4 New York state medical indemnity fund,
5 pursuant to chapter 59 of the laws of
6 2011, and state costs or savings from the

10 department of health state funds
11 medicaid expenditures as a result of a

13 a governmental declaration of emergency.
14

15 The director of the budget, in consultation
16 with the commissioner of health, shall
17 assess on a quarterly basis known and
18 projected medicaid expenditures by category
19 of service and by geographic region, as
20 determined by the commissioner of health,
21 incurred both prior to and subsequent to
22 such assessment for each such period, and
23 if the director of the budget determines
24 that such expenditures are expected to
25 cause medicaid spending for such period to
26 exceed the aggregate limit specified herein
27 for such period, the state medicaid
28 director, in consultation with the director
29 of the budget and the commissioner of
30 health, shall develop a medicaid savings
31 allocation adjustment to limit such spending
32 to the aggregate limit specified herein
33 for such period.

34 Such medicaid savings allocation adjustment
35 shall be designed, to reduce the expenditures
36 authorized by the appropriations
37 herein in compliance with the following
38 guidelines: (1) reductions shall be made
39 in compliance with applicable federal law,
40 including the provisions of the Patient
41 Protection and Affordable Care Act, Public
42 Law No. 111-148, and the Health Care and
43 Education Reconciliation Act of 2010,
44 Public Law No. 111-152 (collectively
45 "Affordable Care Act") and any subsequent
46 amendments thereto or regulations promulgated
47 thereunder; (2) reductions shall be
48 made in a manner that complies with the
49 state medicaid plan approved by the federal
50 centers for medicare and medicaid
51 services, provided, however, that the
52 commissioner of health is authorized to

DEPARTMENT OF HEALTH

1 submit any state plan amendment or seek
2 other federal approval, including waiver
3 authority, to implement the provisions of
4 the medicaid savings allocation adjustment
5 that meets the other criteria set forth
6 herein; (3) reductions shall be made in a
7 manner that maximizes federal financial
8 participation, to the extent practicable,
9 including any federal financial partic-
10 ipation that is available or is reasonably
11 expected to become available, in the
12 discretion of the commissioner, under the
13 Affordable Care Act; (4) reductions shall
14 be made uniformly among categories of
15 services and geographic regions of the
16 state, to the extent practicable, and
17 shall be made uniformly within a category
18 of service, to the extent practicable,
19 except where the commissioner determines
20 that there are sufficient grounds for
21 non-uniformity, including but not limited
22 to: the extent to which specific cate-
23 gories of services contributed to department
24 of health medicaid state funds spending in
25 excess of the limits specified herein; the
26 need to maintain safety net services in
27 underserved communities; or the potential
28 benefits of pursuing innovative payment
29 models contemplated by the Affordable Care
30 Act, in which case such grounds shall be
31 set forth in the medicaid savings allo-
32 cation adjustment; and (5) reductions
33 shall be made in a manner that does not
34 unnecessarily create administrative
35 burdens to medicaid applicants and recipi-
36 ents or providers.

37 The commissioner shall seek the input of the
38 legislature, as well as organizations
39 representing health care providers,
40 consumers, businesses, workers, health
41 insurers, and others with relevant exper-
42 tise, in developing such medicaid savings
43 allocation adjustment, to the extent that
44 all or part of such adjustment, in the
45 discretion of the commissioner, is likely
46 to have a material impact on the overall
47 medicaid program, particular categories of
48 service or particular geographic regions
49 of the state.

50 (a) The commissioner shall post the medicaid
51 savings allocation adjustment on the
52 department of health's website and shall

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 provide written copies of such adjustment
2 to the chairs of the senate finance and
3 the assembly ways and means committees at
4 least 30 days before the date on which
5 implementation is expected to begin.

6 (b) The commissioner may revise the medicaid
7 savings allocation adjustment subsequent
8 to the provisions of notice and prior to
9 implementation but needs to provide a new
10 notice pursuant to subparagraph (i) of
11 this paragraph only if the commissioner
12 determines, in his or her discretion, that
13 such revisions materially alter the
14 adjustment.

