compared to the total
28 applicable statewide title IV-E claims. The amount of the offset
29 against each district will be adjusted, if necessary, upon
30 completion of the disallowance allocation process. The final allo-
31 cation of the amount of any federal disallowance resulting from a
32 title IV-E secondary eligibility review shall be allocated among the
33 districts so that each district shall be responsible for the amount
34 attributable to each of the district's children or cases that are
35 determined by the federal review to be unallowable. Each district
36 shall also be responsible for a portion of the federal extrapolated
37 disallowance amount based on the relative error rate for the
38 district. The city of New York's error rate will be based on the
39 federal sample and federal statistics. For all social services
40 districts other than the city of New York, the error rate will be
41 based on a review conducted by the district of a sample of children
42 and/or cases determined by the office of children and family
43 services and a re-review of a sub-sample by the office of those
44 children and/or cases determined by the office. The office of chil-
45 dren and family services will determine what is reasonable in estab-
46 lishing the size of the sample and sub-sample for each district. The
47 office of children and family services shall notify each social
48 services district of the sample of children and/or cases from the
49 federal audit period that the social services district must review.
50 Any child or case from the social services district that was
51 included in the federal sample will automatically be included in the

1 social services district's review sample and the determination made
2 at the federal review regarding that child or case will govern for
3 the purposes of the social services district's review. The social
4 services district must complete and submit the results of its review
5 to the office of children and family services within 60 days of
6 receipt of the sample. The error rate for the district will be based
7 on the findings of the district's review and the office of children
8 and family services' re-review. If a social services district does
9 not complete its review within 60 days of receiving the sample from
10 the office of children and family services, the office of children
11 and family services shall assign an error rate to the social
12 services district based on the relative percentage of the district's
13 applicable title IV-E claims for the relevant period as compared to
14 applicable statewide title IV-E claims for that period and other
15 circumstances that the office of children and family services may
16 consider in order to allocate 100 percent of the federal disallow-
17 ance. The office of children and family services shall apply each
18 social services district's error rate to the total amount of the
19 district's applicable title IV-E claims including associated admin-
20 istrative expenses. The resulting dollar amounts for all of the
21 social services districts will be summed to derive the total amount
22 of title IV-E claims deemed to be in error statewide. To establish a
23 disallowance percentage for each social services district, the
24 amount of the district's title IV-E claims deemed to be in error
25 will be divided by the amount of statewide title IV-E claims deemed
26 to be in error. The resulting disallowance percentage for each
27 district will be applied to the entire title IV-E extrapolated
28 disallowance calculated by the federal review to determine the
29 amount of the extrapolated disallowance for which the district is
30 responsible. Each district will be credited for the amount already
31 disallowed for any individual children or cases found to be in error
32 during the federal review. The exclusive appeal rights for the
33 review of the amount of the federal disallowance assigned to each
34 social services district shall be pursuant to article 78 of the
35 civil practice law and rules; provided, however, that in any such
36 action all of the social services districts shall be joined as
37 necessary parties and the venue of any such action shall be in Rens-
38 selaer county. Any social services district that fails to complete
39 its sample review in the required time frames shall have no right to
40 appeal and shall not be a necessary party to any action brought by
41 another social services district.

42 The money hereby appropriated is to be available for payment of state
43 aid heretofore accrued or hereafter to accrue to municipalities.
44 Subject to the approval of the director of the budget, such funds
45 shall be available to the office net of disallowances, refunds,
46 reimbursements, and credits.

47 Notwithstanding any inconsistent provision of law, the amount herein