15 Notwithstanding the provisions of paragraphs
16 (a) and (b) of this subdivision, the
17 commissioner need not seek the input
18 described in paragraph (a) of this subdivi-
19 sion or provide notice pursuant to para-
20 graph (b) of this subdivision if, in the
21 discretion of the commissioner, expedited
22 development and implementation of a medi-
23 caid savings allocation adjustment is
24 necessary due to a public health emergen-
25 cy.

26 For purposes of this section, a public
27 health emergency is defined as: (i) a
28 disaster, natural or otherwise, that
29 significantly increases the immediate need
30 for health care personnel in an area of
31 the state; (ii) an event or condition that
32 creates a widespread risk of exposure to a
33 serious communicable disease, or the
34 potential for such widespread risk of
35 exposure; or (iii) any other event or
36 condition determined by the commissioner
37 to constitute an imminent threat to public
38 health.

39 Nothing in this paragraph shall be deemed to
40 prevent all or part of such medicaid
41 savings allocation adjustment from taking
42 effect retroactively to the extent permit-
43 ted by the federal centers for medicare
44 and medicaid services.

45 In accordance with the medicaid savings
46 allocation adjustment, the commissioner of
47 the department of health shall reduce
48 department of health state funds medicaid
49 spending by the amount of the projected
50 overspending through, actions including,

7 necessary federal approvals, including,
8 but not limited to waivers, waiver amend-
9 ments; and suspending time frames for
10 notice, approval or certification of rate
11 requirements, notwithstanding any
12 provision of law, rule or regulation to

14 sections 2807 and 3614 of the public
15 health law, section 18 of chapter 2 of the
16 laws of 1988, and 18 NYCRR 505.14(h).

17 The department of health shall prepare a
18 quarterly report that sets forth: (a)
19 known and projected department of health
20 medicaid expenditures as described in
21 subdivision (1) of this section, and
22 factors that could result in medicaid
23 disbursements for the relevant state
24 fiscal year to exceed the projected
25 department of health state funds disburse-
26 ments in the enacted budget financial plan
27 pursuant to subdivision 3 of section 23 of
28 the state finance law, including spending
29 increases or decreases due to: enrollment
30 fluctuations, rate changes, utilization
31 changes, MRT investments, and shift of
32 beneficiaries to managed care; and vari-
33 ations in offline medicaid payments; and
34 (b) the actions taken to implement any
35 medicaid savings allocation adjustment
36 implemented pursuant to subdivision (4) of
37 this section, including information
38 concerning the impact of such actions on
39 each category of service and each
40 geographic region of the state. Each such
41 quarterly report shall be provided to the
42 chairs of the senate finance and the
43 assembly ways and means committees and
44 shall be posted on the department of
45 health's website in a timely manner.

10 the aggregate, for the period April 1,
11 2026 through March 31, 2027, shall not
12 exceed \$36,099,200,000 except as provided
13 below provided, however, such aggregate
14 limits may be adjusted by the director of
15 the budget to account for any changes in
16 the New York state federal medical assist-
17 ance percentage amount established pursu-
18 ant to the federal social security act,
19 increases in provider revenues, reductions

34 The director of the budget, in consultation

36 assess on a quarterly basis known and
37 projected medicaid expenditures by catego-
38 ry of service and by geographic region, as
39 determined by the commissioner of health,
40 incurred both prior to and subsequent to
41 such assessment for each such period, and
42 if the director of the budget determines
43 that such expenditures are expected to

46 in for such period, the state medicaid
47 director, in consultation with the direc-
48 tor of the budget and the commissioner of
49 health, shall develop a medicaid savings

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial
27 participation, to the extent practicable,
28 including any federal financial partic-
29 ipation that is available or is reasonably
30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care
49 Act, in which case such grounds shall be
50 set forth in the medicaid savings allo-
51 cation adjustment; and (5) reductions
52 shall be made in a manner that does not

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 unnecessarily create administrative
2 burdens to medicaid applicants and recipi-
3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-
9 tise, in developing such medicaid savings
10 allocation adjustment, to the extent that
11 all or part of such adjustment, in the
12 discretion of the commissioner, is likely
13 to have a material impact on the overall
14 medicaid program, particular categories of
15 service or particular geographic regions
16 of the state.

17 (a) The commissioner shall post the medicaid
18 savings allocation adjustment on the
19 department of health's website and shall
20 provide written copies of such plan to the
21 chairs of the senate finance and the
22 assembly ways and means committees at
23 least 30 days before the date on which
24 implementation is expected to begin.

25 (b) The commissioner may revise the medicaid
26 savings allocation adjustment subsequent
27 to the provisions of notice and prior to
28 implementation but needs to provide a new
29 notice pursuant to subparagraph (i) of
30 this paragraph only if the commissioner
31 determines, in his or her discretion, that
32 such revisions materially alter the plan.

33 Notwithstanding the provisions of paragraphs
34 (a) and (b) of this subdivision, the
35 commissioner need not seek the input
36 described in paragraph (a) of this subdivi-
37 sion or provide notice pursuant to para-
38 graph (b) of this subdivision if, in the
39 discretion of the commissioner, expedited
40 development and implementation of a medi-
41 caid savings allocation adjustment is
42 necessary due to a public health emergen-
43 cy.

44 For purposes of this section, a public
45 health emergency is defined as: (i) a
46 disaster, natural or otherwise, that
47 significantly increases the immediate need
48 for health care personnel in an area of
49 the state; (ii) an event or condition that
50 creates a widespread risk of exposure to a
51 serious communicable disease, or the
52 potential for such widespread risk of

AID TO LOCALITIES 2026-27

1 exposure; or (iii) any other event or
2 condition determined by the commissioner
3 to constitute an imminent threat to public
4 health.

5 Nothing in this paragraph shall be deemed to
6 prevent all or part of such medicaid
7 savings allocation adjustment from taking
8 effect retroactively to the extent permit-
9 ted by the federal centers for medicare
10 and medicaid services.

11 In accordance with the medicaid savings
12 allocation adjustment, the commissioner of
13 the department of health shall reduce
14 department of health state funds medicaid

16 overspending through, actions including,
17 but not limited to modifying or suspending

21 provision of law that sets a specific
22 amount or methodology for any such
23 payments or rates of payment; modifying
24 medicaid program benefits; seeking all
25 necessary federal approvals, including,
26 but not limited to waivers, waiver amend-
27 ments; and suspending time frames for
28 notice, approval or certification of rate
29 requirements, notwithstanding any
30 provision of law, rule or regulation to
31 the contrary, including but not limited to
32 sections 2807 and 3614 of the public
33 health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a
36 quarterly report that sets forth: (a)
37 known and projected department of health
38 medicaid expenditures as described in
39 subdivision (1) of this section, and
40 factors that could result in medicaid
41 disbursements for the relevant state
42 fiscal year to exceed the projected
43 department of health state funds disburse-
44 ments in the enacted budget financial plan
45 pursuant to subdivision 3 of section 23 of
46 the state finance law, including spending
47 increases or decreases due to: enrollment
48 fluctuations, rate changes, utilization

6 geographic region of the state. Each such
7 quarterly report shall be provided to the
8 chairs of the senate finance and the
9 assembly ways and means committees and
10 shall be posted on the department of
11 health's website in a timely manner.

limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promul-

2 made in a manner that complies with the
3 state medicaid plan approved by the federal
4 centers for medicare and medicaid
5 services, provided, however, that the
6 commissioner of health is authorized to
7 submit any state plan amendment or seek
8 other federal approval, including waiver
9 authority, to implement the provisions of
10 the medicaid savings allocation adjustment
11 that meets the other criteria set forth
12 herein; (3) reductions shall be made in a
13 manner that maximizes federal financial
14 participation, to the extent practicable,
15 including any federal financial partic-
16 ipation that is available or is reasonably
17 expected to become available, in the
18 discretion of the commissioner, under the
19 Affordable Care Act; (4) reductions shall
20 be made uniformly among categories of
21 services and geographic regions of the
22 state, to the extent practicable, and
23 shall be made uniformly within a category
24 of service, to the extent practicable,
25 except where the commissioner determines
26 that there are sufficient grounds for
27 non-uniformity, including but not limited
28 to: the extent to which specific cate-
29 gories of services contributed to department
30 of health medicaid state funds spending in
31 excess of the limits specified herein; the
32 need to maintain safety net services in
33 underserved communities; or the potential
34 benefits of pursuing innovative payment
35 models contemplated by the Affordable Care
36 Act, in which case such grounds shall be
37 set forth in the medicaid savings allo-

4 (a) The commissioner shall post the medicaid

14 to the provisions of notice and prior to
15 implementation but needs to provide a new
16 notice pursuant to subparagraph (i) of
17 this paragraph only if the commissioner
18 determines, in his or her discretion, that
19 such revisions materially alter the plan.

22 commissioner need not seek the input
23 described in paragraph (a) of this subdivi-
24 sion or provide notice pursuant to para-

26 discretion of the commissioner, expedited
27 development and implementation of a medi-

39 potential for such widespread risk of
40 exposure; or (iii) any other event or

4 The director of the budget, in consultation with the commissioner of
5 health, shall assess on a quarterly basis known and projected medi-
6 caid expenditures by category of service and by geographic region,
7 as determined by the commissioner of health, incurred both prior to
8 and subsequent to such assessment for each such period, and if the
9 director of the budget determines that such expenditures are
10 expected to cause medicaid spending for such period to exceed the
11 aggregate limit specified herein for such period, the state medicaid
12 director, in consultation with the director of the budget and the
13 commissioner of health, shall develop a medicaid savings allocation
14 adjustment to limit such spending to the aggregate limit specified
15 herein for such period.

16 Such medicaid savings allocation adjustment shall be designed, to
17 reduce the expenditures authorized by the appropriations herein in
18 compliance with the following guidelines: (1) reductions shall be
19 made in compliance with applicable federal law, including the
20 provisions of the Patient Protection and Affordable Care Act, Public
21 Law No. 111-148, and the Health Care and Education Reconciliation
22 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

25 complies with the state medicaid plan approved by the federal
26 centers for medicare and medicaid services, provided, however, that
27 the commissioner of health is authorized to submit any state plan
28 amendment or seek other federal approval, including waiver authori-
29 ty, to implement the provisions of the medicaid savings allocation
30 adjustment that meets the other criteria set forth herein; (3)
31 reductions shall be made in a manner that maximizes federal finan-
32 cial participation, to the extent practicable, including any federal
33 financial participation that is available or is reasonably expected
34 to become available, in the discretion of the commissioner, under
35 the Affordable Care Act; (4) reductions shall be made uniformly
36 among categories of services and geographic regions of the state, to
37 the extent practicable, and shall be made uniformly within a catego-
38 ry of service, to the extent practicable, except where the commis-
39 sioner determines that there are sufficient grounds for non-uniform-
40 ity, including but not limited to: the extent to which specific
41 categories of services contributed to department of health medicaid
42 state funds spending in excess of the limits specified herein; the
43 need to maintain safety net services in underserved communities; or
44 the potential benefits of pursuing innovative payment models contem-
45 plated by the Affordable Care Act, in which case such grounds shall
46 be set forth in the medicaid savings allocation adjustment; and (5)
47 reductions shall be made in a manner that does not unnecessarily
48 create administrative burdens to medicaid applicants and recipients
49 or providers.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

2 excluding any payments which are not appropriated within the depart-
3 ment of health, in the aggregate, for the period April 1, 2025
4 through [~~March 31, 2026~~ September 15, 2026, shall not exceed
5 \$33,417,285,000 except as provided below provided, however, such
6 aggregate limits may be adjusted by the director of the budget to
7 account for any changes in the New York state federal medical
8 assistance percentage amount established pursuant to the federal
9 social security act, increases in provider revenues, reductions in
10 local social services district payments for medical assistance
11 administration, minimum wage increases, and beginning April 1, 2012
12 the operational costs of the New York state medical indemnity fund,
13 pursuant to chapter 59 of the laws of 2011, and state costs or
14 savings from the essential plan program. Such projections may be
15 adjusted by the director of the budget to account for increased or
16 expedited department of health state funds medicaid expenditures as
17 a result of a natural or other type of disaster, including a govern-
18 mental declaration of emergency.

19 The director of the budget, in consultation with the commissioner of
20 health, shall assess on a quarterly basis known and projected medi-
21 caid expenditures by category of service and by geographic region,
22 as defined by the commissioner, incurred both prior to and subse-
23 quent to such assessment for each such period, and if the director
24 of the budget determines that such expenditures are expected to
25 cause medicaid spending for such period to exceed the aggregate
26 limit specified herein for such period, the state medicaid director,
27 in consultation with the director of the budget and the commissioner
28 of health, shall develop a medicaid savings allocation adjustment to
29 limit such spending to the aggregate limit specified herein for such
30 period.

31 Such medicaid savings allocation adjustment shall be designed, to
32 reduce the expenditures authorized by the appropriations herein in
33 compliance with the following guidelines: (1) reductions shall be
34 made in compliance with applicable federal law, including the
35 provisions of the Patient Protection and Affordable Care Act, Public
36 Law No. 111-148, and the Health Care and Education Reconciliation
37 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
38 Act") and any subsequent amendments thereto or regulations promul-
39 gated thereunder; (2) reductions shall be made in a manner that
40 complies with the state medicaid plan approved by the federal
41 centers for medicare and medicaid services, provided, however, that
42 the commissioner of health is authorized to submit any state plan
43 amendment or seek other federal approval, including waiver authori-
44 ty, to implement the provisions of the medicaid savings allocation
45 adjustment that meets the other criteria set forth herein; (3)
46 reductions shall be made in a manner that maximizes federal finan-
47 cial participation, to the extent practicable, including any federal
48 financial participation that is available or is reasonably expected
49 to become available, in the discretion of the commissioner, under
50 the Affordable Care Act; (4) reductions shall be made uniformly
51 among categories of services and geographic regions of the state, to
52 the extent practicable, and shall be made uniformly within a catego-

1 ry of service, to the extent practicable, except where the commis-
2 sioner determines that there are sufficient grounds for non-uniform-
3 ity, including but not limited to: the extent to which specific
4 categories of services contributed to department of health medicaid
5 state funds spending in excess of the limits specified herein; the
6 need to maintain safety net services in underserved communities; or
7 the potential benefits of pursuing innovative payment models contem-
8 plated by the Affordable Care Act, in which case such grounds shall
9 be set forth in the medicaid savings allocation adjustment; and (5)
10 reductions shall be made in a manner that does not unnecessarily
11 create administrative burdens to medicaid applicants and recipients
12 or providers.

13 The commissioner shall seek the input of the legislature, as well as
14 organizations representing health care providers, consumers, busi-
15 nesses, workers, health insurers, and others with relevant exper-
16 tise, in developing such medicaid savings allocation adjustment, to
17 the extent that all or part of such adjustment, in the discretion of
18 the commissioner, is likely to have a material impact on the overall
19 medicaid program, particular categories of service or particular
20 geographic regions of the state.

21 (a) The commissioner shall post the medicaid savings allocation
22 adjustment on the department of health's website and shall provide
23 written copies of such adjustment to the chairs of the senate
24 finance and the assembly ways and means committees at least 30 days
25 before the date on which implementation is expected to begin.

26 (b) The commissioner may revise the medicaid savings allocation
27 adjustment subsequent to the provisions of notice and prior to
28 implementation but needs to provide a new notice pursuant to subpar-
29 agraph (i) of this paragraph only if the commissioner determines, in
30 his or her discretion, that such revisions materially alter the
31 adjustment.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this
33 subdivision, the commissioner need not seek the input described in
34 paragraph (a) of this subdivision or provide notice pursuant to
35 paragraph (b) of this subdivision if, in the discretion of the
36 commissioner, expedited development and implementation of a medicaid
37 savings allocation adjustment is necessary due to a public health
38 emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases
41 the immediate need for health care personnel in an area of the
42 state; (ii) an event or condition that creates a widespread risk of
43 exposure to a serious communicable disease, or the potential for
44 such widespread risk of exposure; or (iii) any other event or condi-
45 tion determined by the commissioner to constitute an imminent threat
46 to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of
48 such medicaid savings allocation adjustment from taking effect
49 retroactively to the extent permitted by the federal centers for
50 medicare and medicaid services.

51 In accordance with the medicaid savings allocation adjustment, the
52 commissioner of the department of health shall reduce department of

AID TO LOCALITIES - REAPPROPRIATIONS 2026-27

1 through [~~March 31, 2026~~September 15, 2026], shall not exceed
2 \$33,417,285,000 except as provided below provided, however, such
3 aggregate limits may be adjusted by the director of the budget to
4 account for any changes in the New York state federal medical
5 assistance percentage amount established pursuant to the federal
6 social security act, increases in provider revenues, reductions in
7 local social services district payments for medical assistance
8 administration, minimum wage increases and beginning April 1, 2012
9 the operational costs of the New York state medical indemnity fund,
10 pursuant to chapter 59 of the laws of 2011, and state costs or
11 savings from the essential plan program. Such projections may be
12 adjusted by the director of the budget to account for increased or
13 expedited department of health state funds medicaid expenditures as
14 a result of a natural or other type of disaster, including a govern-
15 mental declaration of emergency.

16 The director of the budget, in consultation with the commissioner of
17 health, shall assess on a quarterly basis known and projected medi-
18 caid expenditures by category of service and by geographic region,
19 as determined by the commissioner of health, incurred both prior to
20 and subsequent to such assessment for each such period, and if the
21 director of the budget determines that such expenditures are
22 expected to cause medicaid spending for such period to exceed the
23 aggregate limit specified herein for such period, the state medicaid
24 director, in consultation with the director of the budget and the
25 commissioner of health, shall develop a medicaid savings allocation
26 adjustment to limit such spending to the aggregate limit specified
27 herein for such period.

28 Such medicaid savings allocation adjustment shall be designed, to
29 reduce the expenditures authorized by the appropriations herein in
30 compliance with the following guidelines: (1) reductions shall be
31 made in compliance with applicable federal law, including the
32 provisions of the Patient Protection and Affordable Care Act, Public
33 Law No. 111-148, and the Health Care and Education Reconciliation
34 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
35 Act") and any subsequent amendments thereto or regulations promul-
36 gated thereunder; (2) reductions shall be made in a manner that
37 complies with the state medicaid plan approved by the federal
38 centers for medicare and medicaid services, provided, however, that
39 the commissioner of health is authorized to submit any state plan
40 amendment or seek other federal approval, including waiver authori-
41 ty, to implement the provisions of the medicaid savings allocation
42 adjustment that meets the other criteria set forth herein; (3)
43 reductions shall be made in a manner that maximizes federal finan-
44 cial participation, to the extent practicable, including any federal
45 financial participation that is available or is reasonably expected
46 to become available, in the discretion of the commissioner, under
47 the Affordable Care Act; (4) reductions shall be made uniformly
48 among categories of services and geographic regions of the state, to
49 the extent practicable, and shall be made uniformly within a cate-
50 gory of service, to the extent practicable, except where the commis-
51 sioner determines that there are sufficient grounds for non-uniform-
52 ity, including but not limited to: the extent to which specific

categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited

8 contrary, including but not limited to sections 2807 and 3614 of the
9 public health law, section 18 of chapter 2 of the laws of 1988, and
10 18 NYCRR 505.14(h).

11 The department of health shall prepare a quarterly report that sets
12 forth: (a) known and projected department of health medicaid expend-
13 itures as described in subdivision (1) of this section, and factors
14 that could result in medicaid disbursements for the relevant state
15 fiscal year to exceed the projected department of health state funds
16 disbursements in the enacted budget financial plan pursuant to
17 subdivision 3 of section 23 of the state finance law, including
18 spending increases or decreases due to: enrollment fluctuations,
19 rate changes, utilization changes, MRT investments, and shift of
20 beneficiaries to managed care; and variations in offline medicaid
21 payments; and (b) the actions taken to implement any medicaid
22 savings allocation adjustment implemented pursuant to subdivision
23 (4) of this section, including information concerning the impact of
24 such actions on each category of service and each geographic region
25 of the state. Each such quarterly report shall be provided to the
26 chairs of the senate finance and the assembly ways and means commit-
27 tees and shall be posted on the department of health's website in a
28 timely manner.

29 For the purpose of making payments to providers of medical care pursu-
30 ant to section 367-b of the social services law, and for payment of
31 state aid to municipalities where payment systems through fiscal
32 intermediaries are not operational, to reimburse such providers for

41 28 of the public health law and deposited to this account less any
42 such amounts withheld pursuant to subdivision 21 of section 2807-c
43 of the public health law. Notwithstanding any inconsistent provision
44 of law, the moneys hereby appropriated may be increased or decreased
45 by interchange or transfer with any appropriation of the department
46 of health with the approval of the director of the budget, who shall
47 file such approval with the department of audit and control and
48 copies thereof with the chairman of the senate finance committee and
49 the chairman of the assembly ways and means committee.

4 The commissioner of the department of health shall establish methodol-

23 ble general hospitals other than public general hospitals who quali-
24 fy as enhanced safety net hospitals under section 2807-k of the
25 public health law shall not be subject to such reduction.

26 Such reduction shall be determined by a methodology to be established
27 by the department of health which may take into account the payor

30 For calendar years 2025-2027, eligible general hospitals other than
31 major public general hospitals that qualify as enhanced safety net

22 The director of the budget, in consultation with the commissioner of

2 aggregate limits may be adjusted by the director of the budget to
3 account for any changes in the New York state federal medical
4 assistance percentage amount established pursuant to the federal
5 social security act, increases in provider revenues, reductions in
6 local social services district payments for medical assistance
7 administration, minimum wage increases and beginning April 1, 2012
8 the operational costs of the New York state medical indemnity fund,
9 pursuant to chapter 59 of the laws of 2011, and state costs or
10 savings from the essential plan. Such projections may be adjusted by
11 the director of the budget to account for increased or expedited
12 department of health state funds medicaid expenditures as a result
13 of a natural or other type of disaster, including a governmental
14 declaration of emergency.

15 The director of the budget, in consultation with the commissioner of
16 health, shall assess on a quarterly basis known and projected medi-
17 caid expenditures by category of service and by geographic region,
18 as determined by the commissioner of health, incurred both prior to
19 and subsequent to such assessment for each such period, and if the
20 director of the budget determines that such expenditures are
21 expected to cause medicaid spending for such period to exceed the
22 aggregate limit specified herein for such period, the state medicaid
23 director, in consultation with the director of the budget and the
24 commissioner of health, shall develop a medicaid savings allocation
25 adjustment to limit such spending to the aggregate limit specified
26 herein for such period.

27 Such medicaid savings allocation adjustment shall be designed, to

30 made in compliance with applicable federal law, including the
31 provisions of the Patient Protection and Affordable Care Act, Public
32 Law No. 111-148, and the Health Care and Education Reconciliation
33 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
34 Act") and any subsequent amendments thereto or regulations promul-
35 gated thereunder; (2) reductions shall be made in a manner that
36 complies with the state medicaid plan approved by the federal
37 centers for medicare and medicaid services, provided, however, that
38 the commissioner of health is authorized to submit any state plan
39 amendment or seek other federal approval, including waiver authori-
40 ty, to implement the provisions of the medicaid savings allocation
41 adjustment that meets the other criteria set forth herein; (3)

44 financial participation that is available or is reasonably expected
45 to become available, in the discretion of the commissioner, under
46 the Affordable Care Act; (4) reductions shall be made uniformly

49 gory of service, to the extent practicable, except where the commis-
50 sioner determines that there are sufficient grounds for non-uniform-
51 ity, including but not limited to: the extent to which specific

3 the potential benefits of pursuing innovative payment models contem-
4 plated by the Affordable Care Act, in which case such grounds shall
5 be set forth in the medicaid savings allocation adjustment; and (5)
6 reductions shall be made in a manner that does not unnecessarily
7 create administrative burdens to medicaid applicants and recipients
8 or providers.

9 The commissioner shall seek the input of the legislature, as well as
10 organizations representing health care providers, consumers, busi-
11 nesses, workers, health insurers, and others with relevant exper-

29 subdivision, the commissioner need not seek the input described in
30 paragraph (a) of this subdivision or provide notice pursuant to
31 paragraph (b) of this subdivision if, in the discretion of the

40 such widespread risk of exposure; or (iii) any other event or condi-
41 tion determined by the commissioner to constitute an imminent threat

44 such medicaid savings allocation adjustment from taking effect
45 retroactively to the extent permitted by the federal centers for
46 medicare and medicaid services.

47 In accordance with the medicaid savings allocation adjustment, the
48 commissioner of the department of health shall reduce department of
49 health state funds medicaid spending by the amount of the projected
